***Part Two: Descendants of Anthony M. TERRELL***

*EDITOR'S NOTE:* This is the second of a multi-part series on the ancestors and descendants of **Anthony M. TERRELL**. This project was initiated by lifetime member, Mrs. **Helen Nunnally** in order to provide a complete record for her immediate line. Other parts in later issues will contain more known descendants of Anthony M. TERRELL. This work is mostly information supplied to Don C. Terrill and the Society by Mrs. Nunnally and her cousins. Numbers in <sup>super-script</sup> following names refer to end notes indicating where Mr. Terrill received the information pertaining to that person. Information on the descendants of Martha TERRELL was added by #492 **Cheri Gentile**. We thank her for her valuable contribution to this work. *DFB*

**THANK YOU**

There are so many people who helped me pull this work together. I hereby acknowledge their contributions and express my heart-felt thanks. It would take a book to name them all. I thank each and everyone of you.  
To my husband, **Jim**, who gave up a lot of time. Who never questioned my spending in all my years of researching; and who, after all these years, has "caught the genealogy bug."  
To **my father** who always taught me to stick with anything I started and to **my mother** who gave me the love and support needed to finish a job. I only wish that they could be here today to see the result of their efforts.  
To **Paul Dale WILSON**, deceased, who furnished much of the **SHIPP** genealogy and leads. To **Billy Scattergood** for getting me started in this addictive hobby which is much loved by all who have caught the "bug."  
To **Don C. TERRILL**, president of the *Terrell Society of America, Inc.* who took the information that I sent to him and entered it into a computer genealogy program along with information that he had gleaned from other sources. His efforts via that program provided the framework upon which this work has been built. Also for the hours that he spent searching census records which add credence to this family history. This greatly simplified the task of compiling and editing this work by **Dan BRINSON**, secretary & newsletter editor of the *Terrell Society of America, Inc.*  
This could never have gone to print without the help of **Bettie Lou COOPER Miller** who came here to help me proof all of the material that I had gathered. Thanks to **Donnie L. COOPER** who supplied information on the largest family in the **John Wesley TERRELL line**. Thanks to all of the cousins that sent in what they had, what they knew of others, and who labored to acquire material that I could not possibly have acquired without their help.

Lastly, this is not just *my* material. This contains material that has been submitted by a very large family. All have submitted this in the name of love. For that, I thank each of you and hope you enjoy the finish of our "little" family. We have the most loving and close-knit family that I have ever known.

Love, hugs, and blessings,

**Helen TERRELL Nunnally & Jim NUNNALLY**

*Editor's note:* Each person in this article has an individual number. Anthony M. TERRELL is number 1. Separate numbers are not assigned to spouses. Numbers are assigned to children. **When there is more information on the child a plus (+) appears before the number.** Another section beginning with that number contains additional information. The balance of the listing is in numerical order. For example, the numbering skips from 1 (Anthony) to 3 (William, son of Anthony) because there is no more information on 2 (Jane, daughter of Anthony). Numbers in <sup>super</sup>script after the first name are the number of generations this person is from Robert And Agnes of Hagbourne, England. Numbers in <sup>super</sup>script after the surname of an individual is the number of an endnote indicating where Don C. Terrill obtained the information. Numbers beginning with "G" (G1-G26 for example) are descendants provided by Cheri Gentile and were not in Don's database. I added these numbers in case Cheri or another descendant is able to continue those lines at a later date. *DFB*

I did not find **Jerusha** who is listed as **Ruth** in the 1860 Marshall Co. Alabama census anywhere.

## TERRELL-TALLEY FAMILIES

### From Cherokee County [TX] History

This history must start with **Anthony M. TERRELL** and **Willey TALLEY**, and although their story is not unique either from those who lived in yesteryears or those living today, it is an important part of the TERRELL history. One might say that it is the beginning.

**Anthony M. TERRELL, Sr.** (1790--1870) was b. in Virginia, according to Marshall County Ala. census records; and, although he is found on few censuses, he seems to have children, but never a wife in the household. Of those there, one could have been his wife, but certainly would not have been old enough to have been the mother of his children.

His love and concern for their welfare shows in his will, for he named most of his children, his grandchildren of his deceased children, and tells us who they were with and where they resided, giving the county and state. Some were living with their mothers, others were with their grandparents. No wife is mentioned, but estate papers name **Jesse J.** and wife **Martha, Anthony Jr.**, deceased, (children named), **William**, deceased, (children named), **Elizabeth Peters, Jane Sandridge,** and **John TERRELL**, a minor under the age of 14 living with mother **Jerusha SHIPP Terrell** in Marshall Co. Ala.

**Anthony M. TERRELL** m. **Willey TALLEY**, daughter of **Daniel TALLEY** (b. in Virginia) in Halifax Co. VA., Oct. 30, 1817. In Daniel's will, Halifax Co., VA, Will Book 13, pp, 348-386, he names wife, **Mary Mickey Elizabeth Talley**; sons **Branch, Payton, Daniel,** and daughters, **Elizabeth Nash, Mary Mickey Elizabeth Terrell, Willey Terrell,** and the **children of Rhoda Boyd** (probably deceased). It is rumored that **Willey** divorced **Anthony** and later married again but as of this date, it has not been proved factually.

There seems to be an unrevealed connection between the **TALLEY, SHIPP, TERRELL,** and **BAILEY** families. It is not without interest that **Daniel TALLEY's** will named a **William BAILEY** of Virginia to act as security for the children of **Rhoda Boyd**. In **Anthony TERRELL's** will [estate papers] **Hiram BAILEY** and **James BAIN** of Alabama were appointed by the court to see that the land was sold at a fair price. We know that **Hiram BAILEY** of Alabama was the grandfather of **Jerome BAILEY** of Bullard.

Anthony has encouraged us to expend a little more energy in the future [present?] for the future and the past.

### Generation No. 2

**3. William<sup>11</sup> TERRELL** (Anthony M.<sup>10</sup>, Richard C.<sup>9</sup>, William<sup>8</sup>, James<sup>7</sup>, William<sup>6</sup>, Richmond<sup>5</sup>, Robert<sup>4</sup> Tirrold, William<sup>3</sup> Tyrrold, David<sup>2</sup>, Robert<sup>1</sup>)<sup>4,5,6,7,8</sup> was born Bet. 1818 - 1819 in Virginia, & died Before Apr 1870. He married **Mary A. DUNCAN** 21 Jan 1843 in Marshall Co, Ala. She was born ca. 1825 in Tennessee, & died Aft. Apr 1870.

Children of William TERRELL & Mary DUNCAN are:

- + 9 i. **James F.<sup>12</sup> TERRELL**, born Bet. 1844 - 1845 in Alabama.
- 10 ii. **Mary J. TERRELL**, born ca. 1846 in Alabama.
- 11 iii. **Isaiah TERRELL**, born Bet. 1847 - 1849 in Alabama.
- 12 iv. **Bud TERRELL**, born ca. 1850 in Alabama.
- 13 v. **Josiah TERRELL**, born ca. 1851 in Alabama.
- 14 vi. **Nancy TERRELL**, born ca. 1853.
- 15 vii. **Sarah E. TERRELL**, born ca. 1856 in Alabama.
- 16 viii. **William H. TERRELL**, born ca. 1859 in Alabama.

5. **Martha<sup>11</sup> TERRELL** (Anthony M.<sup>10</sup>, Richard C.<sup>9</sup>, William<sup>8</sup>, James<sup>7</sup>, William<sup>6</sup>, Richmond<sup>5</sup>, Robert<sup>4</sup> Tirrold, William<sup>3</sup> Tyrrold, David<sup>2</sup>, Robert<sup>1</sup>)<sup>9,10,11</sup> was born ca. 1826 in North Carolina, & died Before 1877 in Alabama. She married **Jesse J. TERRELL** <sup>12</sup> 27 Mar 1851 in Marshall Co., Ala (his second wife). He was born on 29 December 1820 in Virginia and died 16 April 1884 in Marshall County, Alabama. He was buried in King's Chapel Cemetery, Guntersville, Alabama.. He was son of **Charles R. TERRELL & Margaret "Peggy" WILLIAMS** according to information supplied by Mr. Max. Bryant (#366). **Jesse** married first **Eliza J. THOMAS** 8 Apr 1840, Marshall Co, Ala. She must have died before 1850 as **Jesse** was in the household with his father in Illinois at the time of the 1850 census.

It has always been a "family story" that **Jesse J. TERRELL**, son of **Charles R. TERRELL** married his first cousin, **Martha TERRELL**, daughter of **Anthony M. TERRELL**. Well, Martha would not have been Jesse J's first cousin, but would have been a first cousin one generation removed. Many people get confused with this particular relationship. *Max Bryant*.

**Cheri Gentile** shared the following info about her attempt to locate King's Chapel Cemetery. *Some time ago when I was doing Terrell research on Guntersville , I talked to someone at the library about the King's Chapel Cemetery. Although this person was not able to give me much information about the cemetery, he did give me the name of a "Miss Terrell" in Guntersville and said that she knew all about the Terrell's from way back. He said she's probably in her 80's. Anyway he gave me a telephone number for her. I tried to contact her a few times but wasn't successful. The number is (205) 878-5289.*

+ 17 i. **James Monroe<sup>12</sup> TERRELL**, born 1849 in Alabama. (son of **Jesse** and his first wife **Eliza J. THOMAS**)

Children of Martha TERRELL & Jessie TERRELL are:

- + 18 ii. **Richmond/Richard M. TERRELL**, born ca. 1852 in Alabama. Gentile has his name as **Richard**. Don Terrill comments: In the 1860 census I copy as "Richmond", in the 1870 census I copy as "Richard", in the 1880 census I copy as "Richard," in the 1900 census I cannot find him (yet).
- + 19 iii. **Margaret C. TERRELL** <sup>13</sup>, born 1855 in Alabama. She married **James TAYLOR**; born 1849 in Alabama. See census below.
- + 20 iv. **Alan Brinsfield TERRELL**, born 14 Mar 1858 in Gunterville, Marshall Co, Ala.; died 17 Dec 1933 in Texas.
- 21 v. **George W. TERRELL**, born October 1860 in AL. In the 1870 and 1880 George is listed in Jesse's household as his son. In 1900 George is living in Marshall Co and says his date of birth is Oct 1860 (ED 94, S 12, L 79).
- 22 vi. **Jesse D. TERRELL**, born 1864 in Marshall Co, Ala. 1880 and 1900 census show him as Jesse D. Terrell
- 23 vii. **Willie/Willine F. TERRELL**, born 1868 in Marshall Co, Ala. "Willie" is a girl's name sometimes found in census records; "Willine" is a one-of-a-kind. Don (Gentile lists name as Willine F. *DFB*)

**Charles R. Terrell** (1801-1860). is found in these census records:

1830 Va., Pittsylvania Co, p. 397

1840 Ala., Marshall Co, p. 107

1850 Illinois, Peoria Co, p. 231A:

**Charles R. TERRILL** 49 M W Farmer Va.

**Peggy** 53 F W N.C.

**Jesse J.** 29 M W Farmer Va.

**Richard M.** 20 M W Farmer Va.

**Mary** 22 F W Va.

**Robert C.** 17 M W none Va.

**Doctor C.** 15 M W Ala.

**Elizabeth** 8 F W Ala. *Editor's note:* These 3 may be children of Jesse. I have

**Susan** 7 F W Ala. no later censuses to determine with whom they lived. *DFB*

**James M.** 1 M W Ala.

Don Terrill: *I think this clearly establishes Jesse as the son of Charles; but what about James M. Terrell (age 1)? This could be seen as establishing James as the son of Charles, but then Margaret/Peggy would be about age 51/52 at the time of James' birth (low probability). James could also be the infant son of Jesse and his late wife Eliza Thomas (m. 1840). I believe this second explanation is the correct one, because, upon returning to Alabama, James lives in Jesse's household in 1860, even though Charles is living very nearby and even though Charles' other unmarried children are still living in his household.*

1860 Ala., Marshall Co, p. 881: both Charles and Jesse are approximately adjacent (same census page). This gives a very high probability that Jesse is the son of Charles.

They are also side-by-side in 1840 (same census page), since Jesse had married and established his own household. There is a very low probability that Jesse is the brother of Charles and thus the son of **Jesse TERRELL** (1776-1852) and **Nancy STRANGE** (1780).

**6. Anthony<sup>11</sup> TERRELL, Jr.** (Anthony M.<sup>10</sup>, Richard C.<sup>9</sup>, William<sup>8</sup>, James<sup>7</sup>, William<sup>6</sup>, Richmond<sup>5</sup>, Robert<sup>4</sup> Tirrold, William<sup>3</sup> Tyrrold, David<sup>2</sup>, Robert<sup>1</sup>)<sup>14,15,16,17</sup> was born ca. 1829 in Tennessee. He married **Nancy Jane CHILDRESS** 7 Mar 1848 in Marshall Co, Ala., daughter of **Isaac CHILDRESS, Sr.** She was born ca. 1830 in Tennessee.

Children of Anthony TERRELL & Nancy CHILDRESS are:

- 26 i. **Sarah E.<sup>12</sup> TERRELL**, born ca. 1849 in Marshall Co, Ala.

He married **Jerusha Ann SHIPP** 21 Jul 1859, daughter of **Abner SHIPP & Matilda OAKES**. She was born 7 Feb 1841 in Walton Co, Ga., & died 18 Sep 1904 in Marshall Co, Ala.

*John A. TERRELL Jr.:* **Peyton TERRELL** is thought to have been named for **Payton TALLEY**, believed to be his great-grandfather. Helen Nunnally agrees.

1860 Census, Marshall Co. AL page 883:

**Peyton TERRELL** age 29 m TN

**Rusha** age 20 F. GA

**Eliza Jane** 24 F. AL (Eliza Jane is correct although the marriage license to Nimrod at first had Sarah Jane)

**TERRELL, Jerusha** 34 f w. \$100 b. GA

**John W** 9 m AL

**Isaac L** 7/12 m (b. Nov 1869) AL

From this census, it appears that **Peyton TERRELL** died sometime between Feb. 1869 and Dec. 1870. Since **Isaac L.** was not named in the *Estimate Papers* along with **John W.** it appears that he died in infancy.

## TERRELL-TALLEY FAMILIES

### From Cherokee County [TX] History

**Peyton TERRELL** b. 1832 TN according to census, d. before 1870. It is said by those living in Alabama that **Peyton** died of smallpox and is buried at *King's Hollow on Sand Mountain*. Although many lovely, old above-ground vaults -- some of them made of rock, some of cement, and some a combination of the two -- are there, most remain nameless.

**Peyton** m. **Jerusha SHIPP** (b. Feb 7, 1841, d. Sep. 18, 1904) on July 21, 1859, in Marshall Co. AL, at "**Abner SHIPP's**, home of the bride's parents." After **Peyton** d. **Jerusha** and **John** lived with her father until she m. **William BERRY** on March 28, 1874. She is buried in Martling Cemetery on Sand Mountain in the Guntersville and Albertville, AL area.

A search for history and pictures was almost fruitless, with the exception of finding a photograph of Jerusha in Alabama and one of her father, Abner, in Farmersville, TX. With little results, efforts to find other pictures and history, after an exhaustive search, have been suspended.

Child of Peyton TERRELL & Jerusha SHIPP is:

+ 33 i. **John Wesley**<sup>12</sup> **TERRELL**, born 10 Oct 1860 in Marshall Co, Ala.; died 5 Apr 1930 in Bullard, Smith Co, Texas.

If **Jerusha Ann SHIPP** and **Peyton TERRELL** had other children living in 1870, Alabama Probate Law would have required that they be listed and receive a portion of the estate of **Anthony** that went to **Peyton**. By 1880, **John Wesley TERRELL** had moved out on his own as shown by the next census citation.

While these below are not all **TERRELL** descendants, any born to Jerusha and their descendants are **SHIPP** cousins to all the descendants of **John Wesley TERRELL**. Those known are listed in the census record below.

1880: Alabama, Marshall County, FHL Film 1254024, National Archives Film T9-0024; page 228B

<b>William BERRY</b>	self, m. md. white, age 51 b. GA farming;	father b. TN, mother b. TN

<b>Charles BERRY</b>	son, m. s. white, age 4, b. AL, at home;	father b. GA; mother b. GA

The above census does not prove that all the children listed are children of **Jerusha SHIPP Terrell Berry**. Due to his age, it is probable that **William BERRY** had one or more previous marriages and may have had children by earlier spouse(s). Without an exact date of death for **Peyton TERRELL**, we cannot determine when **Jerusha** was free to get together with **BERRY**. Don Terrill commented that he did not find their marriage in *Alabama Marriage Records*. If the date of March 28, 1874 cited in the *Cherokee County History* is correct, either all except the last child are by his previous wife or they were consorting before the marriage. Unless some of the **BERRY** descendants surface with the "*rest of the story*," we may never know who belongs to whom.

Guntersville Historical Society; *Cemetery Records of Marshall County, Alabama 1773--1968*, page 250 lists: **Jerusha A. Berry**; Feb 7 1841 --

Sept. 18, 1904; "Age 62 years" Wife of **Wm. M. Berry**.

**8. Eliza Jane<sup>11</sup> TERRELL** (Anthony M.<sup>10</sup>, Richard C.<sup>9</sup>, William<sup>8</sup>, James<sup>7</sup>, William<sup>6</sup>, Richmond<sup>5</sup>, Robert<sup>4</sup> Tirrold, William<sup>3</sup> Tyrrold, David<sup>2</sup>, Robert<sup>1</sup>) was born 24 Nov. 1829 in Alabama; died 10 Jan. 1916, buried in Bullard Cemetery, Bullard, Smith, TX. She married **Nimrod SANDRIDGE<sup>22,23</sup>** ca. 1864 in Marshall Co, Ala., son of **Nathan SANDRIDGE & Catherine MODENA**. He was born 1804 in Virginia, & died 1870 in Guntersville, Marshall Co, Ala.

Children of Sarah TERRELL & Nimrod SANDRIDGE are:

- 34 i. **Willie Ann<sup>12</sup> SANDRIDGE**, born 1864 in Alabama. She married **Obediah B. COOPER** 26 Oct 1890 in Marshall Co, Ala.
- + 35 ii. **John Peyton SANDRIDGE**, born 9 Mar. 1869 in Alabama; died 12 Oct 1953 in Smith Co, Texas.

*Helen Nunnally*: **Sarah Jane** should be **Eliza Jane**. My dad talked about this old gal a lot. Let's not get into what he said. Here is what the cemetery book says: **Eliza Jane Sandridge**, wife of **N. Sandridge**, born 4 November 1829 in Alabama and died 10 June 1916 in Bullard, Smith, Texas. She is buried in the Bullard cemetery, Bullard, Texas. Cemetery Records of Smith County, Texas, Volume III, Southwest Quarter, Thirty-four cemeteries published by the East Texas Genealogical Society, P. O. Box 6767 Tyler, TX 75711. This old cemetery did not keep records until the past few years. I remember my father coming in at almost 8:00 p.m. tired and dirty. He had helped dig into 8 graves before finding one that was empty. They had very bad records. In many instances people were buried in home made boxes and just carried from home to the cemetery without anyone doing the burial except the community. I also remember his coming after he helped to dig the grave for Aunt Lucy Clements who d. 03/16/1935.

### Generation No. 3

**9. - 36 i. **Mary<sup>13</sup> TERRELL**, born 1862 in Morgan Co, Ala.
- 37 ii. **Alfred TERRELL**, born 1865 in Morgan Co, Ala.
- 38 iii. **John TERRELL**, born 1867 in Morgan Co, Ala.

I have found no **Mary** who m. a **TERRELL** in this work the right age to fit this census. While the birthplaces above do not match **James F. & Jane ? TERRELL**, the age fits their daughter **Mary** above. The **Mary TERRELL** next closest to this age is **Mary** b. 1846 (6 years older), daughter of **3. William TERRELL** (b VA) & **Mary DUNCAN** (b. TN). It is also possible that this is the widow (or grass-widow) of some unidentified **TERRELL** who may (or may not) be of this lineage. *DFB*

**17. James Monroe<sup>12</sup> TERRELL** (Not descendant of Anthony, but as a descendant of Anthony's brother Jesse he shares the same early TERRELL heritage, he is son of **Jesse TERRELL & Eliza J. THOMAS**) was born 1849 in Alabama. He married **Martha A. ?**. She was born 1851 in Alabama.

Parents of Alan Brinsfield TERRELL were born in VA & NC, not IL; evidently this is an error on the part of the census taker as the names and ages leave little room for doubt that this is Alan Brinsfield TERRELL. Perhaps the error is due to the fact that his parents lived briefly in IL between 1840 & 1860.

*Editor's Note:* Her stone has her name carved as **Elen**, and it is spelled that way in the family Bible photocopies. This spelling was used by Mrs. **Nunnally** in her writings. Their marriage license, No. 155, Page 445, Book 7 marriage records of Marshall County Alabama indicates that they were married on Dec. 23, 1883 at H. J. Wilson's by E. A. Gardner. Her name is spelled as Ellen there. Marriage bond dated 18 Dec. 1883 and signed by John W. Terrell & William Berry lists her name as Ellen. In view of the fact that both her signature and official documents spell the name with double "l," I have changed the spelling in this document to **Ellen**. *DFB*

## **TERRELL-WILSON FAMILIES**

### **From Cherokee County [TX] History**

**John Wesley TERRELL** (b. Oct 10, 1860, Marshall Co. AL, d. April 5, 1930) son of **Peyton** and **Jerusha SHIPP TERRELL**, grew up on *Sand Mountain* at *Martling* near the Albertville and Guntersville, AL area.

John Wesley TERRELL was the first Terrell family [of this line] to come to Texas, on horseback. A story often told by Jerusha was the fear she had when as her son was leaving. She saw the hoof of the horse he was riding slip as he jumped a small, but almost bottomless crevasse enroute to his new adventure and what would soon be his permanent home in Smith Co. TX.

**John m. Ellen Lou WILSON** (b. Aug 3, 1868, d. May 21, 1960) Dec. 23, 1883, in Marshall Co. AL. She was the daughter of **Millicent Maria HINDS** (b. Mar 14, 1848, d. Feb. 1908) and **Hezekiah Jefferson WILSON** (b. Feb. 19, 1841, d. Oct. 30, 1927)

Next in fam 185 **Eliza Jane GUILLION** 33 f b TN was head of family. She may be mother of Margaret GUILLION, below but the photocopy does not go that far.

**TERRELL** came to Texas in 1884. He stopped off to visit his mother's **SHIPP** brothers in Farmersville, TX, then settled in the Eureka community near Bullard in Smith Co. TX. There he waited for his wife to follow him. He settled less than seven miles from **Jerome BAILEY's** home where he saw his dream fulfilled of having a large farm where he could turn the soil to feed his family.

Traveling by covered wagon with her parents and her grandmother, **Margaret GULLION Wilson, Ellen** took six months to get from Alabama to Texas. Soon after they arrived, John and Ellen's first son was born.

pervised household chores for the ill family.

When another neighbor's barn burned, John followed his philosophy of one for you, one for me. While the boys divided the corn, hay, peanuts, piglets, and picked two cows for loan, the girls divided quilts they had made, food they had canned, doilies they had embroidered, and clothes they had made.

Perhaps he knew that some day the shoe might be on the other foot. Indeed, his home, later destroyed by fire, included in its ashes our family Bibles, photos, and history.

Ellen made us a part of her life. We were asked occasionally to cut a new tooth brush for her little brown bottle with the four notches on the bottom, or to bring her the blue felt house shoes she wore most of her life because of crippling arthritis. She was a good cook and homemaker, a wonderful wife, mother, friend, and romantic who loved to read *True Love* and *True Romances*.

She gave us a lineage that takes us all the way back to the *Mayflower* with five passengers aboard: **John ALDEN, Priscilla MOULLINS, Priscilla's parents, and Frances COOKE**. Our *Magna Charta* line comes from Priscilla's grandmother, **Mahieu**, who descends from Sire **De QUINCEY**, a baron credited with rewriting the *Magna Charta*. **Joseph HINDS, Ebenezer BYRAM, Jeremiah RODEN, Isaac OAKS** and **Thomas SHIPP** are Revolutionary War soldiers given by both our grandparents.

There are some things families enjoy remembering. **Ellen** had the most beautiful blue eyes, eyes you couldn't forget. **John**, sounding like a herd of elephants, awoke everyone with what he called his "two little sweet ones," size 11 shoes, graduating to a size 12 police shoe. The only shoes which would fit his feet were long and wide.

We miss them, their laughter, sense of humor, and the wisdom they took with them. They instilled truth, kindness, and purpose into our lives. [Both articles were submitted to *Cherokee County History* by **Helen TERRELL Nunnally**.]

*Obituary* for **John W. Terrell** from *Tyler Morning Telegraph*, April 6, 1930 indicated that he was 69 years, 5 months, and 25 days of age when he died almost suddenly at his home four miles west of town. Burial was in Bullard Cemetery. Services were conducted by Rev. **T. P. Hendricks & W. L. Shuttlesworth** at the family residence. A large crowd showed the sorrow which the death of this man cast on the community when it became generally known Saturday. He spent his life farming and was active until two or three weeks ago when he contracted influenza. He was a member of the *Masonic* lodge, the *Odd Fellows* and the *Methodist* church. The beautiful floral offerings gave mute testimony to the esteem in which the community held this man. Pallbearers were not listed. Survivors are covered elsewhere. His death certificate recorded in Vol. 5, on page 294 of the Smith Co. Death Records contains personal info given by his son H. P. Terrell. Attending physician whose signature is not legible, but appears to be C. B. Raltur indicated that he saw him on April 4 & 5, 1930; that death occurred at 9:15 a.m. from cerebral hemorrhage with high blood pressure contributing. There was no autopsy, diagnosis was made from symptoms.

*Obituary* for Mrs. **J. W.[Ellen] Terrell** from an undated clipping indicted that she was 91 and died at her home on Rt. 1, Bullard, Saturday after a lengthy illness. She had 121 direct descendants. Funeral services were held at *County Line Baptist Church* with Rev. **Albert Dusek** conducting and burial was in Bullard Cemetery. She had been a member of the *Bullard Methodist Church* for 75 years. Grandsons served as pallbearers, but were not named. Other survivors are listed elsewhere. These included children, 37 grandchildren, 67 great grandchildren, and 10 great-great

John Wesley TERRELL was a member of Masonic Lodge No. 785 in Bullard, but in 1928, with the Depression just beginning, he was dismissed for non-payment of dues. His standards were high, his family and community respected him for his leadership, and except for a short-lived partnership in the cotton ginning business, he was a farmer all his life. He served his community to the fullest. Methodist ministers and their families frequented the TERRELL home. His home was always filled with children and young people.

When a neighbor was down with influenza, John saw a need; so, the family, field hands, wagons, mules, and tools headed for the crops which needed working desperately. As his "caravan" moved along, everyone singing, he looked back and saw others joining to lend a helping hand.

Men went to the fields; girls did the churning, washing, and ironing; boys cut wood, cared for animals, and drew water from the well. Smaller children gathered eggs, cleaned the yard with their brush brooms, and wives gave baths, cooked food, and su-

grandchildren.

Her death certificate in Vol. 11, page 246 of Smith Co. Death Records originally indicated her name to be **Ellen Malvineinie Terrell** based upon information given by **Mattie Green**. Parents are listed correctly. **Marjorie Ferrell Roper**, M.D. indicated that death was caused by Dehydration due to Chronic Gastro-Enteritis and due to arthritis. On 08/08/1975, **Helen Terrell Nunnally** had this death certificate amended to show her name as **Ellen Lou Terrell** and her DOB at August 3, 1868 instead of 1869. Documentation included affidavit from Mrs. Nunnally and certification of marriage record as shown in the Bible, signed by Mattie B. Green, daughter.

Ellen's Last Will and Testament is recorded in Vol 162, pages 299 & 300 Smith County Texas records. **She signed the will and spelled her name ELLEN, not Elen.** Her will provides for payment of all just debts. The family held at least one reunion on July 8, 1973 at the Cedars of Lebanon Club House on Copeland Road in Tyler, TX. That reunion was organized by Helen Terrell Nunnally and her sister Mrs. Paul Manziel was listed as contact person.

Information supplied to Mrs. Nunnally during July 1975 by Harvey C. Byrd, Grand Secretary of the Masonic Lodge Library in Waco, TX indicated that J. W. Terrell of Lodge 785 in Bullard was initiated 9-8-1900; passed 10-6-00; Raised 11-3-00 and Dimitted 3-6-28.

**THE JOHN AND ELLEN WILSON TERRELL FAMILY REUNION  
CEDAR OF LABANON CLUB HOUSE  
OLD COPELAND ROAD, TYLER, TEXAS 1973**

Among the leading citizens of Eureka, the name **John TERRELL** had a familiar Ring. He was born 10 October 1860 to **Jerusha SHIPP Terrell** and **Payton TERRELL** in Albertville, Marshall county, Alabama. He was reared in the Martling community on sand mountain. There he met and married his lovely Bride **Ellen Lou WILSON** born 3 august 1868 with their wedding taking place at the home of the bride's parents on 23 December 1883. This union was blessed with three boys and seven girls, **Hezekiah Peyton, Millie Elvira, Lue Berta, Mae Belle, Mattie Victoria, Grady, Mary Jerusha, Malvenevie (Nevie) John Hunter** and **Hayden Edward TERRELL**. All of the children had double names but We have never been able to discover the other name of baby girl, **Grady**, and **Malvenevie**.

John's parents, **Jerusha Ann SHIPP** and **Peyton TERRELL** were married 20 July 1859. It is said that Payton died of small pox when John was ten years of age. (the only proof we have that John is the son of Payton lies in the Estate records of John's grandfather **Anthony** which states that **John** was Under the age of 14 and does not mention any other children, (which denounces that there were any other children). It is hoped that by the next reunion, The complete history of the TERRELL family will be known.

**John Wesley TERRELL** came to Texas in the early or middle part of 1884. A SHIPP cousin had gotten in a fight over a girl and being outnumbered, **John** stepped in to help. A rock was thrown by someone in the crowd and it was blamed on **John** and his cousin. Going by the house to tell his wife goodbye, he fled with his cousin to Texas, almost dropping off in a crevice in the Mountain. That is where the chase was stopped. **John** stopped off at Farmersville to visit some of his SHIPP relatives. **Ellen**, her parents, **Hezekiah and Millie** and Hezekiah's mother all left for Texas by covered wagon. (there were probably others on this trip but we have no knowledge of who they were). We do know they arrived just in time for the birth of John and Ellen's first child, **Hezekiah**, taking better than six months to make the trip.

Being a man of high standards and in spite of his strict and stern ways, John's grandchildren feared him, but at the same time, loved and respected him. He demanded more from them than they felt they could give. However, it is the writer's opinion that trying to Live up to his expectations, made us all very strong. He demanded much from everyone, including his hired hands, most of them colored.

He loved his large farm and cared for it to the best of his ability, feeding his family well from the seeds he had planted. Strangers were always welcome...the needs of his fellow man were readily taken care of -- lard, canned goods, canned meats, milk, butter and other things were made available to those who had lost their home and even to those less fortunate than he. Knowing what it was like to be alone and poor, helping others was his advice to his children. Though this man's financial means were small, he stood very tall to all who really knew him.

The land that he loved so much was probably his greatest achievement. He turned the earth many times to acquire the property of his choice, perhaps fulfilling a long and carefully planned dream that some day he would own and toil the earth that someday would be his.

**John** and **Ellen** loved their home, their children and friends made a good showing at the Sunday "dinner table." A story told by many of his sisters and since **Hunter** was raised with mostly girls, they would tease him and dare him to do things. Back in those days, the children ate last, and the only thing the preacher left were the wings, back etc. No good meat. Had I been grandma, I would have cooked two batches of chicken...one for the children and one for the guest. The Methodist preacher often visited the TERRELL home and the children often wished for some of the best parts of the chicken. They had **Hunter** to go through the house yelling "save us some of that good stuff". Big daddy excused himself saying he had a small chore to take care of. -- out behind the wash house.

**Big daddy TERRELL** as we all knew him made a name for his family. That name has been passed on down to us. It is a name to be respected but more than that, a name that requires respect from all of us. Many of us were deprived of knowing this great man for on 5 April 1930, death swept him from us, yet even today, that name, his name, lives on -- his community height still stands just as tall.

We were blessed with knowing grandma TERRELL however, at least most of us. **Ellen TERRELL** was an even more petite woman in her later years because of crippling arthritis. We remember her best by: her little blue felt house shoes; her love for reading true love and romance magazines; and the brown bottle with four little notches on the bottom of her snuff jar. Some of us may have been privileged too recall with pride when we were asked to cut her a new brush for her snuff jar. We were saddened by her death which came 21 May 1960.

**John** belonged to the *Masons* while **Ellen** belonged to the *Rebecca's*. Unfortunately, when big daddy died, due to the depression he had been dropped for non payment of dues and Ellen had been dropped from the rebukes for the same reason.

They, John and Ellen Lou WILSON TERRELL would have been proud this day. We all had joined in their memory to attend the John and Ellen TERRELL reunion of 1973.

*The most I can do for my friend is simply be his friend. I have no wealth to bestow on him. If he knows that I am happy in loving him, he will want no other reward. Is not friendship divine in this?*

## POSSIBLE CORRECTION ANCESTORS OF ANTHONY

Dan,  
Please consider the following information and arguments regarding information listed in the latest TERRELL Trails. Listed in Generation No. 2 on page 1508 is **Jesse A. TERRELL**, second child of **Richard C. TERRELL** and **Elizabeth ?**. Listed as source 11 for Jesse is an 1830 census of North Carolina. **I believe this is the wrong Jesse**. I have attached what I believe to be the 1820 through 1850 census records of **Jesse TERRELL**. I have never found him listed

with the middle initial (**A.**). I did not look at the source record above but the initial probably came from that record.

I believe the correct record is in Pittsylvania County, Virginia as shown on my attached file. Listed adjacent to Jesse in the 1830 census is **Chas R. TERRELL**. I believe this to be the son of **Jesse TERRELL** and his first wife **Nancy STRANGE**. I am a descendant of **Charles R. TERRELL**. I cannot find conclusive proof that **Charles R.** is the son of **Jesse**.

It has always been a "family story" that **Jesse J. TERRELL**, son of **Charles R. TERRELL** married his first cousin, **Martha TERRELL**, daughter of **Anthony M. TERRELL**. Well, Martha would not have been Jesse J's first cousin, but

would have been a first cousin one generation removed. Many people get confused with this particular relationship. I just thought I would try to help clear up the identity of Jesse TERRELL, son of Richard C. TERRELL.

#### Husband's General Notes

The census records for 1790, 1800 & 1810 have not be located for **Jesse TERRELL**. The 1820 census of Pittsylvania County, Virginia shows a **Jesse TERRELL** as Head of Household. There are seven other individuals shown in this household (3 male & 4 female). **Jesse** was born 12 February 1776 and would have been 44 years old at the time of this census. There is one male listed for the age span 26 to 45 and this is presumed to be **Jesse**. It is also presumed that since **Jesse's** first marriage was on 5 Dec 1797 that none of the children would have been more than 23 years of age. **Nancy Ann STRANGE** was born about 1766, 10 years older than **Jesse** or age 54. There is no female listed of age greater than 26 years old. It is presumed that **Nancy** predeceased this census and that the seven other listings are the children of **Jesse** and **Nancy (Strange) TERRELL**. It is also presumed that there were at least two male children not shown in this household at the time of this census (**Julius B. and Charles R. TERRELL**).

Military Service: None

There is some question about when **Jesse** and his family moved to Williamson County, Tennessee. He first appeared on the tax list there in about 1837. He is listed in the 1830 census on Pittsylvania County, Virginia and is shown there as giving consent to the marriage of his daughter **Edney** in April 1832. Of the seven children listed in the 1820 census, three have not been identified (one female and two male).

#### Wife's General Notes

**Nancy Ann (Strange) TERRELL** probably died before 1820. She is not listed in the 1820 census with **Jesse TERRELL** and seven others (presumed children).

I'm new at genealogy and discovered your site after going into ancestry.com. I've always thought we were probably related to people with variations on the spelling, and this shows we probably are. Around here I also know there is **TYRRELL**.

I have found **TARRELL** ancestors back to England, born in 1835, all with this same spelling. We have quite a large number of **TARRELL** ancestors and descendants who live or lived in the Canistota, Salem, Marion, Bridgewater, South Dakota areas. It also looks like the **John TARRELL** mentioned above born in 1835 in England, migrated to Wisconsin. My great-grandfather, **Moses TARRELL**, was a son of that **John TARRELL**.

I will go through some of your sites at a later time and provide info as requested, or obtain any info I can from them. If you have questions about anything, feel free to contact me at:

Hi Don I was wondering if you had any info on the TERRILL's from Breckenrige and Chilcothe MO. My great great grandfather **Thomas S. TERRILL** born in 1863. 1920 census states Thomas being born in Iowa but him putting IL as his state of birth he married **Mamie MC CULLUM** in MO their children were **Frank** (my grandfather) **Fred, Mary.**

My grandfather **Frank** married **Colene DISH-MAN** their children **Robert, Ina, Ilene, Wilma, Ralph, Floyd, Max**

I want to know who Thomas TERRILL's father was or what TERRILL line to follow. My father had said my cousin traced the family line back to England. An ancestor was knighted by **King William** in the Anglo Saxon war and we ARE of nobility, My father passed away Sept 11 of an aneurysm before I found the web site the Great Pioneers of Missouri he would of liked to see that.

Any info would be greatly appreciated. **Sharon TERRILL Doeadeer00@aol.com**

Sharon,

I'm sorry, but I found nothing in my database which matched your information. I am researching Terrell (etc.) in the Southern states, but I have not yet gone beyond the 1870 census (next on my list is 1880), so I can't search for Thomas by census records. In any case, I am researching only the Southern states plus Indiana (where a substantial number of Virginia Terrells migrated), and have no data on Illinois or Iowa. **Don C. TERRILL** (with the Terrell Society of America)

Mr. Terrill,

You seem very knowledgeable about the history of the TYRRELLs and Terrills; I hope you can help me. I am looking for information on my grandfather, **Julius Harrison TYRRELL**, born in Illinois, 3/4/1889. He died in California on 2/13/1964. His ss# is 547-26-1608. The SS Death Index shows his mother's maiden name as HOFFMIES, which I think to be a typo. Do you have any information on him, his family, or can you offer me some suggestions on where to search? Any help you can provide will be greatly appreciated.

Sincerely, **Erin Tyrrell Forbis**  
**forbise@bellsouth.net**

Erin,

I'm sorry, I don't have the information you seek. The spelling of the name very strongly suggests that your earliest North American ancestor was either: (a) a New England TYRRELL or (b) a 19th century TYRRELL arrival from England or Ireland. The TYRRELL spelling is not used among Southern Terrells (my area of concentration), other than immigrants from the northern states. I am providing a copy of this e-mail to **Dan Brinson** who maintains our Terrell Society newsletter index, in case he finds any references. **Don C. Terrill** (with the Terrell Society of America)

*Editor's Note:* I checked the indexes to vols I - IV of Terrell Trails. The closest name I found to **HOFFMIES** was:

**HOFF, Elizabeth;** Miss; 520; 621 (daughter of couple below, VA 1786--Gordon Co. GA 1857)

**HOFF, Peter;** Mr.; 1228; 1229 (1750 Germany--1828 GA)

**HOFF, Winneford 'Winney' PORTER;** Mrs.; 1228 (his wife, m. ca1772 Hampshire Co. VA, d GA)

As you can see, these dates are no where near yours. Maybe one of our members has the info that you seek. *DFB*

Hi Don

I am looking for info on a **Thomas TERRELL/TERRILL** who married a **Nancy BLACKERBY**. These are the facts that I have found:

1. **Nancy BLACKABY/BLACKERBY** was born in Orange Co. VA dau. of **Thaddeus B.** and **Jane MARSHALL**. This line I can follow back many generations
2. Both **Thomas** and **Nancy** were married in Lincoln Co KY
3. Three children known, **Thaddeus, John,** and **William.**
4. **Thomas** and **Nancy** were buried in Lincoln Co KY.
5. According to *Williams Kentucky Civil War pension papers* he spelled his last name **TERRILL**

Do you have anything on Thomas who married Nancy? Any help you can provide, I would be thankful. **Chuck Terrell** CTerrellfamily@aol.com  
Chuck,

You provided no dates whatsoever, which made it difficult to do a proper search of my records. Unfortunately, I found no matches. Don Terrill
