**V-P LOSES DAUGHTER**

I am deeply saddened to have to pass on the following information just received from our V-P, Mr. Guy Clarke, Jr. *DFB*

"I got off of hospice so I could have eye surgery. When I went back to my doctor for the first time since Jan. 9th he said he was surprised to see me since the last time he saw me he gave me a few weeks to live. As a matter my daughter, Peggy Heider, went to the funeral home and made plans for my funeral. The not so funny thing is that she was acting as my care giver and she suddenly died Nov. 10th so things here have not settled down yet. The doctor said that my situation seemed to have stabilized for the time being. I am presently involved in various testing to make sure I can survive the minor surgery on my eyes." Obituary below.

**Peggy CLARKE Heider**

**Peggy Clarke Heider**, 43, of Henrico died Nov. 10 2002. She is survived by her husband and was the love of his life, **Herbert F. HEIDER**; her sons, **David H. STONEMAN** and **James C. STONEMAN**; her grandson, **Joseph H. STONEMAN**; her father **Guy L. CLARKE, Jr**; her sister, **Joanne CLARKE Ismert** of NC; her nephew **Jason L. MYERS**. Services Wednesday 11 a.m.; interment Forest Lawn Cemetery.

We all grieve with Mr. Clarke. *DFB*

### 2003 TERRELL REUNION

We've recently returned from the annual Terrell reunion held at Laurel Hill Baptist Church in Leander, LA.

I would like to ask each of you to take a moment and mark your calendars for next **October 11th, 2003** this will be the next Terrell reunion. This year new officers were elected:

**Carolyn "Kaite" Bales**; President

**Nita Welch**; Treasurer

**Sonja Krisell**; Secretary

As the new secretary I'm going to try and notify everyone early so they can make plans to attend. Short notice does not work for those that live a distance away or have to make plans to take vacation, so I'm giving "long" notice. I'm also planning to send out a reminder notice in about six months.

Most of the people that attended this year were descendants of Rev. **William Sylvester TERRELL**. We did have some that were from other lines and that was great. We were able to share a lot of information and discover old relatives and make new

friends. There was an album there with pictures from the past reunions. It was great to look at them and see pictures of family members we had never met and also ones of those we know but have passed on.

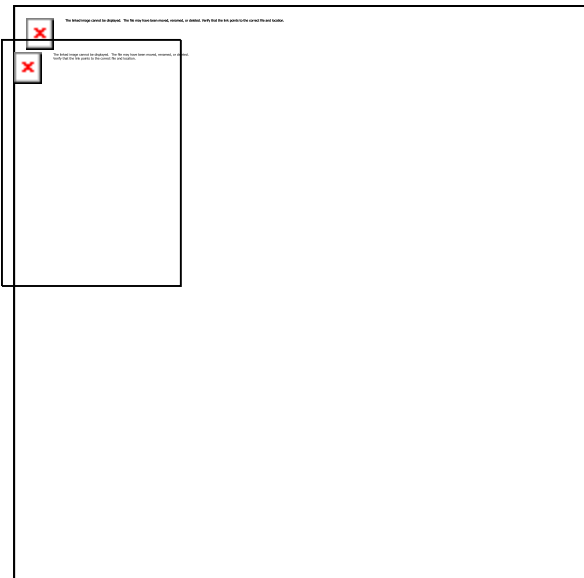

For myself, this was the first year I had ever attended and everyone made me feel like I had known them forever. For the next one I would like to see all those from this year and many new ones, so I'm getting an early start on "badgering" you to attend. I know everyone that is related to us or that would like to know about this reunion is not on this site. So I'm asking you to please provide me with the names and addresses, e-mail and postal, of anyone you think would like to know about the reunion or anyone that you would like to see at the reunion. Send the information to me at: **Sonja J Krisell; 2121 Sycamore View Road, #447; Memphis, TN 38134; sonja@sonjaj.com**

## GENEALOGY? ASK DAN!

**Q.** My grandfather was **Edward Lewis TYRRELL** born 15 July 1848 in Madison, Jefferson Co., IN. He went to Coles Co. IL and there purchased some land and married **Isabelle KENNEDY**. They had five girls: **Bertha; Grace; Claudia; Clara; and Edna**. He d. 1927 in Indiana. Family story is that he served as a drummer boy in Civil conflict -- no proof so far.

My great-grandfather was **Samuel TYRRELL** b. about 1817, IN. He m. **Sarah TYRRELL** 27 Feb. 1834 in Jefferson Co. IN. These two people were cousins. (I found this out from some hospital records on Edward.) They had the following children: **Alexander** b. 1836 (he worked all his life on the railroad & settled in Indianapolis); **John D.** b. 1842; **Catherine** b. 1846; **Edward**, above, b. 1848; **Omer** b. 1849; **Walter** b. 1852 (he settled in IL, then in IN); **Thandius [Thaddius?]** b. 1854; **Mary** b. 1856; & **Albert** b. 1859. **Samuel** d. about 1861; **Sara** d. about 1891 per Edward's hospital records.

Samuel's family was not found in 1840 Indiana census, just no trace. They were found in 1850 & 1860; but not after that. About the time of Samuel & Sarah's marriage, there were other TYRELLS in Indiana. But which two of them were brothers to be the parents of my TYRRELLS? Two names of TYRRELLS in IN at this time were **Achilles & Edmund**, and both had children who would fit my Sam and Sarah. There seems to have been several TYRELLS in KY in that time frame, but I have had no luck finding anything positive. Can you help? Please. **#610 Marie Bruner; Box 457; Evansburg, Alberta, T03 0T0 CANADA**  
**email: marieathome@telusplanet.net**

**A.** I'll do the easy parts first. If their name was spelled TYRRELL in the Indiana census, they probably came from either New England, England, or Canada--unless the census taker happened to be from England. Anyone else would have spelled the name TERRELL, TERRILL, TIRRELL, or TURRELL.

If **Edward Lewis TYRRELL**, b. 1848 served in the Civil War as a **drummer boy**, it probably would have been in **Indiana** as he would have only been 17 years old when the war ended.

Information published on page 925 of *TERRELL TRAILS* indicates that there is a card file of all who served in Indiana Regiments.

Send name of the veteran along with all information known about him and \$6.00 (US) fee to:

**Indiana Commission on Public Records;  
402 West Washington St., Room 472;

**Attn: Joan Cunningham**

It has been several years since that was published. The fee and/or the person to contact may have changed, but that address should get your request into the right place.

Now the harder parts.

## QUERIES

I am a descendant of **Timothy TERRELL/Moses/Hiram/Josiah Martin TERRELL/ Mary Elizabeth "Mollie" TERRELL/Henry Percy WYNN/Lionel John WYNNE**.

I am interested in ALL TERRELLS and have been gathering letters/notes for 25 years or more. I am still trying to find the parentage of the **Joseph TERRELL** whose will was probated 1844 in Amite Co. MS.

One source told me that he **married "Anna HEWITT;"** now I am told that there is a booklet by **John H. PARKER** published in 1969 in Amite Co. says that Joseph was married to **Ann BLAIR**. Once before I was given "**Anna NORTHCUTT**," but can't name that source. I believe Parker's book says **Joseph TERRELL** was the son of **Aaron**, son of

**Timothy.** Aaron was supposedly twin brother of **Moses**. Is this correct?

*EDITOR'S NOTE:* LENDING LIBRARY selection L086 is *TERRELL AND CARRUTH GENEALOGY* by **John H. PARKER** Liberty, MS.. It does not say that it was published in Amite Co. MS. The name Joseph TERRELL is listed on 8 different pages, possibly more because 6? runs off the page.

The family of Aaron, son of Timothy is on page 36, and even though she is not in the index, his son Joseph is listed as "married Anne BLAIR." There is some conflicting info, especially between PARKER's text and the record of Grace TERRELL Talbert which Parker included. However, the volume is heavy on MS TERRELLS and well worth researching if you have the time. This volume is available from the LENDING LIBRARY ORDER FORM for \$17.00 plus \$3.00 S & H. *DFB*

Now I have other info that says **Aaron**, son of **Timothy** was also had twin sons named **Aaron & Moses**. These twins were b. 11 Jan 1790 & both were in Pendleton Dist. SC in 1822. Something doesn't sound right -- a twin male begetting a set of twins?

My **Moses**, son of **Mary MARTIN & Timothy TERRELL** was b. ca1757 in Orange Co. NC. His will dated 1/4/1828 in Amite Co. MS. **Moses & Nancy Ann MARTIN** had four known children: **Hiram, John, Elijah, and Rebecca**. According to my records, **John** was b. 1780-85 in Chatham Co. NC. He m. ca1805 **Elizabeth GRAVES** who is supposed to have been a *Cherokee*. John & Elizabeth had 13 children including **Rebecca, Moses, Hiram, Elijah, & Nancy** -- all names belonging to Moses & Nancy Ann's family. I believe that this **John** is the son of **Moses & Nancy Ann MARTIN TERRELL**.

I have not been able to establish a connection between **John TERRELL** of Amite Co. and **Moses & Hiram TERRELL**. I believe the PARKER publication lists the **John TERRELL** in Amite Co. MS as a son of **Moses & Nancy Ann MARTIN TERRELL**. If so, that is incorrect -- in my opinion.

Incidentally, **John TERRELL** of Amite Co. was the administrator of **Joseph TERRELL's** Amite Co. will.

Anyone have any comments or ideas?

*EDITOR'S NOTE:* Question: what relationship did the will indicate existed between Joseph & John? Wills usually list one: son, brother, father, uncle, cousin, friend, son of Xxxx, etc.

John is the second most common given name among TERRELL men. Joseph is in the top 5. How do you know that there was only one Joseph TERRELL and only one John TERRELL in Amite Co. MS. at that time? Share the will and administration documents with us please. *DFB*

Deborah,

Thank you for your response.

I responded to your query after doing a quick lunch-time check of my database and finding **William**

**Armistead TERRELL** of Mississippi. In the evening I was able to examine my data in great detail, and I realized that my William Armistead TERRELL (DOB unknown) was born much earlier than yours, since the father of this **William** died ca. 1820. I have examined a great many census records, and there is good reason to believe that your William may be the son of the William Armistead Terrell in my database. Here are my reasons:

a. The wedding record in your possession lists the father of your William as "**William A. TERRELL**."

b. I have 35,000+ Terrells and Terrell descendants in my database. The name "Armistead" is extremely uncommon, and the name "**William Armistead TERRELL**" is unique.

c. **William Sr.** migrated as an infant with his mother and siblings from Spotsylvania Co, Va., to Clarke Co, Miss. He appears as an adult living in Perry Co, Miss., near to his brother **John M. TERRELL** in the 1845 Mississippi State Census. I believe that my William Sr. died between 1845-1848, because no likely "William" can be found in the 1850 census of the Southern states or California. However, a widow **Nancy Terrell** (age 45) is living in Perry Co, Miss., with two small children **Virginia** (age 3) and **William** (age 2). I suspect that this is your William.

d. **Nancy** (age 34) is in the 1860 census of Enon P.O., Perry Co, Miss., with her children **Virginia** (age 13) and **William** (age 12). Also in the household is **Frances GILLINGAME** (age 70) who may be Nancy's mother; also a **Margaret TERRELL** (age 18)(who?).

e. In the 1870 census your **William** appears (seemingly from nowhere) living in Harrison Co, Miss., boarding in the household of **John GRACIES**.

f. On 5 November 1871 **Virginia Terrell** married **Herman TRAUTMAN** in Harrison Co, Miss.

g. In the 1880 census of Harrison Co, **William** is now living with his wife **Victoria**, and two children **Theresa** and **James**.

h. I would call this a 75%-certain theory. Further proof might be found in Perry County wills and probate: **William Armistead TERRELL** [Sr.](1845-1848) and **Nancy Terrell** (1860-1870). That is a task I cannot perform from Virginia.

I'm sorry for the hasty answer that I initially provided. I hope this information has been helpful. I do, indeed, have the ancestry of **William Armistead TERRELL Sr.**, if you want it.

Mary,

I saw your query in "Terrell Trails" newsletter in which you mentioned "**Edward Young TYRRELL**." The name is actually **Edward Young TERRAL**, and there were four of them who were part of the same family clan:

**Edward Young TERRAL Sr.**, b. 1765 Cheraw Dist., S.C.; d. 1833 Jasper Co, S.C.

**Edward Young TERRAL Jr.**, b. 1787 Cheraw Dist., S.C.; d. 1877 Drew Co, Ark.

**Edward Young TERRAL**, b. 1806 Darlington Co, S.C.; d. 1834

**Edward Young TERRAL**, b. 1839 Clarke Co, Miss.; d. 1910 Milam Co, Texas

None of these four is identified as a Revolutionary Soldier. In fact, I have identified no "**Edward Terral/Tyrrell (etc.)**" among the records of Revolutionary Soldiers at the National Archives.

There was an "**Edward Y. TERRILL**" who served as Private in Carson's Regiment, Mississippi Militia in the War of 1812. This was probably the second Edward on my above list.

I would be interested in learning any facts you have been able to gather regarding **Edward Young TYRRELL** as a Revolutionary Soldier. There are a number of researchers interested in this line, and I would like to share the information. Thanks. **Don C. Terrill** (with the Terrell Society of America)

Ouida,

I saw your query in "TERRELL Trails" newsletter re: **William TERRELL** (b. 1849). Although I have so far been unable to connect your TERRELL clan with the Virginia TERRELLS whose descendants constitute most of the Southern and Southwestern TERRELLS, here is what I have discovered.

**William TERRELL** (b. 1849) seems to be in the 1880 census, Arkansas, Columbia Co, Boone Twp, p. 151C. I cannot find him in 1870, but in 1860 I think he is in South Carolina, Chester Co, Cedar

Shoals, p. 56, as the son of **Nelson and Lydia TERRELL**. In 1850 Nelson, Lydia, and son William are in North Carolina, Union Co, p. 47. Nelson is from South Carolina, but I do not know where he connects to the few TERRELLs who were living in South Carolina prior to 1850. A collateral source says that Lydia is **Lydia HORTON**.
