PITTMAN/TERRELL REUNION 2006

The PITTMAN/TERRELL Reunion was held June 9-11 in Rockford, Coosa County, Alabama. In spite of advance publicity in Terrell Trails for over a year, attendance was minimal. The exorbitant price of gasoline probably contributed to this; but it cannot be solely to blame for the small attendance. In addition to Terrell Trails, I mailed over 600 invitations to TERRELLS who have phones listed in both Alabama and Mississippi. Only three of these families cared enough to enough to attend. Weldon and Rena PITTMAN from Longview TX attended. Mary Jo PITTMAN Camp and Dennis CAMP from Lacy Springs Alabama also attended. John PITTMAN of Decatur was prevented from his planned attendance by an accident.

My Grandson & I finished out the attendance. Photos of those attending follow.

Eunice is one of 3 surviving grandchildren of James Ignatious "Nace" & Rebecca PITTMAN TERRELL.

During the Civil War "S. P." enlisted as a Private in a Company from Calhoun County commanded by Captain **Robert Wilkins DRAPER** (Adaline's uncle). The Company assembled and camped on Mr. SNOW's land while training. On August 11, 1862 at Oxford, Calhoun County, Alabama "The Dudley Snow Rangers" Company, designated "D" Company, and several other Companies formed the 51st Alabama Cavalry "Partisan Rangers" Regiment commanded by Colonel John T. MORGAN of Dallas County, Alabama.

On May 3, 1865 at Charlotte, North Carolina "**S. CENSUS:1860 Calhoun Co. AL FHL #0803004 William LITTLEJOHN 26 SC, Rebecca 26 GA, Mary Jane 1 AL.

From Jonathan Mallard web site

William LITTLEJOHN (Charles4, Ignatius3, Charles2, Marcellus1) was b. on October 10, 1833 in Spartanburg District, South Carolina. He moved to Union District with his parents and siblings in about 1840. In about 1849 he moved to Benton County, Alabama with his parents and siblings. He met a Georgia girl named Rebecca COCHRAN in Benton County. William and Rebecca were married on December 24, 1857 in Benton County. Rebecca was b. about 1834 in Georgia. They had one child that I know of: Mary Jane LITTLEJOHN.

William enlisted May 27, 1862, at Oxford, Calhoun County, Alabama, in the Confederate Army for 3 years or the War. He was recruited by his uncle, Robert DRAPER, the Captain of a Company know as "The Dudley Snow Rangers".

William was captured on June 27, 1863 during the Battle of Shelbyville at Liberty Gap. He was held prisoner at Nashville until July 3 at which time he was transferred to a Military Prison near Louisville, Kentucky. On July 6 he was transferred to a Prisoner of War Camp in Ohio. He reached *Camp Chase* in Ohio the next day July 7, 1863. On July 14 they sent him to Fort Delaware. *Fort Delaware* was a mosquito-infested Prisoner of War Camp on a marshy piece of ground called *Pea Patch Island* in the middle of the Delaware River. He arrived at Fort Delaware on July 20, 1863. All of the prisoner's clothing was taken from them and given a shirt and drawers of coarse texture. There were 12,500 prisoners on the island in August 1863. Sometime after arriving he contracted small pox and died October 29, 1863. I do not know what became of **Rebecca** and **Mary Jane**. I suspect that Rebecca remarried and might very well have moved away.

William married **Rebecca COCHRAN** on 24 Dec 1857 in, Benton, Alabama, USA.

Children from this marriage were:

- 348. i. **Mary Jane LITTLEJOHN** b. in 1859 in, Alabama, USA. 1860 census

In about 1849 he moved to Benton County, Alabama with his parents and siblings. I do not know if Tom served in the War. I have not come across anything as of yet that would lend to that. Tom married **Mary Jane ROBERTSON** on January 7, 1866 near Cross Plains, Calhoun County, Alabama. Mary was b. on November 25, 1839 in South Carolina. She is the daughter of **Thomas & Drucilla Ann DUNCAN ROBERTSON**. According to census records and family stories Tom was a farmer. Some of the land Tom inherited from his father was donated for a cemetery. This land is located near Alsup in Calhoun County. The cemetery is known today as Littlejohn Cemetery. Some kind of epidemic must of occurred in 1874. Tom and Mary lost three of their children within a couple weeks. Elba (3 years and 8 months) d. There is an R. E. listed in the cemetery records that may be this Richard. He d. 25 Nov 1909 and is buried in the Littlejohn Cem. in Lamar Co. TX.

From **Marcia SNOW Wilson** via **LaMona Phillips**: He is buried at an old schoolhouse cemetery in Redden, Atoka Co. OK. I was there with my father in 1977 for a **SNOW** family reunion. He d. 14 Feb 1935.

From: **Sherry Trebus** strebus@austin.rr.com to Marciamy Mom remembered quite a bit - many stories about the old people, how they all came to Redden, OK, **Aunt Mandy** (as my mother and grandmother called her) **Amanda SNOW Littlejohn** was married to my grandfather's grandfather - **Richard Berry LITTLEJOHN**. Mom said that the Snow's had moved to Oklahoma - Choctaw County - to a place called Goodland, near Hugo. My gggrandfather's brother **R. E. (Uncle Ras) LITTLEJOHN** had moved his family from Chicota Texas to Goodland. They became good friends with the Snow family. Uncle Ras's son **William Pinckney (John)** began dating **William Elisha's (Snow)'s** daughter **Pearl**. My grandfather and his family came to visit - and he met my grandmother. All moved to Redden during WWI - while my grandfather was in France. He and my grandmother were married in 1918 when he returned. Uncle John married Aunt Pearl - their children are double cousins. Many Snow and LITTLEJOHN kin are buried at Redden. So that was how Aunt Mandy and my gggrandfather met. My Mom tells the story that they began going fishing together - and love bloomed over a cane pole!Elmira (Taylor/ Snow, the mother of Amanda F Snow LITTLEJOHN) had her own tomb stone. She is buried next to Aunt Mandy and GGGrandpa LITTLEJOHN.

AND from my notes:

Amanda F SNOW m. **George ODEN**. MYW info from personal conversation with Sarah Rebecca Hill Snow at family reunion Redden OK 1977. (James Milton Taylor book by Patricia Cox indicates **George TAYLOR** as 1st Husband) m2. **Richard (Dick) Berry LITTLEJOHN** b.9 Dec 1853, d. 14 Feb 1935.

[from Js. M Taylor book] Richard had a dau. from his first marriage, named **Frozena**. She m. **Charles William THOMAS**, they had a son named **Charles**

SIMPSON BOBO WILKINS

A native and life-long resident of Spartanburg County, the late **Simpson Bobo WILKINS** spent practically his entire life in the town of his birth, Cowpens. Only during the last two years prior to his death was he a resident of Spartanburg, where he had important business, financial, and property interests.

Simpson **Bobo WILKINS** was educated in the public grammar and high schools of his native region. In early life, he engaged in farming and the mercantile business. He acquired large agricultural holdings which he managed with outstanding success and unusual ability for many years.

At Cowpens, Mr. WILKINS had been successfully and extensively engaged for many years in farming, the general merchandise business, operated a flour mill and a sawmill. He dealt on a large scale in lumber. He furnished all the lumber used in the construction of *Converse College*. He organized the *Security Bank* of Cowpens and served as its president for many years. He was director of the *Central National Bank* of Spartanburg and a large stockholder in other financial institutions of Spartanburg. He was known as one of the most successful and largest planters, merchants, and lumbermen in this section of South Carolina and for many years was also an important figure in banking circles. His integrity, his ability, and his public spirit had gained him an enviable reputation and had made for him a large number of friends.

In Cowpens, he was one of the most active members and the most generous supporters of the Baptist Church. In Spartanburg, he attended Central Methodist Church.

A number of years before his death, he disposed of most of his plantation by will to his children except for 1500 acres which he retained until his death. He invested in real estate holdings in Spartanburg to which he moved about 2 years before his death.

Mr. WILKINS married twice. By his first wife (not named), he was the father of several children including: 1. **William WILKINS** of Tryon NC; 2. **John WILKINS** of Goucher; 3. Mrs. **William POTTER**, wife of a well known wholesale grocer of Spartanburg & Cowpens; & 4. Mrs. **William MOORE**, a resident of Cowpens.

Mr. WILKINS m. (2) 04/26/1905 at Woodruff SC to **Mary Kate SWINK**, dau. of **Jesse L. SWINK** & **Margaret, BISHOP**. By the second marriage, he had one daughter, **Catherine B. WILKINS** who was b. 10/11/1907 and is a graduate of Hollins College in VA.

Simpson Bobo WILKINS died 05/09/1922 at his home at 350 East Main St. in Spartanburg SC. He was in his **68th year** and

had a prolonged illness. Funeral services were held at his residence. The remains were then taken to Cowpens where services were held in the local Baptist Church. Both services were conducted by Dr. **W. B. BALL**, pastor of the First Baptist Church of Spartanburg. Mr. **WILKINS** was laid to rest in the Cowpens Cemetery. His memory will long be cherished by all who had the privilege of knowing him and most by those who knew him best.

In addition to his widow and children, he was survived by one brother, **Ball WILKINS**, president of *Mary Louise Mills*, and by several sisters.

Mrs. **Mary Kate SWINK Wilkins** was the daughter of a prominent planter and a veteran of the War Between the States where he served in the Confederate Army. She belongs to an old and prominent southern family dating back to Colonial days. She is eligible to membership in the Colonial Dames and is a member of the Daughters of the American Revolution and of the Spartanburg Woman's Club. After her husband's death, she continued to live in the residence. [Apparently she was still alive in 1934 when this book was printed.]

The **WILKINS** family is of great antiquity in ENGLAND. It was founded in this country by three brothers--**Peter Andrew, Thomas, and John WILKINS**, all sons of Captain **Robert WILKINS** of the English Navy and his wife, **Margaret HUBBARD**, of Essex, England. **Thomas & John WILKINS** settled in upper Norfolk County Virginia in 1637.

The direct ancestor of **Simpson Bobo WILKINS, Peter Andrew WILKINS**, came to Virginia in the seventeenth century and died there in 1648. The line is traced through: son, **William WILKINS**; grandson, also **William WILKINS**; great grandson, **Robert WILKINS** who d. in VA 1735, m. 1719 **Bridger(?) HAYNIE** (a dau. of **Richard HAYNIE, Sr.** member of the House of Burgesses of VA); gg grandson, **John WILKINS** b. The lineage of **Elizabeth TERRELL** lists her as daughter of Capt. **William TERRELL & Mary MALLORY** (William b. Orange Springs, Orange Co. VA 1733, d. after 1780, was vestry man of St Mark's Parish, Culpeper Co. VA as late as 1780); granddaughter of **Captain Robert TERRELL & Mary FOSTER** (Robert b. 1688, descended from [article does not say "son of"] **William TERRELL** (b. 1635 in England, d. 1727 New Kent Co. VA) m. 1659 **Susannah WATERS** in NY. Family tradition says Susannah was dau of **William WATERS**, Earl of Richmond and Liverpool, a member of the Roman Catholic Church, who objected to his daughter's marriage to a Protestant. Converted by her future husband to the Protestant Episcopal Faith, she married in spite of her father's objections. **William TERRELL** was the son of **Capt. John TERRELL** and his wife

Lady **Ann JOHNSTON**, a niece of **Lord ASHLEY**, Lord Proprietor of North Carolina. **Capt. John TERRELL** was a captain in the Royal British Navy and was Lord Proprietor of the holdings of the Earl of Shaftesbury in the Colony of South Carolina. He was killed in 1692 at the battle of Newport in Flanders and never came to America to see his domam. [Either that death date is a misprint or he was nearly 80 years old when he participated in the battle if he sired William in 1635. DFBI

By marriage, the **WILKINS** family became allied with numerous other prominent Colonial families, including **LIPSCOMB, KIRBY, RAGLAND, BEAUFORT, & McGEE**. [TT p. 947-948]

268. William Baker RODGERS (Margaret Elizabeth GILLENWATERS⁴, Thomas Jefferson GILLENWATER³, Mary "Polly"², William¹) (7 Jan 1865 Coles Co. IL--18 Feb 1924 Helena MT) practiced law, Philipsburg, MT; m. 17 Jun 1896 in Petersburg, Menard, IL **Alice Jeanette KNOWLES** b. 1864; RODGERS biographies follow.

William Baker Rodgers came to Montana and began the practice of law more than a quarter of a century ago. During that time, one of the most important honors and remunerative positions in the profession have been accorded him. He is a former United States District Attorney for Montana. For many years he has been counsel for the Anaconda Copper Mining Company. His home is at Anaconda, but as counsel for the corporation he maintains his chief offices in Butte.

Mr. Rodgers was born in Coles County, Illinois. His paternal ancestors were Scotch-Irish and settled in North Carolina in colonial days. One or more of the family were Revolutionary soldiers. Mr. Rodgers' grandfather, John W. Rodgers was a native of Alabama, but early in the nineteenth century moved to Illinois and became a pioneer farmer in Coles County, where he died. His wife was Lovisa BALCH, a native of Kentucky. John White Rodgers, father of William B. was born in Illinois in 1828 and spent his active life in Coles county where he died in 1884. He was a very zealous and devout Presbyterian and elder in the church for many years. Politically, he voted as a Republican. His wife was Margaret Elizabeth Gillenwaters, who was born in Illinois in 1838 and died in Coles County in 1887. They had five children. The oldest, James Farnsworth, was a graduate of Rush Medical College at Chicago and practiced medicine for many years. He died at Bowling Green Kentucky in August 1918. The only daughter, Mary Livonia, is the wife of Dr. L. W. Bunnell, a physician and surgeon at Trenton Missouri. The three younger sons, William B., Hiram W., and Henry G., are all well known Montana lawyers, the first at Butte, the second at Anaconda, and Henry G. at Dillon.

William B. Rodgers was educated in the rural schools of Coles County. He grew up on his father's farm, attended Lincoln University at Lincoln, Illinois, and then entered Cumberland University at Lebanon, Tennessee, graduating in the law department and with the LL. B. Degree in 1891. In University, he was a member of Alpha Tau Omega Fraternity. Soon after graduating, Mr. Rodgers came to Montana, practiced at Phillipsburg one year, and in 1892 was elected county attorney, moving his home and office to Deer Lodge in January, 1893. He was county attorney for 2 years. In 1894, he was chosen joint representative for Deer Lodge and Missoula counties, being elected on the republican ticket. He was a member of the important legislature of the fourth session, and there served as a member of the committees on judiciary, ways and means, state board and offices, code and other committees. Mr. Rodgers continued his practice at Deer Lodge until 1897, when he accompanied the county seat on its removal to Anaconda in that year. In the fall of 1897, he was appointed assistant United States attorney for the Montana District. In 1898, he was appointed United States attorney, and for four years had charge of all the litigation in the Federal

Courts of the state. On retiring from that office, he resumed private practice at Anaconda, and soon after was made local counsel for the Anaconda Copper Mining Company. In 1909, he was promoted to general counsel for the corporation with headquarters in Butte, where his offices are in the Hennessey Building.

During 1901-02, Mr. Rodgers was president of the Montana Bar Association, and for six years he was vice president from Montana of the American Bar Association. He has always been a steadfast republican in politics, and is a member of the Presbyterian Church, and is a member of the Deer Lodge No. 14, Ancient Free and Accepted Masons, Deer Lodge Chapter, Royal Arch Masons, and Deer Lodge Commandery of the Knights Templar, also Helena Consistory No. 3 and Algeria Temple of the Mystic Shrine at Helena. He is a member of Montana Lodge No. 13, Knights of Pythias, at Anaconda, and belongs to the Anaconda Club, the Silver Bow Club at Butte, the Lambs Club at Helena, the Anaconda Country Club, and the Rocky Mountain Club of New York City.

June 17, 1896, at Petersburg, Illinois, Mr. Rodgers married Miss **Alice Jeanette KNOWLES**, daughter of **W. D.** and **Elizabeth SHEPHARD KNOWLES**, both now deceased. Her father was an Illinois farmer. Mr. & Mrs. Rodgers have one daughter, Margaret Elizabeth, now nineteen years of age. A similar biography with the following differences: William B. & Hiram W. called their law firm Rodgers & Rodgers. William B. is the owner of one of the finest and largest private libraries in the state, aside from his professional library, which in view of his fondness and that of his wife and daughter for good literature, is an especial pleasure to him. Mrs. Rodgers is a member of the Presbyterian Church in which she takes an active interest, and shares in all the labors of that organization. She is a woman of wide culture, devoted to her home, and deeply interested in Mr. Rodgers' success to which she has contributed in a large measure. Obituary from *Montana Standard*, Dec 31, 1941: Anaconda, Dec. 30. -- Hiram W. Rodgers, widely known pioneer attorney and counsel here for Anaconda Copper Mining Co. died this morning in his apartment in the Montana hotel. He was 76.

Terrell Trails

His sudden death came as a shock to a legion of friends in Anaconda, where he practiced law for about 45 years and the news will be received with profound regret by friends and acquaintances in Philipsburg, Deer Lodge, Butte, and other parts of Montana.

The death was discovered about 1 o'clock this afternoon by Wilbur Davis, manager of the hotel, who investigated when it was learned that Mr. Rodgers had not left his room during the morning.

Mr. Rodgers had not been seriously ill, but during the last few days he remarked to friends that he "was not feeling well." He had been ailing for more than a year.

Mr. Rodgers was born in Janesville, Ill. He attended schools there and graduated from Lincoln College in Illinois. He completed his education as an attorney by working in various law offices of Illinois.

He and a brother, W. B. Rodgers, came to Montana about 50 years ago to engage in practice as lawyers in Philipsburg. About 45 years ago, they moved to Anaconda where they continued practice. W. B. Rodgers died in Helena about 15 years ago.

Another brother, Henry G. Rodgers is state district judge at Dillon. Judge Rodgers is visiting in California at present.

Hiram W. Rodgers served as a representative from Deer Lodge county in the Montana legislature about 30 years ago. He was a prominent member of the Montana Bar Association, the Third Judicial District Bar Association; and Mason, Elks, and Odd Fellows lodges.

Mr. Rodgers was also a member of Montana Commandery No. 3., Knights Templar, and Bagdad temple of the Shrine, both of Butte.

Surviving relatives in addition to Judge Rodgers follow. His sister-in-law, Mrs. W. B. Rodgers and a number of nephews and nieces in Dillon and in the east.

The body is at P. J. Finnegan mortuary. Arrangements for the funeral had not been completed this afternoon.

MANY FRIENDS HERE

Hiram W. Rodgers had many friends in Butte and visited regularly with Mr. and Mrs. W. G. Montgomery, O'Rourke apartments. Mr. Montgomery said Mr. Rodgers had been ailing slightly over a year but continued his weekly visits to Butte until about six months ago.

They as well as many other friends and attorneys in the city were deeply grieved by Mr. Rodgers' death.

A photo accompanied the article, but my copy was too poor to stand another generation and still be presentable.

270. Henry Gillenwaters RODGERS (Margaret Elizabeth GILLENWATERS⁴, Thomas Jefferson GILLENWATER³, Mary "Polly"², William¹) (6 Jul 1871 Janesville, Cole, IL -- ?); m1. 13 Aug 1899 **Lucy Brittamna ADAMS**;

Henry Gillenwaters Rodgers was born in Coles County, Illinois, July 5, 1871 and had his home there until he was fifteen years of age. During this period, he attended public schools of his native county. He went to Lincoln (IL) to college and remained there for two years. After that, for seven years, he worked extensively in Illinois, Missouri, and Iowa, following various occupations.

He earned his first money as a boy at the age of nine, as a watch boy on a farm, receiving ten cents a day. While attending school in Lincoln, he earned his own way by working at various jobs. At ten years of age, he worked with a team on his father's farm. At twelve years of age, he and another boy put in sixty acres of wheat without outside help. He never was afraid of work.

In November, 1895, Mr. Rodgers came to Montana, settling first at Deer Lodge. He remained there until the spring of 1898, at which time he accepted a position as clerk to the United States attorney in Helena. It was while in this office that he studied law and was admitted to the bar in Helena. He held his clerical position until 1908 and then came to Dillon where he began the practice of law. Two years later, in the fall of 1910, he was elected county attorney of Beaverhead county, and is now filling that office.

Mr. Rodgers is a Republican and is active in politics. He is a member of the Christian Church. He belongs to the Masonic order, to the Modern Woodmen of America and the Eagles. He has been through all chairs in the Woodmen's order and at present is past consul; has passed the chairs of the Eagles and is now past worthy president, as well as a member of the Independent Order of Redmen, and the Beaverhead Social Club. He is fond of baseball and an enthusiastic roofer. He is also a devotee to good books. He has worked his way upward absolutely through his own efforts.

Mr. Rodgers was married August 13, 1909 at Livingston, Montana to Miss L. Brittamna Adams, daughter of Mr. and Mrs. Adams of Livingston. There is one child in the household, Henry Rodgers who was born May 20, 1907.

Mr. Rodgers' father was John Rodgers, who was born in Illinois and lived there all his life, where he followed farming. He died in 1883, at the age of fifty-three. His mother was Margaret Elizabeth GILLENWATERS Rodgers, who was born in Illinois and died in 1884, aged fifty. The father and mother are buried side by side. There were six children in the family of the elder Rodgers, five boys and one girl, the subject of this sketch being the youngest child. Mr. Rodgers has two brothers in Montana as follows: William B. Rodgers and Hiram W. Rodgers, both practicing law at Anaconda. The latter is now a member of the Montana legislature for Deer Lodge county. He told them if they could find a large number (cannot remember the number) of new pennies he would shave off his beard. Apparently his friends rode all over the country side looking for this large number of new pennies. Surprisingly they were successful and Billy shaved off his beard.

OTHER WILKINS IN TERRELL TRAILS

"**Rich**" WILKINS: Noxubee Co MS Dist 5 1860 slave list, owned 5 slaves. [TT p. 1113, "Rich" is probably short for Richard. I do not have anything to tie him to William & Betsy TERRELL WILKINS. I am including this here in case you can tie him in. *DFB*]

Peter Hurtle HARRIS was born May 10, 1865 at Cadiz, Trigg County, Kentucky, and he died two weeks after his wife died.

Peter died February 10, 1953 in Mt. Vernon, Illinois. He was a Baptist Minister for many years and was also a carpenter. They lived in Cadiz, Kentucky and Martin, Tennessee, and perhaps other locations, but they settled in Mt. Vernon, IL. Peter was baptized in July of 1885 in Blue Spring Creek at Cadiz, Kentucky. He married November 17, 1892 to **Commie Zell WILKINS**, born February 15, 1874 and she died January 29, 1953. Commie was born in Cadiz, Kentucky and was the daughter of **Nathaniel Branch and Harriet (WILES) WILKINS**. They celebrated their Golden Wedding Anniversary November 17, 1942 and all the children were home to help them celebrate. Peter and Commie are both buried at Oakwood Cemetery located in Mt. Vernon, Illinois. Children (9) [L085 GENEALOGY: TERRELL-WILLIS-HARRIS-KISTNER-MEIER by Helen MEIER Smith, p. 205. I cannot tie Commie Zell WILKINS in either. She may or may not be descended from William & Betsy TERRELL WILKINS. DFB]

WILKINS & RELATED LINES RESEARCHERS

Dorothy Garr Helmer, compiler of *Lipscomb, 300 Years in America*, died April 1999. In 1989, she signed copyrights for the book over to me. I have reprinted it 3 times since, but am presently out of copies. It is expensive and time-consuming to reprint the book, I plan to make copies available again when I receive twenty or so requests. If you would like to be added to my waiting list, please email me at npe@yahoo.com. My regards, **Nancy Pauline Lipscomb Ernst**:

I have assembled a substantial genealogy of the descendents of **Elizabeth TERRELL** and **William WILKINS**. This family originated in VA, moved through Orange County, NC, and finally settled in the Spartanburg District, SC. The genealogy covers the descendents of all of their 16 children, who lived and migrated throughout NC, SC, GA, AL, and TX. Allied families include **LIPSCOMB**, **GOUDELOCK**, **CANTRELL**, **TOLLESON**, and many others. Please contact me. **A. J. Shepard** ajshepard@aol.com if this resource may be of use to you.

I'm very interested in that book on the WILKINS family. I'm also descended from William and Elizabeth WILKINS. **Lisa O'DONNELL**: icrossbill@aol.com

A friend of mine, Edward WILKINS, is researching the WILKINS family. He has most of it figured out but is missing a couple of links like which of several brothers is his gggrandfather. His family migrated through S. Carolina to Ga. and to Barbour Co. AL Any info I am certain would be greatly appreciated. He most surely can fill in some blanks for you. He even has a book about the Wilkins family printed turn of century. You can use my aol address and he will follow up by mail. Sincerely, **Terry Wallis wallygatr5@aol.com**

Terrell/Wilkins Generation Six

Editor's Note: At this point, you will lose interest due to what I call "Tree Trash." Most first names have been replaced with "Living" by the software that generated the tree for posting on the web. All personal data has been stripped. I understand the problems and fears associated with identity theft, etc. I have no problem with omitting dates, places of birth, & other personal identity data. I see absolutely nothing to be gained by omitting the first names. You are left with nothing but surname and sex of the descendant. I am continuing here merely to show you what a monumental colostrofup this software has created. *DFB*

I am a descendant of **Andrew Jackson TERRELL**, b. Apr 1824 in Lawrence Co, IN. He lived there until he was nine with his Grandparents **William** and **Nancy TERRELL**. His Uncle **William TERRELL** took him to Clark Co, IL to live with his Aunt **Elizabeth TERRELL**, b. Aug 1792, NC & who married **Josiah CONNELLY** in Ashe or Wilkes Co, NC. Andrew married Amanda "Jane" **DARNALL** in Clark Co. IL on 5 Jun 1849.

William's father was **Timothy TERRELL** the son of **John TERRELL** and **Elizabeth HARRISON**.

Does anyone know who Andrew's parents were in Lawrence? Or who could be related to William (Sr.) and Nancy TERRELL and who are their children. I know part of the family was Elizabeth TERRELL, William TERRELL, Jr., and Solomon TERRELL. The Children of Timothy and Elizabeth TERRELL.

Looking for information to link this family back to William and Susannah Waters. Per the DNA test, I have link in back to the family because who else match 35/37 at Family Tree DNA Site. I hope others would do the same. Thanks advance for any information that can be shared. **Howard W. Dear Mr. Brinson,

A researcher in Arkansas did a look up for me in the newspaper. Here is what he found:

The El Dorado *Eagle*, Saturday, November 10, 1877, Page 3, Column 3, Obituary

Died, 3 1/2 o'clock, p.m., 8th inst., near Hillsboro, Ark., Mrs. Sarah Ellen Terrell, consort of Thos. C. TERRELL. The entire immediate relatives, with one exception, were present; also many remote relatives, and the community of friends.

There were no dry eyes on this sad occasion; even the writer, whose lot it has been to witness many death room scenes, could not repress tears. Deceased leaves not only a bereaved husband, but also three nice pretty well grown up sons, and last, though most lamentable of all, two little twin daughters, aged two years.

Sarah Ellen Terrell was the mother of **Richard Gray TERRELL**, my great grandfather. She was the daughter of **Joshua Perry TATUM** and **Sarah Elizabeth VARDEMAN Tatum**, all of Arkansas.

Hope you are doing well. We are all hanging in there. We still haven't completely slowed back down into Granny gear yet. I guess it will be awhile yet before we can accept the slower pace. We still miss Aunt

Snookie, & Huburt (Pa) badly, but it's getting easier. We've been busy getting Huburt's estate settled and all the hoopla that goes with it.

We haven't had a lot of time for genealogy, but I manage a look every now and again. I have had my head buried in **Francis Oliver TIRRELL**'s Spanish American Military file for over two weeks now.

I'm working on the transcriptions for the file. It covers the years of 1899 - 1950, 3 years after Francis's death.

Francis mother's name was **Louisa** (I suspect Louisa **QUILLEN**). She was the first wife of Charles P TIRRELL, then came **Sarah (Unknown)**, and then **Eva KISSINGER**.

Then there were all the names of his and **Martha LYKINS** children and their birth dates and death dates. Francis was actually born in Fletcher Co., Kentucky near Whitesburg. He states that repeatedly in the military file. So, looks like the 1870 Kentucky, Fletcher Co., Census I asked you about a while back was them. But the thing that impressed us the most or I should say blew us away was finding the Odom Funeral Receipt showing he was actually buried at the Pyron Cemetery. We were 99% sure he was there, even had headstones placed last summer, but that was just the icing on the cake. His mother, Louisa, her name is on the request for military burial form. That form was filed by his daughter **Mattie Lou TIRRELL Gooch**.

According to his military file he moved to Mineral Wells, Palo Pinto Co., Texas in Feb of 1905 from Rowan Co., Kentucky; although his P. O. address before the move was Paragon, Morgan Co., Kentucky. It doesn't say why, but I suspect for the 'healing powers' of the mineral springs there. Seems like he suffered from several maladies, including catarrh, lung disease, bad kidneys, double hernia, malaria, and the effects of measles. He had a hard time proving it though. He first filed for a pension in 1904, and finally got it in about 1926 after the intervention of a U. S. Senator, or Representative. I'm having the file copied for **Mildred Lykins** at the moment, so I don't have it right in front of me and it should be ready tomorrow afternoon. There were about 310 different pages in the file and about half of those are copied on the front and back. There were about 50 pages that had two or three records copied onto them. I never in my wildest dreams expected it to be that large or

have so much info in it and I'm only about half way through it; closely reading every word, instead of glancing through as I did when I first got it.

Well it's getting late and I have an early morning. You take care and keep in touch. I keep you in my prayers!

I need help in finding information on **John W. TERRELL** b. July 4, 1855 and died Dec. 8, 1900 Indiana. (I had someone do a lookup they show his father in the 1850 Washington Township, Washington County, Indiana Census (Family 114 George Short) It shows that his name as John TERRELL - 22 KY - Farmer. In the 1860 Gibson Township, Washington County, Indiana Census Family 1247 John TERRELL - 28 - KY - Farmer wife **Rebecca M.** (can't find a maiden name) 40 In. - , **Nancy J.** 7 In., **John W.** - 4- In.

In the 1870 Monroe Township, Washington County, Indiana Census Family 146 it shows **John** 35 In, **Rebecca** 60, In., **John W.** no age In.

1880 Gibson Township, Washington County, Indiana Family 174 shows **John W.** 35, In Farmer, **Margaret (ENGLAND)** 33 In., **Edda** (which is **Eddie**, my grandfather) 3, In. **NOWLING, Melinda** 16 In step-daughter, **Joseph C.** 14 In. step-son.

1900 Little York, Gibson Township, Washington county, Indiana Census House 38; Family 41 **TERRELL, John W.** 49, **Dee D.**(UNKNOWN maiden name) wife 29 In., **James**, son 3 In.

Can anyone help me find John W. father and mother? It is especially hard with no maiden name. Also, John W. wife Dee D. Some of the years with their ages don't match which is even making it harder to find. I have located the children all the children that John W. TERRELL and Margaret ENGLAND had together.

Looking for my wife's side of the family. **Lona TERRELL** married **George L DRAKE** and had **Georgia Harriet DRAKE** in 1918. This birth took place in Lakeside, Cherry, Nebraska. **Mark Chapman mark@chapmanmall.com**

For the first time, I went into the TERRELL website where you posted a picture of **Joseph TERRELL**. I

can't believe how much he resembles a TERRELL uncle of mine, also my grandfather TERRELL.

However, we can't seem to find out who the father was of **Henry TERRELL**, my great-grandfather. He was born in 1823, probably in Lawrence Co., Indiana. This is just west of Jennings Co., Indiana. He did name one of his sons **Joseph Henry TERRELL**, also born in the 1850's.

I know that **Jared TERRELL** was 'your' Joseph's father; wish I could find a connection, somehow.

Penny Fields Gardner pfgard@juno.com

My gr-gr-grandfather was **William TERRELL**, who was born ca 1813 in KY but lived in Lawrence Co. IN by 1840's. He married **Nancy Tirey Cameron Davis** and had several children. They were in Jasper Co IL by 1870 where their daughter **Susannah** married **Michael Hamilton CARR**. Jasper is just north of Richland and I know William lived in Crawford at one point. Ham's second wife was a **MC BRIDE** from Richland Co. That was after Susannah's death in 1895. There was also a **Robert TERRELL** in this area, same age as others. Perhaps they are all related. **Virginia Carr Martinez; vmartinez5946@aol.com**

Looking for ancestors of **R. R. TERRELL & Eliza BRADFORD** of Madison Co. Al. **Donald TERRELL; dterrell@bellsouth.net**

To Mr. Don TERRELL in reply to your message, Yes I would like more info of R. R. TERRELL and any others linked to him and family. I have papers also of a divorce between R. R. and **Nettie** his first wife and son **Jimmy**. With his second wife he had 8 children including **Richmond J. TERRELL** my father. Most of the letters that I have date back to the late 1800. My Address is: **Donald TERRELL'** 113 Cramer Rd; New Market, Al 35761; **dterrell1@bellsouth.net**

Terrell Trails

The information you have requested on **Richmond R. TERRELL** will be posted (USPS) tomorrow morning. That your R. R. TERRELL was the son of **Maldred A. TERRELL** is a near certainty; however, Maldred is a difficult fellow to trace in Federal records, showing up only in the 1880 census of Morgan Co, Ala. (p. 41B), and not found in the 1900 census of Alabama. If you conclude that this is your connection, I would like to have any information on R. R. TERRELL and his descendants that you care to share.

This family is surely connected to the Virginia TERRELL family; however, there is some doubt as to where that connection is made. I have a strong theory; but contradictory dates regarding the buying and selling of land (leaving one place and migrating to another) cast some doubt on the connection.

Don C. TERRILL (with the TERRELL Society of America)

Thank you for answering my message. I have some letters I haven't gone through yet and will see if there is any thing about RR's Father. Will let you know if I find any thing .

Thank You Donald TERRELL

Your address is hidden so I'm posting: Hey there Penny...

Do you have any info on the children of **Mary ELLIOTT** and **John TERRELL**? I saw you mentioned two, **Zimri** and **John**; were there any others? Do you have Zimri & John's families?

Thanks... **Tigger** email hidden

Tigger;

Since this was quite awhile back when I posted the information on John TERRELL and his wives of **HOARD** and **ELLIOTT**, I cannot remember where I obtained the information. I would have assumed on one of the websites, but now i cannot retrieve it.

Sorry! pfg

Looking for information on **Matt TERRELL** who lived in Sequoyah Co, OK 1870's. His first wife was **Mary (SANDERS?)** they had two sons **Robert M. TERRELL** born 18 Feb 1872 and son **George**. Matt's wife Mary was part Cherokee Indian. Matt died 15 Apr 1885 and is buried in Johnston Co, OK

in the Earl Cem. Matt's second wife was **Sarah Lucinda LOOMIS**. Thanks, **Wilma Liles** sffansliles@aol.com

Trying to make the connection to **Charles TERRELL** and **Anna Lillian THOMPSON** And who their Mother and father were. Charles and Lillian both from Louisa Co.Va. I think Charles was born about 1830? My grand-ma was **Minnie E. TERRELL**. and married **Alexander DAVIS** in Louisa Co. in 1909.Alex was 22 Years old and Minnie was 16 Place of Birth listed as Louisa Co. Va. Alexander's Parents listed as **James** and **Bettie DAVIS**. James born 1830 his wife **Sara S**. Would Appreciate any information on these ancestors. I have no information on Charles TERRELL or his wife Lillian THOMPSON except their names on the marriage Certificate. Davis Family Cemetary Just past Trevillions Station Va.

Michael Smith michael4212@cs.com

I would sure like to find whatever information I can on the descendants of **James TERRELL** and **Margaret WATKINS**.

My great-grandfather, **Henry TERRELL**, ended up in Lawrence/Martin Co. Indiana and married in the 1840's to **Rachel JOHNSON**. He was born in 1823, and many, many TERRELLS' were from this area. Some of the early settlers besides the TERRELL family, was also the **HOARD** family, and some TERRELLS' married into that family.

However, no one, even in my extended family, have been able to find anything on our Henry, in spite of other TERRELLS' living in the same area and at the same time he and his family were there. His children's names, however, coincide with many of the early TERRELL children in that era.

I am now grasping at straws; Henry and Rachel did name one of their daughter's **Margaret**, and no "Margaret" was in Rachel's family. Their son **Levi**, my grandfather, named his first son with the middle name of **WATKINS**. I know this name was not in my grandmother's family.

Could anyone give me some hints as to how to more thoroughly study the family of **James** and **Margaret Watkins TERRELL**?

Thanks! **Penny Fields Gardner** pfg@juno.com
