TERRELL LAND PATENTS, PART TWO2244

ORGANIZATIONAL CHANGES NEEDED

I have enjoyed my 24 plus years as Corporate Secretary and as newsletter editor more than words can express. I wish I could continue this indefinitely.

Unfortunately, my sudden aorta problem and emergency surgery in 2005 brought home the fact that none of us is immortal. It is time for us to begin making plans for someone younger and less likely to have a sudden demise to take over some of the duties of running the Society.

If you have a sincere interest in any of the following, please let us know at the above address as soon as possible.

CORPORATE SECRETARY: Holds the corporation seal for any documents that must be signed by the corporation. I hold that position since we incorporated, and have not used the seal more than two or three times.

REGISTERED AGENT: Serves as contact for the Secretary of State, State of Georgia. The annual renewal notice and other correspondence from the Sec. of State is mailed to this individual. This agent does not have to be a corporate officer, but, **must reside in the state of Georgia.** Otherwise, the Society will have to go to the expense of incorporating in the state where the agent lives.

LENDING LIBRARIAN: keeps our original copies of all the volumes in the LENDING LIBRARY; makes up listings of these items to mail along with issues of TERRELL TRAILS.

NEWSLETTER EDITOR: sorts through available info and decides what to publish.

Daniel F. Brinson, Secretary/Editor

FOR NEW MEMBERS & ANYONE WHO CANNOT FIND THEIR FALL 2007 ISSUE

My brief article outlining our need for organizational changes is repeated in the right column.

Thus far, I have not had anyone express any interest in any of these tasks except LENDING LIBRARIAN and that individual seems to already have a full load.

My health seems to be holding its own right now, but only GOD knows how long that will last.
