My brief article outlining the need for organizational changes is in the right column.

Thus far, I have not had anyone express an interest in any of these tasks except LENDING LIBRARIAN and NEWSLETTER EDITOR. Those individuals seem to already have a full load.

My health seems to be holding its own right now, but only GOD knows how long that will last.

As I outlined in the Spring issue, some or all of these duties must either be assumed by another member by Dec. 31, 2010; the Society must be restructured to operate within the limits of new volunteers; or the Society must be dissolved. Some ideas for change are included in this issue for your consideration.

The final choice is yours.

ORGANIZATIONAL CHANGES NEEDED

I have enjoyed my 24 plus years as Corporate Secretary and as newsletter editor more than words can express. I wish I could continue this indefinitely. Unfortunately, my health does not have much prospect for improvement.

It is beyond time for us to make plans for someone younger and less likely to have a sudden demise to take over some or all of my duties of running the Society.

If you have a sincere interest in any of the following, please let us know at the above address as soon as possible.

CORPORATE SECRETARY: Holds the corporation seal for any documents that must be signed by the corporation. I hold that position since we incorporated, and have not used the seal more than two or three times.

REGISTERED AGENT: Serves as contact for the Secretary of State, State of Georgia. The annual renewal notice and other correspondence from the Sec. of State are mailed to this individual. This agent does not have to be a corporate officer, but, *must reside in the state of Georgia.* Otherwise, the Society will have to go to the expense of incorporating in the state where the agent lives.

LENDING LIBRARIAN: keeps our original copies of all the volumes in the LENDING LIBRARY; makes up listings of these items to mail along with issues of TERRELL TRAILS.

NEWSLETTER EDITOR: sorts through available info and decides what to publish.

Daniel F. Brinson, Secretary/Editor

BULK MAIL VS FIRST CLASS POSTAGE

BULK 200 PCS MINIMUM

ANNUAL FEE (2008)\$175.00
 SPRING & SUMMER (2009-201PCS) . .119.58
 FALL & WINTER (EST.)..... 119.58
 ESTIMATED 2009 TOTAL **\$414.16**

We have to mail at least 66 free copies of each issue to qualify for bulk mail minimum of 200 pieces per mailing. Our current active and lifetime membership has dwindled to where we would almost break even using first class and mailing no promotional free copies to libraries and archives.

FIRST CLASS

@ \$1.56 EACH (SUMMER 2009 RATE)
 Active 105
 LIFETIME 29
 SPR/SUM. 134 x 1.56 = \$209.04
 FALL/WIN 134 x 1.56 = 209.04
 ESTIMATED ANNUAL TOTAL **\$418.08**

Having to make 66 less copies of each issue would result in a savings of \$84.74 on Spring/Summer and \$84.74 on Fall/Winter at our 2009 rates. That is \$169.48 per year reduction in copy costs.

* This loss occurred when we changed from 3-ring binding to plastic spine binding. The cost was for equipment and supplies. Also I copy books in large enough quantities to get the minimum cost per impression. Years with higher figures were due in part to shipping books that I copied the previous year.

We have always operated on a non-profit basis. Whatever we received has been used toward the goals of the Society. Thanks to you, our Library has more than broken even over all.

POSSIBLE CHANGES IN 2010

The only change I intend to make (unless the other officers direct me to do otherwise before December 2009) is from bulk mail to first class mail for *Terrell Trails*. As you can see from the comparison in this issue, our membership has dwindled to a break-even point in postage costs.

This is a collection of ideas for your consideration.

1. Establish an e-commerce web site (either our present one or a new one) depending upon costs and volunteer(s) willing to maintain the site.

2. Make all publications available through the sight to everyone. This would include not only the volumes in the **Lending Library**, but also *Terrell Trails*.
3. Membership is limited to those "who descended from, or may have descended from, those who migrated here from England or elsewhere in Europe" by our Articles of Incorporation. To open up membership to all with an interest in the surname would require the expense of amending the Articles of Incorporation, well over \$100.00. However, dues are determined by the By-Laws with membership approval. Our dues structure might be amended to allow lower dues for members who can and will accept *Terrell Trails* as an *e-text*, either attached to an e-mail or downloaded from our web site. For example only: dues to receive a printed copy of *Terrell Trails*, the current \$20.00; dues to members who either accept e-text or do not want *Trails*, \$10.00 per year. In that way, we can continue to serve our members who are not online and offer a little toward the expenses incurred by those who are online.
4. Reduce the number of pages in *Terrell Trails* to a number that will result in the most efficient use of postage. Our Articles of Inc. state that we will have a quarterly newsletter with a minimum of 4 pages. At first we printed whatever our budget would mail. We never fell to the minimum in any year. Any reduction in the number of pages will result in that much less information being distributed to members.

TERRELLS OWED \$\$\$ IN UNCLAIMED PROPERTY

By PJ Achramowicz 1999

After seeing a news program on unclaimed property I decided to check the nets for my surname and then expanded into the surnames I was researching. Found oodles of Terrells/Terrills. Don't recognize any, but thought someone might recognize themselves or a relative and old address. Could be money could be property left in a safety deposit box. This site was a fee service but the state governments have their own sites and do not charge fees. But you have to figure out which state to search according to where you or your relative lived. Am posting this for all. Hope someone gets lucky. Best regards, Patricia

If Your Name Appears On This List Below, You Are Owed Unclaimed Money. Several individuals in our database are owed over \$100,000 each. If an address is listed, this is the last known address. Usually the person has moved, which is why they have not been contacted.

Do you have any information where this Sylvester lived? Was it in California. One in our family had this name. Who would I check with to confirm?

Just checked the lists again and found another family name. Do you have a state location for Timothy Terrell? I know both birth and death dates of my Uncle Tim. Hoping you can tell me more. Nancy Minor naminor@aol.com

I don't remember which state I got that from. But each state has an unclaimed funds department, sometimes listed separately, sometimes under the State Treasurer.

Starting with **Doctor Franklin TERRELL**, I can trace him back to South Carolina, but I cannot figure out how he links to the TERRELL family who were living there (although I am sure that he was part of it).

I find Franklin in the 1900 census of Cleburne Co, Ala., at age 15 with his parents, as below:

1900 Alabama, Cleburne Co, Abernathy, ED 140, S 12, L 97

TERRELL, William R., age 45, male, white, b. Dec 1854 in Ala. From collateral information (Ancestry.com), died on 6 Nov 1920 in Cleburne Co, Ala.

TERRELL, Arminta, wife, age 40, female, white, b. Mar 1860 in Ala.

TERRELL, Ida L., dau, age 19, female, white, b. May 1881 in Ala.

TERRELL, Edward J., son, age 17, male, white, b. Apr 1883 in Ala.

TERRELL, Franklin D., son, age 15, male, white, b. Oct 1884 in Ala.

TERRELL, George C., son, age 14, male, white, b. Mar 1886 in Ala.

TERRELL, James S., son, age 11, male, white, b. Apr 1889 in Ala.

TERRELL, Charles L., son, age 8, male, white, b. Jun 1891 in Ala.

TERRELL, Eula May, dau, age 1, female, white, b. May 1899 in Ala.

In 1880 this is the family:

1880 Alabama, Cleburne Co, Abernathy (National Archives Film T9-0008) p. 184c

William R. TERRELL, male, married, white, age 26, b. Ga., parents b. S.C. & S.C.

Arminda C. TERRELL, wife, female, married, white, age 19, b. Ala., parents b. Ga. & Ga.

William M. TERRELL, son, male, single, white, age 3, b. Ala., parents b. Ga. & Ala.

Treecy E. TERRELL, dau, female, single, white, age 1, b. Ala., parents b. Ga. & Ala.

I believe that son **William M. TERRELL** is found in the 1900 census in Bells Mills, Cleburne Co, Ala. (ED 139, S 6, L 68) and listed as "**TERRELL, Mark**" b. Sep 1875 in Ala.

In both the 1900 and 1880 census above, "**Doctor TERRELL**" is also living in Cleburne Co. In 1900 there are 4 TERRELL families in Cleburne - including **William, Mark,** and **Doctor**. In 1880 there are 3 TERRELL families living in Cleburne: **Wil-**

liam, Doctor, and **Joseph. Joseph** is the father of **William** and **Doctor**.

In 1870 this is the family:

1870 Alabama, Randolph Co, Wedowee, p. 503

TERRELL, Joseph, age 46, male, white, farmer, b. Ga.

TERRELL, Nancy, age 57, female, white, keeps house, b. Ga.

TERRELL, Matilda, age 22, female, white, at home, b. Ala.

TERRELL, Mary, age 20, female, white, at home, b. Ga.

TERRELL, William, age 16, male, white, farm laborer, b. Ga.

TERRELL, Doctor, age 18, male, white, farm laborer, b. Ga.

TERRELL, Elizabeth, age 22, female, white, farm laborer, b. Ga.

From "Karen" (FamilyHistory.com, message #74, 30 Dec 1999) we learn that **Joseph TERRELL** (b. Ca. 1824, d. 1880-90 in Marshall Co, Ala.) married **Nancy DAVIS**. Their children were: **Matilda** (b. 1846, Ga.), **Mary Margaret** (b. 1849, Ga.), **Doctor J.** (b. 1852, Ga.), **William R. "Bud"** (b. 1854, Ga.), **Nancy J.** (b. 1856, Ga.), **Martha M.** (1856, Ga.). I suspect that Karen is kin to you.

In 1860 this is the family:

1860 Georgia, Fulton Co, Black Hall, p. 934

J.T. Brown, age 25, male, white, farmer, b. Ga.

Adaline Brown, age 21, female, white, b. Ga.

Joseph TERRELL, age 37, male, white, farm laborer, b. S.C.

Nancy E. TERRELL, age 40, female, white, b. S.C.

Nancy J. TERRELL, age 16, female, white, b. Ala.

Martha M. TERRELL, age 16, female, white, b. Ala.

Matilda M. TERRELL, age 14, female, white, b. Ala.

Mary M. TERRELL, age 11, female, white, b. Ga.

John C. M. TERRELL, age 10, male, white, b. Ga.

William R. TERRELL, age 7, male, white, b. Ga.

In this census, Joseph is living almost adjacent (pp. 933-934) to William TERRELL, age 30, b. Ga. I know this person to be **William George TERRELL** b. 1830 in Ga. At first impression, these would seem to be brothers, but I cannot find any proof, and so I am wondering if they are cousins. **William George TERRELL** was the son of **William Coleman** and **Mary McManus** and was probably born as **William TERRELL Ford**. He took the surname of his great-grandfather **William TERRELL** (b. 1760 Lancaster Co, S.C.; d. 1851 Dekalb Co, Ga.), a Revolutionary War veteran. This **William George TERRELL** is not (yet) known to have had any brother named **Joseph**.

In 1850 this is the family: 1850 Alabama, Randolph Co, p. 319

Joseph TERRELL, age 25, male, white, farmer, b. S.C.

Nancy TERRELL, age 34, female, white, b. S.C.

Martha TERRELL, age 6, female, white, b. Ala.

Nancy TERRELL, age 6, female, white, b. Ala.

Matilda TERRELL, age 4, female, white, b. Ga.

Mary M. TERRELL, age 2, female, white, b. Ala.

Of this Joseph we know (from his application for a U.S. Government pension for his service in the Indian Wars) that he was born in 1819 in Lancaster Co, S.C. and that he died after 1893. His wife is **Nancy E. DAVIS** (d. after Sep 1892).

Also in Randolph Co, Ala., in 1850 we find **William FORD** hiding out in that county from a murder indictment back in At-

Terrell Trails

lanta (Fulton Co), Ga. By 1851 he will change his name to **William George TERRELL** (the man I have identified above) and be mentioned in his great-grandfather's 1851 will. We find also in Randolph Co **James HENSON** and wife "**Celia**." Celia is actually "**Selita TERRELL**," daughter of **William TERRELL** (the Revolutionary soldier) and also mentioned in that will.

So, **Doctor Franklin TERRELL** is the son of **William Richard TERRELL**, and **William Richard TERRELL** is the son of **Joseph TERRELL**, and Joseph is definitely part of the TERRELL clan whose earliest origins are traced to John TERRELL and his sons William (the Revolutionary soldier) and Richmond TERRELL.

If you can figure out how Joseph connects to William George TERRELL, I would certainly like to hear from you.

Franklin Monroe Seymour was an older brother of Virginia Ellen SEYMOUR. Perhaps James & Virginia met at the wedding. If you have information on James Franklin TERRELL will you please share it?

Virginia Ellen SEYMOUR (d/o John Kerr & Ellen BARTON) b. 01 September 1857 Lafourche Parish LA is enumerated on the 1860 Ward 7 Assumption Parish LA Census in the HH of her father J. K. SEYMOUR at age 3.

In 1870 Ward 6 Lafourche Parish LA she is again in the HH of her father at age 12.

James Franklin TERRELL, Jr. b. 27 May 1880.

Nathan Allen TERRELL b. 07 January 1893.

Laurens P. TERRELL b. 04 January 1896.

SOURCE: Frances Olivia Heck Seymour Plaquemine Iberville Parish LA.

NOTES: There are some differences in the birthdates of these children which I believe are due to using transcribed records vs. in-person research of the baptismal records at St John the Evangelist Catholic Church in Plaquemine Iberville Parish LA. Sorry that I cannot identify his ancestry; however, I can tell you that James is also found in the 1900 census of Iberville Parish, La., at ED 15, S 8, L 97 with his wife and children.

Your data is interesting. I used the LDS 1880 census which is an indexed transcript, and I did not find the 1880 entry for this family.

There are two other TERRELL families living in Iberville Parish. Both are known to me and I cannot seem to connect either with James. Also, James is not really living sufficiently close to them to cause me to strongly suspect a relationship.

I have searched 1860 and 1870, but can't find anyone who I suspect to be the James.

My data on the 1900 census is incomplete, since it comes only from the SOUNDINDEX index card rather than from the entire census page:

Just a couple of other notes on the children of James Franklin & Virginia Ellen Seymour TERRELL...I have NOW pulled out my paper proofs to recheck MY list. When reading your 1900 Iberville Parish LA list which included "Allen R. TERRELL Dau." I knew it was Ellen R. TERRELL Dau. b. 12 April 1888...and I saw that I had left her out of my previous posted list...the list of children should correctly read: 1. **Virginia L. TERRELL**; 2. **James F. TERRELL**; 3. **George C. TERRELL**; 4. **John A. TERRELL**; 5. **Walter L.** (the "J." on the 1900 census is in error...his middle name was **Lee**...he had a son named **Walter Lee TERRELL, Jr.**) **TERRELL**; 6. **Andrew W. TERRELL**; 7. **ELLEN R. TERRELL**; 8. **Mary V. TERRELL**; 9. **Nathan A. TERRELL**; and 10. **Laurens P. TERRELL**. Lee Strohm Harrell Jacksonville Florida

John TERRELL, Weakley Co., Tenn. 1810

From Goodspeed's History of Tenn., 1887; Goodspeed Publishing Co., Nashville, Tenn.

William C. JONES, b. 1805, Henry Co., KY, the son of **Israel JONES** and **Margaret CONNER**. Israel Jones was born in Virginia, and at an early age moved to Kentucky and resided there until 1825, when he went to Weakley Co., Tenn., and was one of the few men who assisted in making the first settlements.

William C. JONES married Dec. 24, 1839 to Mrs. **Vagina BONDURANT Bayliss**, b. 1814 in Kentucky.

Soon after his marriage, William bought property near Dresden. His wife died on Oct. 19, 1857 and in Dec. 1858, he married **Sarah BONDURANT**, b. in 1828, dau. of **Hillery BONDURANT** and **Unity TERRELL**. William and Sarah had 2 children: **Hillary B. JONES** and **Maggie JONES** (Mrs. **E. J. White** of Ft. Worth, Texas).

Unity TERRELL's father, **John TERRELL**, was the original owner of the land on which the town of Dresden sits on. He was one of Weakley County's original settlers and lived for some time where the courthouse now stands (1887) and afterwards where the W. C. Scott home is now (1887). The first court ever held in Weakley County was held in John TERRELL's sheep pen.

William C. Jones died March 1886. He owned about 1,000 acres, left his family in good financial circumstances. Wife and son, Hillary, lived on the home place. William was a Democrat and a Presbyterian.

I have been cleaning up my database and came across an old note I made of **Abigail (Ufford) TERRILL's** will: "Copy of will is in the missing first pages of 2nd vol. of New Haven Probate Records, but ref. to it is found in Index. It was recorded about 1689. (New Haven Probate Records, 1:pt. 2:102; New Haven County Court Records, 1:139, 174, 274)" I am just curious if anyone has tried to find the original will filed (perhaps) either in the Court House or in the state Archives? Also wondering if there might be anything significant found therein...or do we know all we need to know about her heirs? Olive Hoffman [hidden]

I am searching for the parents of **John Isah (Isaiah) TERRELL**, b. 7/13/1824 in Licking Co. OH, d. July 2, 1896 in Edwards, Eagle Co. CO. He married **Cordelia GREENLEAF** who was his 2nd wife. Message for Gene TERRELL ... or other interested parties. Gene wrote me looking for information. I have lost his e-mail and my address has changed.

Gene's query: My gg-grandfather was **James M. "Dock" TERRELL**. He had a farm in the southwest corner of Pontotoc Cty. He married **Francis Elizabeth "Bettie" BASS** in Pontotoc Cty in 1866. He was killed in 1880 and I know he was a member of the Theodosia Masonic Lodge in Sarepta Calhoun Cty. My in interest is that **John T. TERRELL** was married to Bettie Bass' sister and I am hoping that John and James are brothers. I know that both John and James were born in Ala. I do not know their parents.

John TERRELL and **Mary BASS** are on the 1860 census living with the Bass Family in Pontotoc Cty. **John** is 22 and James is on the next farm living with a **Martha TERRELL** the census says she is 42 and he is 15. After the 1860 census I cannot find John T. again until I saw a John T. TERRELL listed as a member of the Confederate unit from Monroe Cty. That is all I know about John.

I am always interested in any TERRELL since I cannot find my connection to all the Terrells of Mississippi.

Any help would be appreciated. Thank you, Gene TERRELL
Reponse and other information, as found. The first is from a historian with the Grand Lodge of MS.

J. M. TERRELL was initiated, passed and raised to a Master Mason in 1878 (In other words, he joined in that year.) in Theodocia (Note that your person had the wrong spelling) Lodge 182 located in Sarepta, Calhoun Co., Mississippi. That lodge was chartered on 1/16/1854 and ceased to exist 4/24/36. That is all that I have other than a list of members. I found no other TERRELL in that lodge.

Gene, there was a **John Thomas TERRELL**, b. c. 1842/43 who left Military schools (doesn't say where) to join the CSA, killed by a sniper's bullet Aug. 22, 1864, Atlanta. He was a son to the **Blair Moorman TERRELL**, b. 2/16/1816, Campbell Co., VA., to parents **John Pleasant TERRELL** and **Martha MOORMAN**. Blair M. married **Elvira Naomi GREENWOOD** Quincy area and Blair was a large land owner, planter. John Thomas is listed as their first child. Other sons listed are:

Dewitt Greenwood TERRELL, b.c. 1847/48, enlisted in CSA, d. 10/14/1870;

Henry Clay TERRELL, b. c1847/48, married **Anna Josephus HAMILTON**

B. M. TERRELL, Jr., b. 12/25, 1849 died 1855

Guy M. TERRELL, b. 1856

B. M. TERRELL, Sr. achieved the title of Col., but I don't know how or why.

On another angle, there is a Beeks family from the Pontotoc area with a son named "TERRELL" could be a collateral line. Those you seek could be connected to them.

Elizabeth LEWIS was the daughter of **David LEWIS Jr.** and his second wife **Elizabeth LOCKHART**.

Elizabeth LEWIS was the granddaughter of **David LEWIS Sr.** and his first wife **Anne TERRELL**.

David LEWIS Jr's. birth date varies from source to source, but tends to stay within the range of 1720-to-1726. It seems that someone once misinterpreted a zero as a six, or vice-versa, and it has been printed both ways ever since. If David LEWIS Jr. was born after November 1720, then he was most likely born in Hanover County, Virginia. Since Hanover County was split off from New Kent County in November 1720, if David LEWIS Jr was actually born before 1720, it is likely that David Jr was born in "that portion of New Kent County that later became Hanover

County in November 1720". What were Anne TERRELL's dates, her parentage, etc. ? Paul Talmadge; drtal@bellsouth.net I have **Elizabeth LEWIS** (b. 1754), daughter of **David LEWIS Jr**; however, I show her as the daughter of David and a wife "**Miss HART**." David (b. 1726, Hanover Co) was the son of David LEWIS Sr. (b. 5 May 1695 New Kent Co, Va.) and Ann TERRELL (b. ca. 1695 New Kent Co). My sources says that **David Jr.** had three wives: (1) **Rebecca LEWIS**, (3) **Miss HART**, and (3) **Elizabeth LOCKHART**. I am trying to figure out who **Abigail TERRELL** d/o **Henry TERRELL** and **Sarah WOODSON** married.

Was it **William DURRET/DURRETT** or was is **Richard DURRETT**? Can anyone help me clear up this mess? Thanks, Carol Swensen; cswensen@prodigy.net

According to "TERRELL Genealogy" (pub. ca. 1950) pp. 222-223, **Abigail TERRELL** married **William DURRETT**, who also married **Sarah CONNER**. The son of **William** and **Abigail** was **Richard DURRETT** who married **Kitty TAYLOR** on 7 Jan 1813 ("TERRELL Trails" p. 225). Don C. TERRILL (with the TERRELL Society of America)

Don,

I have an **Abigail TERRELL** (1760-1835) d/o **Hezekiah TERRELL & Phoebe MARTIN** who married **William RUSH** in Bute Co., NC 1775 . Hezekiah's father was **John TERRELL** (1705-1783) b New Kent co., Virginia colony died Franklin co. NC

It is John's father **William TERRELL** about whom I have conflicting information. I show him born in New Kent co. Virginia colony and died in Hanover co, Virginia. Another source says he was born in England but settled, lived, and died in Hanover County, Va., on the Pamunkey River. Do you have information on this branch (from William to Abigail) and what is your opinion on where William TERRELL was born? Margaret Reid; margareida@leaco.net

Margaret,

This is what my database shows. Your **Abigail TERRELL** was the daughter of **John TERRELL & Elizabeth HARRISON**. This John was the son of **William TERRELL** (b. ca. 1659-60, New Kent Co, Va.; d. 1743 Hanover Co, Va.) and **Susannah**

WATERS. William was the son of **Richmond TERRELL** (b. 1624, Reading, England; d. ca. 1677-83, New Kent Co, Va.) and **Elizabeth (WATERS?)**.

Emma Dicken, in her book *Terrell Genealogy* (ca. 1952), discusses the disagreement over whether this William was the son of Richmond TERRELL or the brother of Richmond TERRELL (indeed, Richmond did have a brother named William). She concluded from the dates and circumstances that William was the *son*. I have seen no "proof" (weak or otherwise) to contradict her conclusion; and her 1952 book is considered to be the bible of Southern TERRELL research. Don C. TERRILL

Fred TERRELL Obituary

Leon Reporter, Leon, Iowa

Thursday, December 25, 1924

Fred TERRELL, 11 year old son of Mr. and Mrs. **Clarence TERRELL**, died at noon, Friday at the Albia Community Hospital, from injuries which he received October 25, when a shot gun which he was carrying was accidentally discharged, shooting him in the abdomen.

It was thought the child was recovering until a few days ago when gangrene developed, which resulted in his death.

The child is well known to the people of Newton. Since his father purchased the *Gem Cafe* a couple of years ago, the little lad has resided in the city and was at his father's place of business a greater share of the time. He was a friendly little chap and typical boy -- fond of dogs, hunting and a great favorite among the "youngsters".

He is survived by his parents and many friends. Funeral services were held Sunday at 2 o'clock, in Hiteman, Iowa, the former home of the Terrells. Those from Newton who attended, **Joe SAMUELSON, Grace GITTINGER, Charles HALTERMAN, Glenn MC KEE** and **Hollis HALL**.

Dec 1845, Caroline Co, Va.; d. 1911 San Pedro, Calif.) Marriage on 24 May 1868 at Caroline Co, VA I show only one child (there may have been others): **Emory TERRELL** (b. Jan 1880, Lincoln Co, Mo., d. in Calif.) married **Mamie Katherine KETTLER** (b. 13 Aug 1888, Delano, Calif.)

My primary source for this data is TERRELL Trails magazine, Summer 1986, p. 68 (ancestry chart of **Sherry TERRELL**) as well as an unpublished manuscript furnished to me by author **Phyllis Lake** in 2000, plus census information.

I can provide you with Josiah's ancestry, if you want it. I will need a postal address (I sent paper printouts). I would like to

CLEBURNE COUNTY AL TERRELLS

From: Terrill Don C. To: 'Ricky E. TERRELL (genealogy)' <rick.TERRELL@mindspring.com>

Subject: Joseph E. TERRELL (Lancaster Co)

Ricky,

I normally scout the TERRELL bulletin boards looking for TERRELL data; however, I accidentally found your January 2000 bulletin on the Cleburne Co, Ala., bulletin board.

I have constructed below a chart of the TERRELL descendants which I have unraveled from your Cleburne Co. postings. I have added dates from the 1850 and 1860 census records and pension records. I am uncertain about "**Doctor TERRELL**" (son of Joseph). I did not find him in the census. Did I misunderstand your posting? Is it supposed to be "**Doctor John C. M. TERRELL**"?

I have realized that this Joseph is the same man I found a few years ago in the "Old Pension Files" of the National Archives.

My summary of those records is as follows:

Name: **Joseph E. TERRELL**

Born: 1819, Lancaster Dist., S.C.

Died: After Jul 1893

Wife: **Nancy E. DAVIS**, b. 1816, S.C.; d. after Sep 1892

Married: 11 Sep 1842, DeKalb Co., Ga. Children :

a. **Martha TERRELL**, b. 1844, Ala. (twin)

b. **Nancy TERRELL**, b. 1844, Ala. (twin)

c. **Matilda TERRELL**, b. 1846, Ga.

d. **Mary M. TERRELL**, b. 1848, Ala.

Military service:

He enlisted in Mar 1836 Capt. Austin's Company at DeKalb Co., Ga. and discharged at Newton Co., Ala. in May 1836. Enlisted again in the 1st DeKalb Co. of the 1st Regt. Remarks:

Terrell Trails

1. Pension denied. He could not show proof of service, and the Army had no record. Appl. no. 3005.
2. After his discharge (1836) he lived in Decatur, DeKalb Co., Ga. for 16 years (to 1852?), at Wedowee (Randolph Co.), Ala. for 4 years (to 1858?), back to DeKalb Co., Ga. for 17 years (to 1875) and Edwardsville, Ala. to 1892+.
3. As of 1836 Joseph appeared as follows: 5' 9", blue eyes, black hair, light complexion. Occupation: Farmer.
4. This may be the same Joseph TERRELL who appears briefly on the rolls of Co. B, Capt. S.A. Moses' Sqdn. Ala. Cav. CSA. Enlisted at Wedowee, Ala. in Mar 1864 and discharged on 15 Jul 1864.
5. As of 1892 he was living at Edwardsville, Zedonia, Cleburne Co., Ala.
6. This man is undoubtedly part of the TERRELL family of Lancaster Co., S.C. which was described in TERRELL Trails, Fall 1989, pp. 398-405; but it is not clear who were his parents.

Secondary references:

1. 1850 Census, Ala., Randolph Co., p. 319: TERRELL, Joseph.
2. National Archives, Confederate Military Personnel Records: TERRELL, Joseph, Capt. Moses' Sqdn. Ala. Cav.
3. TERRELL Trails, Fall 1989, "The TERRELL Family of Lancaster County, South Carolina," pp. 398-405.

As described above, I believe this man to be part of the Lancaster Co, S.C. clan. But how does he fit? In the 1860 census he is living as a close neighbor of **William George TERRELL** (1830-?), who was great-grandson of **William TERRELL** (1760-1851, DeKalb Co, Ga.) (formerly of Lancaster Co) and mentioned in his will as "**William TERRELL alias William TERRELL Ford.**"

William Sr.'s father was **John TERRELL**, and William's brother was **Richmond TERRELL** (1755-ca. 1805). They are all believed to be descended from **Richmond TERRELL** of New Kent Co, Va. (b. 1626, England). How they are connected has not yet been discovered.

William Sr.'s line is also a mess. From his will, it appears that he had no male heirs, yet we have a **William George TERRELL**. The story, long forgotten seems to involve the child of a **TERRELL** woman and a **FORD** man. The father was sent to prison or executed for a murder, and the child is given the name **TERRELL**. I show the father to be **William FORD** and the mother to be (**Mary TERRELL?**). But other researchers say that I have misunderstood the relationship. And some of the researchers cannot agree among themselves.

Anyway, if you will provide me a postal address, I will be glad to mail you my data on the descendants of William TERRELL (1760-1851). In return, I hope that you will share data about Joseph E. TERRELL and his descendants.

Thanks. Don C. Terrill (with the TERRELL Society of America)

My line does go through Eli. **David Ezra** was a son of **Eli** and **Martha**. My mother is **Marie TERRELL Smallwood**. I have done research for over 20 years but never found the parents of **William George**. I had heard of **Coleman FORD** but never had documentation proving to be his father. I had obtained a certified copy from DeKalb Co GA several years ago, but since have misplaced it. **William George** and **Mariah** are buried at Oak Grove Cemetery in Carroll Co. I went there couple of years ago and have pictures of their head stones. I talk to **Dorothy Proctor** some. She is the granddaughter of **William Peter**, brother of **Eli**. I will certainly add this info to my tree. Thanks. If you need any info on my line, let me know Teresa Brooks; [hidden]
Paul

Thanks for the information. My husband's lineage goes through **William Peter** youngest brother of **Eli**. Why did **William George** go by the name of **TERRELL** instead of **FORD**?

The story as it is told by a granddaughter of **William Peter** goes that the **Ford** man was either sent to prison or otherwise disappeared and **Matilda** died when "**Billy**" was very young. "**Billy**" was then taken by his maternal grandparents (**William** and **Unknown**) and they raised him. When he was 21 his TERRELL grandfather gave him the choice of legally becoming a TERRELL or a FORD and he chose his mother's name, TERRELL.

Before the war, Billy and Mariah owned a mercantile store at Little Five Points in DeKalb, GA. The family also owned land around Grants Park (in Atlanta, GA) which was later lost in a land dispute in which the FORD family played a part.

When the war came, **Billy** became a confederate soldier. Later when rumors came that **Sherman** was going to burn Atlanta, **Mariah** moved her family to Carroll Co. **Billy** survived the war and is buried with Mariah at Oak Grove Baptist Church Cemetery in Carroll Co., but markers for the graves has long disappeared.

Looking for information on **Matt TERRELL** who lived in Sequoyah Co, OK 1870's. His first wife was **Mary (SANDERS?)** they had two sons **Robert M. TERRELL** born 18 Feb 1872 and son **George**. Matt's wife **Mary** was part Cherokee Indian. Matt died 15 Apr 1885 and is buried in Johnston Co, OK in the Earl Cem. Matt's second wife was **Sarah Lucinda LOOMIS**. Thanks, Wilma Liles; sffansliles@aol.com

Trying to make the connection to **Charles TERRELL** and **Ana Lillian THOMPSON** and their Mother and father. Charles and Lillian both from Louisa Co. VA I think Charles was born about 1830? My grand-ma was **Minnie E. TERRELL**. and mar-

ried **Alexander DAVIS** in Louisa Co. in 1909. Alex was 22 Years old and Minnie was 16 Place of Birth listed as Louisa Co. Va. Alexander's Parents listed as **James** and **Bettie DAVIS**. James born 1830 his wife Sara S. Would appreciate any information on these ancestors. I have no information on Charles TERRELL or his wife Lillian Thompson except their names on the Marriage Certificate. Davis Family Cemetery Just past Trevillions Station Va. Michael Smith; michael4212@cs.com

I would sure like to find whatever information I can on the descendants of **James TERRELL** and **Margaret WATKINS**.

My great-grandfather, Henry TERRELL, ended up in Lawrence/Martin Co. Indiana and married in the 1840's to **Rachel JOHNSON**. He was born in 1823, and many, many Terrells' were from this area. Some of the early settlers besides the TERRELL family, was also the **HOARD** family, and some Terrells' married into that family.

However, no one, even in my extended family, has been able to find anything on our Henry, in spite of other Terrells' living in the same area and at the same time he and his family were there. His children's names, however, coincide with many of the early TERRELL children in that era.

I am now grasping at straws; Henry and Rachel did name one of their daughter's **Margaret**, and no "Margaret" was in Rachel's family. Their son **Levi**, my grandfather, named his first son with the middle name of **WATKINS**. I know this name was not in my grandmother's family.

Could anyone give me some hints as to how to more thoroughly study the family of James and Margaret Watkins TERRELL? Thanks! Penny Fields Gardner; pfgard@juno.com

Do you have any info on the children of **Mary ELLIOTT** and **John TERRELL**? I saw you mentioned two, **Zimri** and **John**; were there any others? Do you have Zimri & John's families? Thanks. Tigger; [hidden]

RITEs SET FOR DUDLEY TERRELL

Death notice was February 27, 1965

Terrell Trails

Sunday morning services have been set for **William Dudley (Dud) TERRELL** of 59 South Marion, who died Friday morning at the Morgan County Memorial Hospital.

The 10 o'clock services will be held at the Cure and Hensley Chapel, with the Rev. Virgil Baugh, conducting them. Burial will be in South Park Cemetery.

Failing in health for some time, the 80 year-old long-time Martinsville resident had been hospitalized since Wednesday.

The son of **John W. TERRELL** and **Margaret ENGLAND**, he was born Oct. 20, 1884, in Daviess County. His wife, the former **Mary Elizabeth BARGER**, whom he married November 1913, preceded him in death in 1947.

Mr. TERRELL, who came to Martinsville many years ago from Washington, owned a taxi service here for 30 years. He and **Frank PHELPS** were partners in the *Phelps and Terrell Taxi Service* until the death of Mr. Phelps when he continued with the business.

Surviving him are a daughter Mrs. **Omer Bolin** of R. R. 2; a son **Albert TERRELL** of Port Huron, Michigan; a brother, **Edward TERRELL** of Sioux City, Iowa; two sisters, Mrs. **Rosa Lockhart** of Indianapolis, and Mrs. **Stella Cravens** of Little York, and a half-brother in Martinsville, **James TERRELL**. He also leaves three grandchildren and three great-grandsons. A brother preceded him in death. Friends may call at the funeral home after 4 o'clock this afternoon.

If anyone has any information on any of these people it would be greatly appreciated. Kathy Young; kyoung7674@aol.com

Who was the **George TYRRELL** who witnessed an indenture for land in Savannah, GA in 1744, which was then still a colony. His fellow witness was **Lachlan MC GILLIVRAY**. What happened to George? Did he stay in GA? Leave? Marry? Have a family? Seems to have pre-dated by a considerable period other Tyrrell/TERRELL/Terrills in the state of Georgia. PJ Achramowicz; mostlyinbelarus@yahoo.com

Please advise what would be the best route for me to follow to find information on **Elizabeth TERRELL**, born abt. 1735/40, married 5 Sep 1754 in Chowan County, North Carolina, to **John "Renta" BAKER**. I've tried LDS, the internet and family notes, but no record concerning her parents.

She seems to fit best to **Joseph TERRILL**, born 16 Nov 1699, son of **Timothy TERRILL** and **Elizabeth FOSTER** or with **James TERRELL**, born abt 1702, son of **William TERRELL** and **Susannah WATERS**. Unfortunately, I find no record of a daughter born to either of these men. Family notes indicate that she was somehow related to **Obediah TERRELL**, which seems logical since **Obediah** and **John "Renta" BAKER** went on hunting expeditions together. Is there anyone who might be able to unlock the key to Elizabeth's lineage? **MaryFrancesTh@aol.com**

I have run across the published research of other persons who are likewise stuck at **John BAKER** and **Elizabeth TERRELL**. I have tried, but failed, to connect Elizabeth to the identified Terrell clan. The problem being that these are late colonial records, and there have been too many courthouse fires over the centuries.

The **Joseph TERRILL**, to whom you refer would be about is a candidate because so very little is known about him. If he had daughters, there is no record. We do know that his son William was still in Bedford Co, Va., in 1780 because that is where he married. This hints that the family stayed in Virginia, but proves nothing.

James TERRELL, whom you mentioned, had a daughter named **Elizabeth**, but I credit her as marrying **Giles NEWTON** about 1759 in Va., and then settling somewhere around Henrico or Caroline counties and having at least six children before her death in Marlboro Co, S.C. sometime after 1767 (the birth of her last recorded child). Don Terrill

Do you know who this group of TIRRELL's is associated with? 1870 Kentucky, Letcher Co., Pct 2....page 12...24 August 1870 L: 32 - 38...Dwelling: 81...Family: 81

TERRELL, Charles...age 32...farmer...Mississippi

Louisa...age 28...Kentucky

William...age 13...Kentucky

Ruben...age 10...Kentucky

Aron...age 9...Kentucky

Francis...age 3...Kentucky...(listed as a female)

Nancy...age 1...Kentucky

The reason for my question is Mildred Lykens and I have discovered that **Charles P. TIRRELL** was married three times.

We haven't figured out who she was at the moment. But we do know that Charles 2nd wife was **Sarah** (last name unknown for the moment) and she is the mother of **Flora E. TIRRELL Crum**. Sarah is not the mother of **Francis O., Elijah L., Nancy, or Susan**, the first wife is. The third wife was **Eva KISSINGER** (no children from this marriage; he was 73 & she was in her 30's). Any help would be appreciated. Tina TIRRELL randy@midtech.net

I have no idea who those TERRELLS are.

First thing that struck me as odd is the listed birthplace of Charles. Letcher County is as far east as one can go in KY. Generally the migration pattern was either south or west. There have been few recorded instances of descendants going either south or west and then returning north or east.

The second question that arises is who were the older children: William...age 13...Kentucky; Ruben...age 10...Kentucky; & Aron...age 9...Kentucky? The 1870 census did not show relationships. Charles & Louisa would have been about 19 and 15 respectively when William was born. Fifteen was not too early an age for a girl to begin a family in that era. However, the man had to be the provider for the family and rarely married or started families before their mid twenties.

This raises questions: 1) were these brothers or sisters of either Charles or Louisa; 2) were they Louisa's by a previous spouse; or 3) were they nephews or otherwise associated with Charles & Louisa?

Finally, does the ages (Francis...age 3...Kentucky...(listed as a female); & Nancy...age 1...Kentucky) fit the right time frame to be your Francis & Nancy? The names Francis & Frances were spelled in that era at the discretion of the writer. The "i" and the "e" were not used to denote sex as much as they are today.

I am sending a copy of this to Don C. Terrill. He may have already connected this family with someone.

Dan Brinson

I find Charles and family appearing only in the 1870 census, and no other. Internet data posted by Randy & Tina TIRRELL (probably the writer) says that **Charles TIRRELL** is descended from **James, Amos, Gideon Jr., Gideon I,** and **William THERREL**. This spelling and first names VERY strongly suggests that Charles is a New England Terrell (whom I have not researched) and that "Miss." (As it actually appears on the census book) is really "Mass." Also, the spelling "TIRRELL" is virtually unknown in the 19th century (and earlier) South.

As a long shot I will suggest he is **Charles P. TIRRELL**, b. 13 Dec 1837 in Plainfield, Mass. He was the adopted son of **James TIRRELL** and **Clarissa BIRD**. He disappears from the record and his fate is not known. (*The Tirrell, Tirrill-Terrill, Tyrrell Book, Descendants of William Therrill*, by Robert Wilson TIRRELL [Deford & Co, Baltimore, Md.: 1969], Lib. Cong. CS72.T3 1969, pp. 119, 208). Perhaps the author never searched Kentucky. Or else, he found the "Miss." birthplace (as we did) and dismissed this person as the same Charles P. TIRRELL.

Don C. Terrill (with the Terrell Society of America)

Hi: I am looking for **Susan TERRELL**, my great-grandmother, who was born in 1816 in Bourbon County, Kentucky. She married **DABO MC DOWELL** in 1837 in Ripley, Indiana, and died Aug. 3, 1895 in Union, Boone, Iowa. I would really like to find out more about her than mere statistics. Can you help me? Thanks, Beverly Smith Vorpahl vorpahls@comcast.net

The only thing I have in the indexed portions of TERRELL TRAILS is the query that you submitted in 1992. Our president, Mr. Don C. Terrill keeps a different type of database. I am forwarding your message to him. I hope he can add something. I look forward to serving you. Dan Brinson

Sorry, nothing in my database. Terrells who departed the southern states before 1850 are very hard to track. Iowa is on my list of things-to-do, but it may be many months before I can start trying to make sense out of Iowa records (as they relate to southern Terrells). Don C. Terrill

I am researching connections between my family, GRAY, and the TERRELL Family of Boston, MA. My g-g-g-g-grandfather was **William GRAY** (1774-1775). William married **Elizabeth HALL** (1737-1825) 6 Dec 1759.

Their oldest son, **Edward GRAY**, born 16 Jul 1764 in Boston, Suffolk, MA, married **Susanna TERRELL** 15 Apr 1790. **Susanna TURRELL** was a daughter of **Madame TURRELL**, a character famous in Revolutionary days. Edward was a graduate of Harvard, "an honest lawyer" and man of note. Edward died in 1810.

I am descended from, **Thomas GRAY**, the youngest son of William Gray and Elizabeth Hall.

Who was Susanna Terrell's father? Thanks, George A. Gray gagray@comcast.net

I regret that I cannot answer your question. From the time period and location it is possible that she was a descendant of either

Roger TERRILL & Abigail UFFORD, or of **William THERRELL & Rebecca SIMPKINS** (m. 1654). Roger arrived in Boston 1632, married, and settled in New Milford, CT. William arrived about the same time and settled in Boston, MA. Descendants of both couples lived and migrated in the same general. However, it is also possible that she descended from those below.

According to *The TIRRELL-TIRRILL-TERRILL-TYRRELL BOOK*, Second ed., 1969, by Robert Wilson Tirrell of NJ, p. 5 there was also one **Daniel TURRELL** in Boston ca1640 from Instow, Devonshire, [England] according to "Savage" & "Banks." (Whomever they may be).

There was also one **John TURRELL** in Boston ca1640 also from Instow according to a Power of Attorney dated 1711 wherein **John TURRELL** of Instow, eldest son and heir of **Samuel TURRELL**, deceased, only son of **John TURRELL**, late of Boston, and **William TURRELL** of New England sell land situated at corner of Cross and Hanover Streets in Boston. This is not likely to be **William THERRELL** above because he d. 1682. **Susannah** may have been a descendant of this 1711 William. But this family is not covered in the book. According to Tirrell, it is likely that John and Daniel were related, but "Instow records have been searched and no evidence has been found relating to these men, although the TURRELL name is found in the Churchyard at Instow."

Sorry that I cannot be more helpful, but we have not received much information from the New England branches. Your crystal ball is as good as mine. Dan Brinson

I am trying to locate documentation on the birth, marriage, and deaths of **Phineas TERRELL**, born in Stoughton, MA sometime around 1800, died in New Haven Connecticut, date and place of marriage unknown, best guess being Easton, MA.

Phineas married **Sarah WORTHINGTON**, born 10 October 1799, Easton, MA, place of death unknown, but assume with husband in New Haven, Ct. Any assistance or direction would be greatly appreciated. Terry Brown TerryBrownGTS@aol.com

I am looking for info on **James Leonard TERRELL** of Dewitt Neb around 1893. He is my grandfather who I know nothing more about other than he married **May MC DOUGALL** in Des Moines Iowa in 1919. Thanks for any Help! Garrick (Rick) Terrell szterrell@comcast.net

I checked my several databases of southern Terrells with no hits. I checked also The Tirrell Tirrill-Terrill Tyrrell Book in case he was a documented New Englander, but no hits. Couldn't find him in my 1900 census of Iowa or Nebraska. He might be in there, but no way to distinguish him. My 1910 census does not (yet) include Iowa or Nebraska. Sorry. Don C. Terrill

William TERRELL married **Margaret WILSON** April 18, 1828 in Champaign Co., Ohio. Who are Margaret's parents? Gloria GlowJ49@aol.com

I don't have a **Margaret WILSON** in the indexed 15 volumes of *Terrell Trails*. Maybe our president, Mr. Don C. Terrill has something. I'm sending a copy of this to him. Dan Brinson

While I have this marriage documented in my primary Terrell-Terrill database, I also do not know the parents of **Margaret**

Terrell Trails

WILSON (b. ca. 1800). I show the marriage as 16 Feb 1828 – probably a difference of marriage license vs. marriage date. Don C. Terrill

My name is **Wayne Allen HANSEN**. My sister is **Karen Edith HANSEN MacKay**. We are two of the MEIER descendants. Our mother is **Hazel Edith MEIER Hansen-Danielson**. Her father was **Albert Allen MEIER**. I think you will find us in the above referenced "subject". If you would like information on our family, I would be happy to give you as much as I know.

I found your society because I am trying to find out more about **Mildred Washington, George WASHINGTON'S** aunt who is purported to be my great, great, great, great aunt!. My curiosity stems not only from the genealogical side but also on the side of Freemasonry, since George Washington was the Master of his Masonic Lodge at the time that he was the President of the United States. I am currently the Master of my Masonic Lodge. My mother's uncle **Walter** was the Grand Master of the Grand Lodge of Washington and has the research Lodge for the Grand Lodge of Washington named after him, Walter F. Meier Research Lodge #281 in Seattle, Washington. <http://www.wfm281.org/>

Our family has a strong "kinship" to our historical roots and also to the strong cord of Masonic affiliation.

If I/we can serve you and if you can give me help in my quest for more light on our heritage, I am at your service.

At one time my cousin contacted you and you were able to say that the **George Russell TERRELL** that was in Hillsboro Tx in the 1880 was the son of **William** and **Jane TERRELL**. Did you have a birth date on George? My cousin and I go round and round on this. Your kind elaboration would be appreciated. Thank you, Anne Terrell Richard loller@earthlink.net

The best date I can come up with is November 1852, and this comes from the 1900 census. George is descended from a family which originally spelled the last name as TERRAL, and first appears in surviving records in 1737 when the earliest (William) petitioned for land in South Carolina. Don C. Terrill (with the Terrell Society of America)

I'm looking for info on my TERRELL ancestor, who lived in Hamilton, Marion Co., AL. Her name was **Ruth Ann TERRELL**, born approx. 1880 in AL (I'm not sure of what county, but I'm assuming Marion Co.) She married **John Steve CROWE** sometime before 1900 as she is married to him on the

census for 1900 and lists her age as 20 (in Pearces Mill, Marion Co., AL)

Her children were: **Floy; Lena** (she had a twin brother who died @ birth or shortly thereafter); **Selma; Tamie; Taylor; Thomas (Will)**; and **Robert Luster/Lester CROWE** (who was my great-grandfather). Again, these children's names are from census records and from Crowe family research)

She died 25 April 1967 and is buried at Green Springs Church in Marion Co., AL. Any information you can provide as to her lineage would be most appreciated. Thanks so much,
Michelle G. Parker mgparker@hobecom.com

Dan, this just came in my email as I am a member of the Union Co. AR mailing list. I figure it is some of the descendants of my family, but don't know where they fit in. **Betty Owens BETER77@aol.com**

The only mention that I found on the WALLER name is in reference to the **S. M. TERRELL** family.

Solomon Morgan TERRELL (1883-1913) married **Stella SMITH** who was born in 1896. To them were born five children: **Nadine, Jewell, Morgan Smith, Louise** and **Damon TERRELL**.

Nadine TERRELL married **Henry JIMINEZ**; they had one son, **Larry JIMINEZ**.

Jewell TERRELL first married **Pete JOHNSON** (1915-1951); they had four children: **Alvinene, Joe Willard** (died at age sixteen), **Elizabeth** and **Yvonne JOHNSON**. (More in *John Johnson history*). Her second marriage was to **Raleigh WALLER** and they live in El Dorado.

Louise TERRELL first married **Morry BERLINER**; they had one daughter, **Susan Thomas**. Her second marriage was to **Max ATLASON**.

Morgan Smith TERRELL married **Norma WEST**; they have one daughter, **Cherry TERRELL**, and live in Strong.

Damon TERRELL married **Ima Sue LEWIS**.

Stella Smith TERRELL lives in El Dorado.

Since this book was written in the 70's, I would imagine that **Stella Smith TERRELL** is no longer alive. I send them exactly as they were written by Mrs. Knox. Hope this helps. Dawn
