### What's in a Nickname?

By Dan Brinson; All Rights Reserved:

Genealogy researchers frequently run across nicknames rather than actual Christian names while researching census and other records. This leads to confusion because some names do not even remotely resemble the Christian names for which they are substituted.

The following more common list, while far from all-encompassing, is provided for your amusement, and [we hope] enlightenment and education.

Abe = Abram, Abby = Abigail  
Abraham Aggie = Agnes,

## BIOGRAPHICAL INDEXING

We have learned that Genealogical Indexing Associates has completed the task of indexing all persons appearing in biographical sketches in various histories and other sources in the state of Indiana which was considered the crossroads to the west. For this purpose, biographical sketch has been loosely defined to include any source which gives date of birth or insights into the life of a person has been indexed.

Their promotional material claims over 247,000 entries identified for Indiana alone.

A similar work is in progress for Illinois, and are planned for Ohio, Michigan, Pennsylvania, New York, Kentucky, Iowa, Missouri, and other states as time and resources allow.

Two services are offered for Indiana at present. First, they offer a surname search at \$7.50 for the surname and \$6.00 for each variant.

Secondly, they offer a complete set of the Indiana Biographical Index on microfiche (16 fiche) with the first containing a list of references used for the index arranged numerically by source; the second containing the same references by county; and the remaining fiche containing the names of individuals arranged alphabetically for the entire state. Microfiche is \$120.00 for the set.

For example, to have a search of the surname TERRELL, and variants: TERREL, TEREL, TERRIL, TERRAL, TERALL, TIRRELL, TURRELL, & TYRRELL would cost us \$55.50, but could save hundreds or even thousands of hours of individual research for our present and future members. If you would like to contribute part or all of this cost, to see what data such searches will produce, the donation will be welcomed.

If you would care to donate a set of the microfiche to our archive, that would be welcomed also, however, we do not have equipment to read it and would have to take it to a library to read it.

If you would like more information or a personal service, the address is Genealogical Indexing Associates, P O Box 102, West Bountiful, UT, 84982.

## STONE AGE

*The Proven; The Probable; The Possible;  
and The Mythological from Europe*

To avoid redundancy [rehashing previously published information], we are devoting this issue's column to recent developments in preserving Tyrrell-Terrell artifacts in England. Specifically, a project of The All Saints Society in England and its American Branch headed up by Mr. John Stuart of Dallas, TX.

In June, 1970, Mr. Stuart and his wife made a trip to England. At that time, they discovered the ancestral church of ALL SAINTS, set on a hill at East Horndon about 21 miles northeast of London.

The church was damaged and had been out of service for many months. With a desire to help restore this ancestral shrine, he met with some other descendants in England and the All Saints Society was formed with Mr. Stuart as Appeals Secretary.

Other officers of the All Saints Society included: President, Sir John Betjeman, C.B.E.--Poet Laureate of England; Chairman, William Grosvenor; Vice-Chairman, Ralph L. Peters (USA) England Rep. Ford Motor Company; Vice-Chairman, Peter Blacklock; & Secretary, John Bohling.

Inside view of All Saints Church 1972

The *Essex Weekly News*, July 31, 1970 carried an article about the 'American business[man] who has started a personal campaign to save a historic Essex church from ruin.' The article continued to emphasize the damage by vandals and the speed with which correspondence began to flow between England and America. The Chelmsford Diocese office and Herongate and Ingrave Preservation Society were quick to contact Mr. Stuart. Miss Jenny Humphrey, a Brentwood freelance journalist who had researched the history of the church was also forwarding information.

Other articles stressed 'the ruinous state--bricks zigzagged in crazy decay, doors hung perilously on rusty hinges, the interior suffered from vandalism and pilfering (even the bells had been stolen!)' Journalist, Peter Blench preceded John Bohling in the early stages. The intensive publicity campaign he ran with the help of his friends was the catalyst for the restoration.

Sir History of the church indicated it was completed in 1480 on the site of an

earlier church. It was used by the Tyrells who claimed descent from the knight who slew William Rufus in the New Forest and also served as their burial place.

A public meeting was held on All Saints Day 1970 with over 180 present even though the church only had 90 seats. A collection on that day helped to start the initial fighting fund. Volunteers began immediate urgent repairs.

Parties met at weekends despite appalling weather and draped the roof with polythene sheeting, boarded up the windows and removed much of the rubble. A team of volunteers, called the All Saints Patrol, was organized to visit the church by car every two hours from early morning to midnight and kept up the vigil for 8 months until the work was taken over by regular visitors on foot. Regular vandalism of 1969 and

1970 was reduced to one isolated incident during 1971 and had ceased totally by 1972.

Negotiations to turn the church into an arts center fell through due to financial difficulties.

By June 1971, a survey, helped by a local resident and well known architect, Mr. Laurence King who generously lent his services, showed that 5,500 pounds would be required for the roofs, internal walls, and windows. Within 2 months, 2,000 pounds had been donated. These included grants from the county, local authority, the Ford Motor Company and sources on

both sides of the Atlantic. Mr. Stuart swelled that amount to 3,100 pounds by the end of October 1971.

The Rudundant Churches Fund had donated 1,500 pounds for immediate roof repairs. By May 1972, All Saints was vested in this fund, with the campaign acting as local agent. Restoration proper then began.

Builders began their massive engineering job in October 1972. The restoration required digging three feet below the Norman Foundations of 1100 AD which turned up a few archaeological finds, while supporting the roof and walls from inside, then lowering the building onto its new foundation.

Mr. Stuart managed to raise \$2,600 in less than five months and has since raised that total to \$17,000.00. He was able to attend the annual meeting in England in November 1972 and was praised by the local member of Parliament for his support.

Over 60 persons from 9 states have participated in this effort.

Plans include adding electricity and heat to modernize the building.

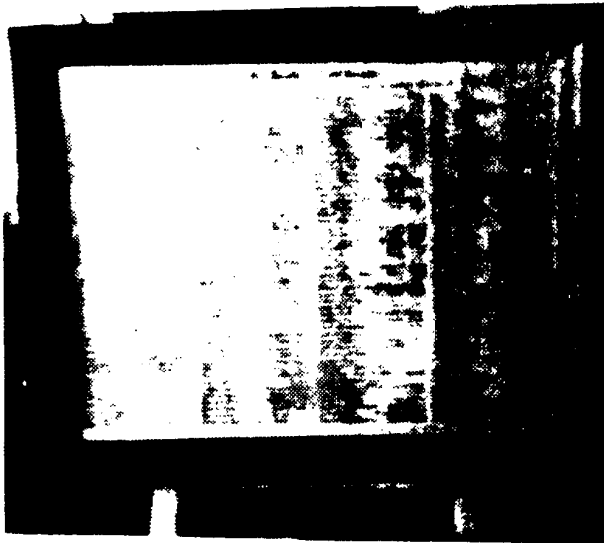

Those who contribute will have their names placed upon a plaque at the church and in the Archives.

The church does have several religious functions each year. These include concerts, etc.

Mr. Stuart laments that only a few of the origi-

nal contributors have continued their support over the years. New and fresh support is needed to complete the restoration and preservation of this Tyrrell historical site. Mr. Stuart did not indicate the minimum amount [if any] required for placement of one's name on the list of contributors.

If you desire to help with this project, contact Mr. John J. Stuart; 3725 Maplewood Avenue; Dallas, TX 75205. If you feel the Terrell Society of America, Inc., should make a contribution as a corporation, please let your editor know. Also, please suggest the amount you feel would be appropriate from our limited funds. #####

#### WE GET LETTERS!

Your editor and Society secretary gets letters at the approximate rate of 250-300 per year from descendents of the various surname lines, all wanting information on their specific ancestors. Needless to say, I cannot possibly attempt to research and answer all of them, so I do not attempt to answer any unless I can recall the information without research.

Due to the lack of interest shown by our membership in sending in queries, we now share excerpts from some of the more recent letters with you. Perhaps, some of these are from your distant (or not so distant) cousins.

'I am descended from the Milford CT Roger Terrell who came to this country in the 1630's. I have been trying to prove his English birthplace and have run into many blind alleys. Perhaps someone else has fresh information.' Mrs. Nancy Tyrrel Theodore, 731 Hapsfield Lane, Buffalo Grove, IL 60089. 'My ancestor, John Terrill, came from Georgia as well as Philemon Terrill. I belong to Colonial Dames and the DAR's, however it is on the Wilkes line and I am anxious to establish the Terrell. I was so excited when Mrs. Fossum from Oji, CA found the info about you in the Ventura Public Library [in index to periodicals published by Library of Congress and distributed to all libraries, editor]. Mrs. Elizabeth Terrell Mallini, Azalea Knoll, Rt 3 Box 640, Bay St. Louis, MS, 39520.

'I read about the Terrell Society of America, Inc. in George Miller's column in the *Madison Weekly Herald*. I am descended from Robert Terrell. Robert's dau. Jane md Robert Ford in Henry Co. KY and her sister Elizabeth married Robert's brother Jarrett Ford 04/29/1798 in Burbon Co. KY. Robert was from Orange Co. VA and evidently a friend of Warner Ford, father of Robert & Jarrett.' Mrs. Lois Allen, R R#1, Box 107A, Greenwood, IN 46142.

'My Phillippa Tyrell, d. 1484; m. Thomas Cornwallis, of Brome, Suffolk. Phillippa was dau of Edward Tyrell of Doham. Would appreciate if you would check & see if you have any info on them. Please send details of the Society, I am real interested. Mr. Lee Hastings, 1671 W. 166 Terr., Stilwell, KS, 66085. [We had no info so editor recommended TFHS of England.]

'My 4th g-grandmother was Anna Terrell b. 1775 in MD; md. Zachariah Lay b. 1765 MD; lived in GA and then in Fayette Co. TN where both supposedly died 1853; [want] information on Anna Terrell's parents and ancestors.' Mrs. Elizabeth L. Browning, 1220 Tahiti Drive, Crestwood, MO 63126.

'My search ends with Hasten Homer Terrell. I know he md. a Lyk(e,i)ns woman and there it ends. Have death cert. pf an E. L. Terrell with the father listed as F. O. Terrell and mother M. J. Lykins, but also have word from Maggofin Co. KY of marriage of M. F. Terrell & Martha J. Lykins, [do not know which is mine]. My grandfather used an alias to elude my grandmother (maiden name Mary

Dikes); kidnapped my father and used his mother's maiden name which he spelled Lykens along with his nickname Acey, therefore Acey Lykens, also used A. (probably for Acey) H. Terrell for his name on my uncle's record 4 years after my father was born; rumored he was head of a "Terrell Gang" or "Terrell Raiders" and run out of several states before he reached TX. Somewhere he was crippled and in a wheelchair and was a traveling evangelistic minister of the Penecostal faith in Brisbee AZ. He did not tell my father he had a living mother & full brother. This was told to dad by Hasten's common law wife after Hasten's death. When my father met his real mother she answered all his questions with the same answer, "It's best you not know." What I need is proof of Hasten's father's name or initials. Will reimburse cost of documents and postage.' Mrs. Mildred E. Wright, P O Box 427 or 1678 Russell Rd. Merlin OR 97532, 503-476-1732.

'I am searching for ancestors of Thomas J. Terrill b. 1816 TN?VA? md first 1842 Obion Co. TN to --- Starrett and second in 1848 to Sarah Jane APPLEWHITE Ogals by; lived in Obion Co. TN; J. H. was from same area as founder of adjoining Weakly Co. TN & I wonder if he could be Thomas' father. Thomas J. was husband's gg-grandfather; wonder if he was descendent of Henry Terrell of VA?' [included small diagram indicating descent from Mary Ann TERRELL Bishop, dau of Thomas J]; Mrs. Donna J. Kelsey, Box 384, Connell, WA 99326.

'Requesting info on the Terrell Society; my family are descendants of the Terrells around Carlisle, KY.' Mrs. Nancy Terrell Miller, Rt 1 Box 376, McCordsville, IN 46055.

'I am descendant of Wilburn Terrell b. 1823 NC? VA? & d. 1897 Lawrence Co. IN.' Mr. Dallas G. Allegree, RR 2 Box 15, Shoals, IN 47581.

'If anyone in your group is interested in corresponding and sharing info on the Terrell family connection to the Chiles family and the Moorman family, I would be most interested in hearing from them. Will be happy to refund postage.' Mrs. Frederic D. Diebel, 1215 Ridgecliff Rd., Cincinnati, OH. 45215.

'I am 10th generation descendent of Roger who arrived on the ship Hector in 1634; may have info distant cousins can use including birth & death dates, wedding dates, maiden names of wives, &

surnames of men the females md. etc.' William E. Terrell, P O Box 17903, Fountain Hills, AZ 85268.

'I am seeking info on Salista Terrill (04/15/1795--06/14/1830); m. Benjamin Bostwick Smith; lived New Milford CT; husband studied medicine under his father, & was prominent minister in Seneca Co. NY and Ontario Co. NY. where he died 08/24/1860; feel Salista died in New Milford as he md. again after 1830; when we were in New Milford it was Sunday and nothing was open but on their historical building a placard of Captain Terrell or Terrill landed there in the 1600's; would appreciate any info.' Mrs. Stella M. Smith, 515 Fairmont Rd., Kalispell, MT 59901. ####

## SETTLING PAINS

### *The Colonial years.*

We have several members and many prospective members who trace their ancestry back to Elizabeth 'Betsy' Terrell of Culpeper County VA. We devote this column of this issue to some of her line.

Elizabeth 'Betsy' Terrell (06/10/1756--12/12/1830); born in Culpeper County VA; daughter of William 'Edmond' and Mary MALORY T.; she married about 1768 at Richland Plantation in Culpeper County VA, apparently only 12 or 13 years old; William WILKINS [later revolutionary Captain] (05/19/1746--04/02/1807); son of John (1720--1796, md. 1745) and Elizabeth HAYMIE OR HAYNE Wilkins; born Northhampton County, VA; and after marriage, they moved to original Spartanburg County South Carolina and settled in the vicinity of Goucher Creek, one of the tributaries of Thicketty Creek where they raised a large and highly respectable family; the WILKINS children:

1. Mary b. 11/11/1769 md. 08/05/1794 to Thomas GILLENWATER;
2. Elizabeth (08/11/1771-01/09/1833) md. William CANTRELL;
3. Mildred 'Millie' (03/05/1773--12/04/1855; md. 12/08/1791 Davis GOUDELOCK (12/25/1764--09/21/1828);
4. Terrell b.02/21/1775 md. Sallie HARDIN? HAYDEN?;

5. Robert 'Robin' (12/05/1776--09/27/1848) md. Sarah 'Sallie' LITTLEJOHN (03/12/ 1777--10/10/1829);

6. Jane b. 08/14/1778 md. William AU-  
TELL; their two sons: Alfred Austell  
who later became a prominent banker in  
Atlanta, GA and has been well chroni-  
cled in publications in the Georgia  
State Archives, however, I have not  
seen any which put forth his deep reli-  
gious convictions; Mrs. Grace Terrell  
Brown, daughter of Joseph Jefferson  
'Bud' and Letitica June CAMP Terrell  
has a Bible which he gave to his niece  
Marauda Austell Camp that contains the  
following message: *'For the love and  
affection which I have for my niece,  
Elizabeth Marauda Camp, daughter of my  
only and beloved brother, William W.  
Austell, I present her with [this]  
sacred book trusting that she will read  
it and practice its teachings and im-  
part the same to her children,'* he  
then continued with a brief family  
history, part of which is incorporated  
into his brother's info which follows,  
and signed it *Your Uncle Alfred Aus-  
tell, Atlanta Georgia May 25, 1873;* &  
William W. Austell (06/25/1812 --  
10/??/1842) born Jefferson County east  
Tennessee, died Cambellton, Campbell  
County GA; name of his wife is not  
known to your editor, but he had at  
least three daughters who became wards  
of his brother, Alfred Austell, after  
the death of William W; the were:  
Elizabeth Marauda who md. ? ? Camp;  
and one of their daughters, Letitica  
June CAMP married Joseph Jefferson  
'Bud' Terrell, descendent of John &  
Marian T.; family tradition states that  
John Calhoun Terrell, father of 'Bud'  
Terrell objected to their marriage  
because 'they were kin,' however, the  
reasons for that belief have been lost  
to subsequent generations, we do not  
know if he knew of a direct blood rela-  
tionship between his father John Ter-  
rell and Letitica Camp's ancestor 'Bet-  
sy' TERRELL Wilkins, or if he was bas-  
ing his conviction on another connec-  
tion of which he had positive know-  
ledge; Letitica J. Austell on whom I  
have no further information; and Ophelia  
Maude Austell who married James W.  
Gorman, probably in Campbell County GA,  
and moved to Alabama, [See NEWSMAKERS];  
*1855 Tax Digest, Campbell County GA,*  
*dist 733 Alfred Austell, guardian for*  
*Elizabeth M, Letitica J, & Ophelia M.*

Austell returned taxes for them; the  
daughters of William and Jane WILKINS  
Austell included: Jane Austell md. John  
SWAIN; Melissa Austell md. Netz HEATH;  
'Betsy' Austell md. ? ? KIMBROUGH; &  
Nancy Austell md. Hill-E. S. FLOYD; if  
the Bible record has been correctly  
interpreted by your editor.

#### MINIMUM DUES RATE CHANGE IN 1987

On page 44, we proposed changing Article V of the By-Laws to set the following minimum annual donation. You were advised at that time that your silence would be considered approval. No one registered a written objection to the changes. No one at the reunion in CA expressed any objection to these changes. The general consensus seemed to be that the membership present would go along with whatever the officers felt had become necessary.

There was some suggestion for raising the minimum to \$10.00 per year, however, it was pointed out that our membership does not consist of persons who have only TERRELL ancestors and some belong to other family organizations as well. Due to that, we feel

that minimum dues should be held as low as possible in order to make our membership base as broad as possible.

It was also pointed out that the proposed changes only involved minimum donations required to get Terrell Trails. There is nothing to prevent a financially well endowed member, foundation, or other benefactor from making larger donations toward the exempt objectives of the Society if they so desire. Whatever is received will be greatly appreciated and used as wisely as possible.

So much for background; now the facts--Effective January 1, 1987, the minimum donation will be as follows:

INDIVIDUAL (1 copy) \$8.00 per year

[applies to individual Terrell descendants, libraries, and genealogical societies]

ADDITIONAL COPY (to same address) \$7.00

[provides full choice (2,3,4,5,6,etc) not limited to either 2 copies as under present couple rate or 4 copies as under present family rate]

NON-MEMBER RATE \$12.00

[Applies only to private researchers and others not eligible under MEMBER Rate]

The renewal notices mailed with Vol II, #4 will reflect these changes and we will simplify our membership applications accordingly. These changes should eliminate some of the present confusion about our minimum donation rate structure. ####

#### BINDERS FOR TERRELL TRAILS

In our first issue, we stated that it might be possible to get special three ring binders for *Terrell Trails* for about \$8.00 each. At that time, we had about 50 members. We now have about 130 members. However, thus far, only one member has expressed an interest in having a special binder.

Did you overlook the original article? If so, would you be interested in having a light blue binder with our masthead information and the Tyrrell Crest in white lettering on the front and Terrell Trails up the spine?

Custom binders require a set-up fee plus cost of the binders. However, the more we order, the less each will cost in the long run. Before I can ask for a quote from a manufacturer, I need to know how many want a binder.

I do not know if we can get a

drop-ship arrangement with a manufacturer. If not, we will have to pay shipping on the binders to Douglasville, then repackage and mail to the individual members. The additional postage would have to be added to the cost of the binders, and could make it in the neighborhood of \$10.00 each.

If you are interested in a custom binder for \$10.00 or less including postage, let your editor know immediately so that we can prepare the cover and spine designs and seek quote from the manufacturer on the number we need.

Send Us Yours Today!*

Wilson/Thomas Reunion (Absalom Terrell's Descendents) Second Saturday in October (11th) 1986; Noon; covered dish lunch; Masonic Lodge (behind Courthouse); Cairo, Georgia. All Terrell and related families welcome.

The 1987 TERRELL REUNION has been tentatively set to be held in a mountainous oval area encompassing extreme NE Alabama, extreme North GA, extreme Eastern Tennessee, and extreme Western NC, but the exact place and date has not been set. It was suggested that the date be set to coincide with the fall show of color when the leaves are turning since most of those attending past reunions no longer have children in school. We are seeking a committee to find a suitable place with the fall date available. If none can be found, we may have to revert to a summer date. If you live in or near that area and would like to help plan next year's reunion, please notify your editor as soon as possible. The committee will need to be formed as soon as possible in order to work out the details in time for publication in the Spring 1987 issue of *Terrell Trails*. Regardless of whether you can help plan the reunion, please start making your plans now for a joyous reunion in the Southeast USA next year. For 1988, we would like to have someone from a new area host the reunion--possibilities include New England, great lakes, or midwest; for 1989 back to the west coast, etc.

#### CALIFORNIA REUNION SUCCESSFUL

On July 19, 1986, 57 persons from as far east as GA, & TN, as far south as TX, and as far west as NV, CA, & WA, all gathered on the back lawn at the residence of Bruce & Hazel Todd in Clear Creek community near Westwood, CA., about 106 miles NW of Reno, NV.

Those attending were treated to a very interesting genealogical lecture given by Mrs. Arnold [Harriette O. GOTT] Christensen of Rancho Cordova, CA. She leaned heavily on research in foreign countries and spoke of Scotland being practically run by the Terrells.

On the light side, she related an incident which occurred at a genealogical conference she had attended. Another lady attending the same conference asked the lecturer, in a somewhat embarrassed tone, 'I have discovered that one of my ancestors was illegitimate; what should I do about him?' The lecturer smiled and calmly replied, 'Be thankful that he was where he was; and that you are where you are.'

Mrs. Christensen is the author of *The Gott and Tyrrell Families; Northern California*, a 92 page spiral bound manuscript with an appendix of 10 pages containing documentation, photos, and coats of arms, etc. There is no index, but the volume is well researched and well documented. The volume is dedicated to her daughter, Allyce Louise Christensen Provost. The author's deep love for family and genealogy in general are aptly summed up in her introduction: FAMILIES ARE THE MOST IMPORTANT TIES BETWEEN HISTORY AND TOMORROW.

She was kind enough to donate a copy to the Society for The Terrell Collection, USA. I'm sure our membership joins in this hardy THANK YOU!

Some of those attending did not sign the register, so we do not have a complete listing of all. Those whose names and addresses we know include: Dan Brinson, Douglasville, GA; Mr. Charles Wilbur Terrell, Whigham, GA; Mr. & Mrs. Terrell of Terrell General Agency, Clarksville, TN who also donated a Terrell Family History volume to our archive; Mr. & Mrs. Herbert Wilkerson, Miss Mildred Cook, Palestine, TX; Mrs. Lucretia A. Etienne & daughter Lucinda of Toutle, WA; Mrs.

Bobbie Lavell TERRELL. Ledford, Kelso, WA; Mr. Fernando & Sallye Ann TODD Perez and son Fernando 'Paul' Perez of Susanville, CA; their daughter Mrs. Nonda Sue PEREZ McClellan and her children Blakely Ann & Simon Rain McClellan of Sparks, NV; Mr. Richard Bruce and Linda HEWITT Todd, children: children Jennifer Marie, Aaron Edward, & ? ?; and his children by first marriage: Michelle Renee, Michael Allen, Melanie Antoinette, & Misty Lynn Todd, Reno, NV; Mr. Gregory & Kathy QUIRK Todd with children Erica, Nathan Jesse, & Jeremy Allen of Westwood, CA; Danica Boggs of Castroville, CA; Andrea Perez of Truckee, CA; Regina Perez of Napa, CA; Mr. James Vincent & Gina Love TODD Lunetta and children: Selena Rose, Nicole Leann, & ? ?, of Sacramento, CA; Mr. Gerald E. & Mary Frances JARRATT Merewether of Sun City, CA; & Mr. & Mrs. Christensen (above) of Rancho Cordova, CA.

I only accounted 42 people in the above listing. If we missed you, please accept our humble apologies, drop us a line and we'll run an addition in a future issue if possible. #####

TWO THE BIRMINGHAM POST APRIL 6, 1938

### Those Were The Days— Before The Civil War

—Staff Photo  
Mrs. J. M. Gorman plays the piano at 95. . . Ophelia Austell was the belle of the ball at 18.

At 95, Mrs. Gorman Recalls The Time When She Was A  
Belle Of The Old South; But She Lost Her Pretty  
Dresses When Sherman Came Through

Ophelia Austell was the belle of many a ball in Georgia in the days when frothy masses of hoop skirts bobbed and whirled through a new dance, the Virginia Reel, and candlelight amoussed a soft sheen over bare shoulders and dancing clusters of curls. Southern society was at its gayest when blond, coquettish Ophelia was a favorite of clucking in and around Atlanta.

And now she is the widow of James M. Gorman and three times a great grandmother. She celebrated her 95th birthday Jan. 12. Today the waxy transparency of age has supplanted the rosy bloom of her teens, but Mrs. Gorman is still fastidious about her appearance and pays as much attention to the arrangement of her little black shawl as she used to pay to voluminous-skirted frocks and be-ribboned parasols.

When Sherman Marched  
She has lived for 10 years with her daughter, Mrs. S. J. Clark, at 3300 Fifth-st. N. for she can no longer run the household of her family estate near Atlanta. Largely shrouded from the world by falling eyeght and a modicum of deafness, and thus comfort in memories.  
I was 18 when the war was declared, she begins, her voice quavering but her words unflinching.  
I was just out of a very fine ladies' school and had the biggest wardrobe of pretty dresses you ever did see. But when Sherman came through Georgia and we had to be refugees, I lost a trunkload of them. I've always wondered what became of all my pretty dresses.

#### Bill Plays Piano

Dignity and elegance and erudition she revealed gave way to homely dresses when the Confederacy's last stand necessitated emergency measures. Ophelia made her own dresses and decorated them with buttons made from pieces of gourd shell.

We knit socks and made shirts for the boys, she continued. We sent them fruit too, and gave concerts to raise money for them.

Mrs. Gorman sang at these concerts. She played the piano songs like "The Girl I Left Behind Me," and "Dixie's March," and "Dixie."

And she can still play the piano too. One hand is partially paralyzed and the other good-fingered specialties aren't much help when it comes to distinguishing the keys, but determination to demonstrate her ability keeps her at it.

#### Yankee Bled the Law

But she does this seldom now, and more mostly in the clearly-recolored past remembering when that handsome young Yankee soldier, mortally wounded, died on the front lawn of her family estate, and when she hid 200 flags from the Yanks under the apples in the garden, leaving but two on top for a decoy, so make the invaders think they'd exhausted the cache.

Memories and dreams are with her, usually. Family affairs sometimes fret her, and age makes her hypersensitive to unpleasant weather, but she steadfastly looks forward to reaching a century of living.

 God is known in her palaces for a  
 refuge. Psalm 48:3.

The Orange county (Virginia) court record of 1815 show that John Terrell and Mary Elizabeth Harrison were ordered to appear at the next session of the court, being charged with fornication and copulation without benefit of wedlock. The same records also show that at the next session of the court John Terrell and Mary Elizabeth Harrison did not appear as ordered. It also states that they were reported to have left the county.

Family lore relates that they did, indeed, leave Orange county (Va.) and moved across the mountains into Rockingham county bringing with them their son, Reuben. Whether they were ever legally married cannot be determined.

Rockingham county (Va.) records reveal:

Note 1.

I have not determined the exact date of Reuben Terrell's birth nor death. We have assumed that he would have been born in approximately 1815 and was dead before the 1860 census.

# 103

Note 2.

Calvin and St. Clair Terrell served in the Civil War, with the 10th Virginia Infantry, Company D, organized in Bridgewater, Virginia, in January, 1862.

No further records of Calvin or Jackson. It is assumed that they were both killed or died in the Civil War. No record of their burial place.

Also, no record of Jane Terrell. It is assumed that she died young and unmarried.

Note 3.

No further record of this couple. Judging from his age at marriage St. Clair Terrell must have remained in Rockingham county after the Civil War. I have looked for information on his family, if any, in Louisa county, but found nothing. It is interesting that he married a girl from that county, which is not close by, in Rockingham county.

Note 4.

No further record of this couple.

Note 5.

This is my grandmother. She was unmarried when my father was born and he was raised by another family. She married three years later and is buried in the Flick family cemetery near Linville, Virginia.

Note 6.

Margaret Terrell had children by Madison Huffman but I have no record of them.

Note 7.

This is Elizabeth Terrell, wife of Reuben. Solomon Flick was her son-in-law. (Also her friend!)

Note 8.

According to my father's obituary, which is attached, Elizabeth and Solomon Flick had other children. David Flick, a half brother, is listed as a survivor. I have no knowledge of these people.

Note 9.

I have no record of John William Terrell. If he survived he apparently was adopted by Madison Huffman (Note 6) and his name changed.

Note 8

It is hard to justify these dates. The 5 year old child could have not been their son.

#### OLD HOUSES IN ROCKINGHAM COUNTY 1750 to 1850

By Isaac Long Terrell

Ordinarily the last association one would make with the Commonwealth of Virginia would be to connect its history with that of Abraham Lincoln. However, the fact remains that the sixteenth president of the United States had many strong family ties with the County of Rockingham in Virginia. John Lincoln moved his family into Rockingham County in 1768. His oldest son, Abraham, who married a local girl, was the father of Thomas Lincoln, who was born in Rockingham in 1776. Abraham moved his family, including Thomas, then age four, to Kentucky in 1780. There Thomas grew up, married Nancy Hanks, and the rest of the story is recorded in history.

This is but one of the many fascinating facts to be found in this book. Designed to be a notebook back into the past as well as a means of recording existing structures, the book, at the same time, reveals the untold history and characteristics of Rockingham County as displayed by its architecture.

Eighty-four homes of Rockingham County are pictured and discussed in this single volume. Many interesting stories concerning the builders and their roles in the development of this county from a wilderness into one of the largest and most prosperous in the state are related.

The result of a four year photographic survey the book traces the development of county architecture from the first settlement through one hundred years of growth. Along with the selected houses the book also deals with other structures including barns and outbuildings.

Isaac Long Terrell is a sixth generation native of Rockingham County and has long been associated with many of the old homes and families in the area. He was educated in the county public schools and is a veteran of World War II. He received his Bachelor of Arts degree from the University of Cincinnati College of Design, Art and Architecture, attended the Ecoles des Beaux Arts, Fontainebleau, France, and was awarded a Master of Arts degree from James Madison University. Mr. Terrell is now retired but remains active with many cultural and civic activities in the county. He is a member of the Board of Directors of the Harrisonburg-Rockingham Historical Society and is a popular lecturer on vernacular architecture. He is married to the former Helen Wine and has one daughter, Ann.

Lo, children are a heritage of the  
LORD: and the fruit of the womb is his  
reward. As arrows are in the hand of a  
mighty man; so are children of the  
youth. Happy is the man that hath his  
quiver full of them: they shall not be  
ashamed, but they shall speak with  
[subdue] the enemies in the gate. Psalm  
127:3-5
