The TERRELL SOCIETY could be described as 'small peanuts' compared to the other organizations and accomplishments of Mr. TERRELL. However, if he noticed that, he never let it show. He was always anxious and willing to help with whatever came to hand. His entertaining and enlightening speeches will be missed at future meetings of the SOCIETY.

I know you join me in extending deepest sympathies to Alma.

His widow, Alma P. TERRELL, resides at 718 S. Dargan -- D308; Florence, SC 29501. I'm sure she would be glad to hear from you.

NEW BOOKS AVAILABLE

We have received press releases on several new books. Two deal with German ancestry; one is general interest regarding making your family heirlooms part of your family history; and the third is for those who write (or want to write) family and/or genealogy society newsletters.

The Genealogist's Guide to Fraktur: For Genealogists Researching German-American Families details what genealogists need to know about fraktur (decorated manuscripts made by and for German-Americans; most are birth and baptism records from about 1760 to 1900); how to locate certificates from their families; how to read them and more; 48 pages; paperback \$12.95 plus \$2.00 shipping.

German-American Family Records in the Fraktur Tradition translates and transcribes 479 fraktur birth and baptism certificates and fraktur-related Bible records; 254 pages; index of over 1100 surnames; paperback; \$26.95 plus \$3.00 shipping.

Grandma's Attic: Making Heirlooms Part of Your Family History deals with developing a systematic method of documenting each heirloom and acquainting future generations with these keepsakes so they won't regard them as 'just old things' and put them into yard and garage sales. Number of pages not listed. \$9.50 plus \$2.00 postage.

The What Should I Write Handbook: or Editors of Family and Genealogy Society Newsletters contains sections on Getting Started; Details to Include in Every Issue; Developing a Nose for News; Writing Book Reviews; Advertising; Design & Layout; Suggestions for Editorial Guidelines; Proofreading Tips; Checklist for Easy-to-write Articles; and more. Number of pages not listed; \$16.00 plus \$2.00 shipping.

Each of the above are available from RUSSELL D. EARNEST ASSOCIATES; PO BOX 490; DAMASCUS MD 20872-0490

1993 NEW ENGLAND CONFERENCE

In conjunction with the 360th anniversary of the founding of Windsor CT, the first permanent settlement in CT, a conference will be held at Windsor CT on 22-24 September 1993 to study the "West Country" ancestral heritage of the founding families.

In 1630, a ship called the *Mary and John* sailed from Plymouth harbor in England carrying approximately 135 West Country Englishmen to their eventual settlement at Dorchester MA. Five years later, a majority of the so-called "Dorchester Company" trekked 110 miles to settle in the CT river valley at what we now know as Windsor, CT which had been established as a trading post on 26 Sept. 1633.

They lost few of the group to the early years and raised their families in the Puritan tradition. History has properly recognized the *Mayflower* settlers while ignoring those who came aboard the *Mary and John* only 10 years later. Developments in the past 15 years have increased interest in these unsung pioneers and this conference is a culmination of those efforts.

Those presenting include an impressive list of historians, archivists, designers, and genealogical organizers from both England and the USA.

You will recall that Daniel TURRELL, featured in our last winter issue was one of the "West Country" immigrants. Family surname associations include: CLAP, COOKE, DENSLOW,

DRAKE, EGGLESTON, FORD, FYLER, GALLOP, GAYLORD, GILLET, GRANT, HILL, HOLCOMBE, HULL, LUDLOW, MAVERICK, NEWBERRY, PHELPS, PINNEY, ROCKWELL, ROSSITER, STOUGHTON, STRONG, TERRY, WARHAM, WAY, AND WOLCOTT.

If you have roots in the "West Country" of England, New England, or in any of the above named families this conference will be of special interest to you. The public is invited to attend the conference, hear the speakers, and meet the representatives of many family associations originating with the "Mary and John Families," to share their own knowledge, and to learn from others.

To be on the mailing list for information and registration, send your **NAME, ADDRESS, CITY, STATE, ZIP** to: Mr. Don Bergquist; 1630 Worldwide Mary and John Conference; C/O Family Society Tours, Ltd; 24 Murray St; Norwalk CT 06856; ph. 203-846-8486.

QUERIES

Limited to two per member per year & limited to 50 words each maximum.

Want info on descendants, death, & marriage of **James Monroe TERRELL** b. 06/10/1826 at Caswell Co NC; died at Weakley Co. TN 02/15/195 (sic) [1895?/1905?] and his first spouse **Mary Angeline LONG** b. 1841; d. at Weakley Co. TN, Gleason TN in 1921; md. 02/17/1863 in Weakley Co. TN; came from Caswell Co NC ca 1835-40; had a sister **Nancy TERRELL**. #310 Mrs. **Marian N. SMITH**; 418 N Bailey St; McKenzie TN 38201; phone 901-352-2777.

Want middle name of **Joseph TERRELL** who m. **Anna HEWITT** in Franklin Co. GA; probable dau. **William & Mary HEWITT**. Interested in knowing the connection, if any, between **Joesph** and: **Moses TERRELL**; & **Micajah TERRELL** of the same county as **Joseph**. They all traveled through Franklin Co. GA so some relationship seems probable. **PARKER** Book does not make any direct connection. Also interested in any clues which would illuminate the stories of our purported Cherokee heritage. **Ms. Patricia J. Achramowicz**; 6771 Yucca St #1; Hollywood CA 90028.

Your address appeared in our local newspaper's *Heritage Hunting* column recently and I am interested in tracing my maternal grandfather's family. His name was **John TERRELL** and immigrated to this country with his wife **Fannie** and son **John TERRELL Jr** in 1890-91 and settled in Negaunee, MI near a sister **Eliza HAMBLY**; later moved to Central City, CO. **Ms. Edith BOLLACKER**; 3080 Lakeshore Dr; Sagle ID 83860

I just learned of your organization and hope my **TERRELL** relative is listed with your group. **Susan TERRELL** was born in 1816 (maybe in Bourbon Co. KY). She md. **Dabo McDOWELL**

in 1837 in Ripley Co. IN (my great grand parents). There were **TERRELLS** and **McDOWELLS** living in Bourbon Co. KY and I'm wondering if they moved there together from Ireland. In 1856, **Dabo & Susan** moved to Polk Co. IA; children: **William McDOWELL**; **Elliott McDOWELL**; **Palmer McDOWELL**; **Lott McDOWELL**; **Jane McDOWELL**; **Angeline McDOWELL**; **Cynthia McDOWELL**; & **Sarah McDOWELL** (my grandmother). **William, Elliott, & Palmer** served in Iowa's 10th Infantry during the Civil War. **Dabo & Susan** are both buried in Boone, IA where they lived the last several years of their lives. I know absolutely nothing about **Susan TERRILL** and her family and would be so happy if you could help me track them down. **Beverly J. Vorpahl**; E2219 - 58th Court; Spokane WA 99223.

GENEALOGY? ASK DAN!

QUESTION: What information do you have available on the various **TERRELL** lines? Is there a data base available for perusal? **PJA CA**

ANSWER: We are a totally volunteer organization. We have neither the resources nor the time to build and maintain a data base containing the huge volume of **TERRELL** (including variants) information that is currently available.

The information we have is published either in our quarterly publication **TERRELL TRAILS**, in the volumes in our **LENDING LIBRARY**, and/or both. We attempt to avoid redundancy in **TRAILS**, but are not always successful.

TRAILS are indexed. There is a permanent index for *Vol I - V*; and a temporary index for *Vol VI*. *Vols VII & VIII* are waiting for indexing. We offer those as extra items when available, but plan to include another permanent index after *Vol X* (1994) and will send it to all who are active (*dues paying*) members at that time.

Back issues of **TRAILS** contain the **Associated Indexing Service** listings for all the **TERRELL** variations found in the Family History Library microfiche of the Church of Jesus Christ of Latter Day Saints, ie, colonial times up through 1860. These listings have proven helpful to some of our members.

We have also published the **TERRELL International Genealogical Index** for Ireland and some of the counties of England.

Unfortunately, there is a great deal of local information including deeds, wills, powers of attorney, etc. that is hidden in numerous local courthouses and has not been made available. Anyone who runs across any of that information is invited to send a copy to: **TERRELL SOCIETY OF AMERICA, INC.** Rt 2 Box 33, Cairo GA. 31728. dfb

QUESTION: Where can I locate a copy of **James Wade EMISON, SUPPLEMENT TO THE EMISON FAMILIES, REVISED** that is mentioned in **MISCELLANEOUS TERRELL NOTES** by **DOSHIER**? **LT AR**

ANSWER: Attempting to locate the above volume is the same as locating any other hard-to-find book.

First, I would try the local library; including the inter-library loan system.

Second, I would try the nearest branch of the Family History Library of the Church of Jesus Christ of Latter Day Saints (Mormon). The local church library can get almost anything archived in the main library in Salt Lake City UT. (*You do not have to be a Mormon to use these services.*)

If there is no local branch library within reasonable distance, I would write directly to:

The Family History Library
35 Northwest Temple St
Salt Lake City UT 84150.

If all the above fail, I would try the **Library of Congress, Washington DC 20540**. This library has a copy of everything that has a registered copyright in the USA. However, if it is copyrighted, they will not send you a copy unless the copyright has expired. They will tell you if they have the volume and you may be able to prevail upon a friend or member of the Society in that area to make a copy for you.

Another possibility is the **DAR Library; 1776 'D' St NW; Washington DC 20006**. I don't know what their policy is regarding making and distributing copies of their collection, but if there is an active copyright, I feel sure you would face the same problem as with the Library of Congress.

16 Oct. 1838 - Amos **TERRILL**, a resident of Plainfield, aged 78, stated he entered the service in March 1781 and served until November or December 1783 when he hired a substitute and returned to Abington, Plymouth County, about 20 miles south of Boston where his father's family resided. He was born in Braintree, Norfolk Co. MA on 14 April 1761 and lived with his father's family in Braintree until about 1785 when he left Abington and moved to Plainfield.

His application was rejected.

JOSEPH BURR TYRRELL

Quoted from Fact Sheet #6, August 1987, Tyrrell Museum of Palaeontology, Alberta, Canada

In the spring of 1884, **Joseph TYRRELL**, leading his first expedition for the Geological Survey of Canada, came to what is now Alberta to study coal seams. During his canoe trip down the Red Deer River into the badlands, he not only found great deposits of workable coal, he found the first dinosaur remains in the Drumheller area.

The large bituminous coal beds attracted entrepreneurs like **Jesse GOUGE** and **Samuel DRUMHELLER** to start mining operations in and around Drumheller in 1911. At the peak of the coal industry in 1948, more than 30 mines operated in the Valley.

The rich dinosaur beds created a rush of palaeontologists eager to claim the finest specimens in the area of major natural history museums throughout the world. Palaeontologist **Barnum BROWN** of the New York Museum of Natural History led the way. **Charles H. STERNBERG** and sons followed. They were hired by the Geological Survey of Canada to claim some fossils for this country. Although the area was rich in dinosaur specimens with plenty for all, a friendly rivalry between **BROWN** and **STERNBERG** kept competition keen. The race for dinosaur fossils was coined the Great Canadian Dinosaur Rush.

Whereas the value of coal declined with the development of oil and natural gas, the value of dinosaur fossils continues to have an impact on Drumheller. Now, a century after **TYRRELL**'s initial discovery, the Red Deer River Valley in Alberta is still recognized as one of the world's foremost collecting areas for fossils.

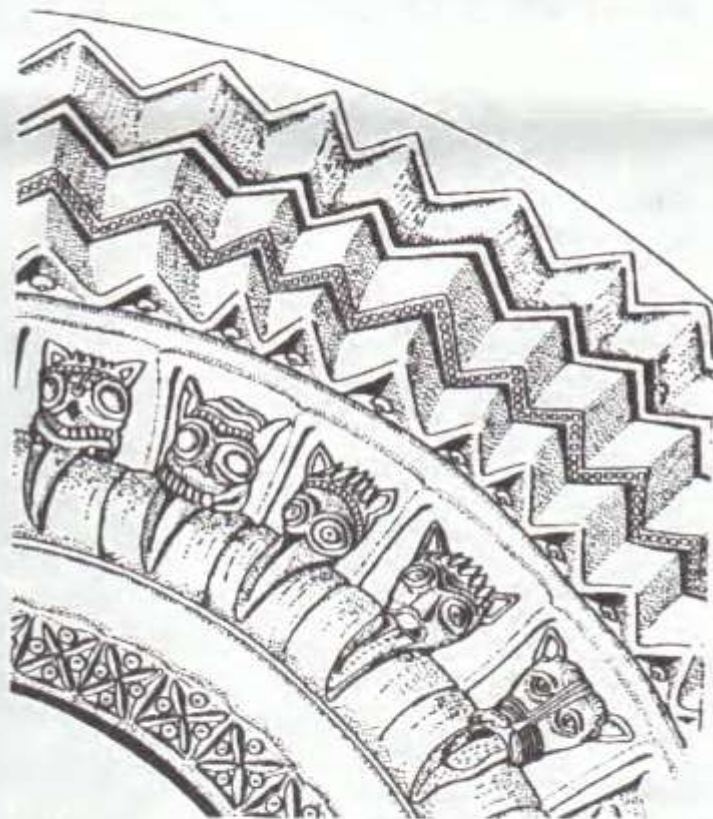

While studying the exposed rocks at Kneehill Creek, **TYRRELL** came face to face with a 70 million year old dinosaur skull, later christened *Albertosaurus*. It was the first example of the genus found anywhere in the world.

Now, a century later, the museum built near that same site honours the discoverer's name.

TYRRELL was not an expert on dinosaurs. Very few people in Canada were at that time. The existence of the huge reptiles had been established by British scientists earlier in 1830. However, **TYRRELL** did realize that the skeleton should be preserved and had the fossil bones loaded onto a buckboard and taken to Fort Calgary. The load was so heavy that the wagon axle broke and several trips were required to cart the specimens out of the valley. The fossils were shipped to Ottawa where the skull was placed in the collections of the Geological Survey of Canada and later transferred to the National Museum.

While on staff with the Geological Survey of Canada, **TYRRELL** explored northern Manitoba and travelled through vast tracts of uncharted land in the Yukon and Northwest Territories.

His trip through the Barren Lands in 1894 was an outstanding feat. Great distances, bitterly cold weather, and limited food were a cruel test for TYRRELL and his seven companions. Their arrival at Fort Churchill, several weeks late, was described in the newspapers as a miracle.

Caught in the excitement of the Klondike gold rush and feeling restricted by the Geological Survey, TYRRELL resigned in 1899 and moved to Dawson City, Yukon Territory, taking his wife and baby daughter with him. He worked as a mining consultant in the north until 1906 when he returned to Ottawa and devoted most of his time to working in the Kirkland Lake gold district.

His pioneering explorations and prominent association with mining activities in Canada make **Joseph Burr TYRRELL** a major figure in the history of the Canadian mineral industry. His achievements were recognized by many awards during his lifetime. A lake and a mountain in Alberta are named after him. Now, the Tyrrell Museum of Palaeontology at Drumheller bears his name, honouring a long and distinguished career and his early connection with Alberta.

In 1957, **Joseph Burr TYRRELL** died at his home in Weston, Ontario, Canada at the age of 99 years.
