Mr. Guy Livingston CLARKE, Jr. was born February 3, 1923 in Richmond, VA. He graduated in 1941 from John Marshall High School there.

He had a short stay in Baltimore MD where he worked in an aircraft factory. He returned to Richmond and in Dec. 1941

began work with the VA dept. of Highways in the Location and Design Division as a draftsman.

In January, 1943, he went on military leave and served three years in the U. S. Army, Corps of Engineers; in an Engineer Combat Battalion; and in an Engineer Construction Battalion. 1993 NEW ENGLAND CONFERENCE

In conjunction with the 360th anniversary of the founding of Windsor CT, the first permanent settlement in CT, a conference will be held at Windsor CT on 22-24 September 1993 to study the "West Country" ancestral heritage of the founding families.

In 1630, a ship called the Mary and John sailed from Plymouth harbor in England carrying approximately 135 West Country Englishmen to their eventual settlement at Dorchester MA. Five years later, a majority of the so-called "Dorchester Company" trekked 110 miles to settle in the CT river valley at what we now know as Windsor, CT which had been established as a trading post on 26 Sept. 1633.

They lost few of the group to the early years and raised their families in the Puritan tradition. History has properly recognized the Mayflower settlers while ignoring those who came aboard the Mary and John only 10 years later. Developments in the past 15 years have increased interest in these unsung pioneers and this conference is a culmination of those efforts.

Those presenting include an impressive list of historians, archivists, designers, and genealogical organizers from both England and the USA.

You will recall that Daniel TURRELL, featured in our last winter issue was one of the "West Country" immigrants. Family surname associations include: CLAP, COOKE, DENSLOW, DRAKE, EGGLESTON, FORD, FYLER, GALLOP, GAYLORD, GILLETT, GRANT, HILL, HOLCOMBE, HULL, LUDLOW, MAVERICK, NEWBERRY, PHELPS, PINNEY, ROCKWELL, ROSSITER, STOUGHTON, STRONG, TERRY, WARHAM, WAY, AND WOLCOTT.

If you have roots in the "West Country" of England, New England, or in any of the above named families this conference will be of special interest to you. The public is invited to attend the conference, hear the speakers, and meet the representatives of many family associations originating with the "Mary and John Families," to share their own knowledge, and to learn from others.

To be on the mailing list for information and registration, send your NAME, ADDRESS, CITY, STATE, ZIP to: Mr. Don Bergquist; 1630 Worldwide Mary and John Conference; C/O Family Society Tours, Ltd; 24 Murray St; Norwalk CT 06856; ph. 203-846-8486.

TERRELL/TYLER LINE

From pages of a TYLER GENEALOGY pages 237-239: exact title of publication does not appear on the pages sent.

Submitted by #269 Mrs. Millie E. WRIGHT; P O BOx 427; Merlin OR 97532.

William TYLER, son of Richard TYLER, moved to Caroline Co. VA as is proven by an entry in the records of Essex Co., February 3, 1749, which recites that "William TYLER, of Caroline County," has bargained and sold to Joseph DUNN one hundred acres of land lying in South Farnham Parish, Essex County. The land is described as adjoining that of John TYLER and "as being the place on which James BROUGHAN now lives." The land sold was undoubtedly part of that which William TYLER inherited from his father, Richard TYLER. (See Letters and Times of the Tylers, Vol III, 226) William TYLER is the ancestor of all members of this particular family bearing the TYLER name, as his brothers, Richard and John, left no sons. William died in Caroline Co. VA in 1767, and must have been the father of: (1) William TYLER of Caroline Co. who was administrator of his estate, and of (2) Richard TYLER, of Caroline Co., who with his wife, Catherine, made a deed in 1784 for 200 acres in Spotsylvania Co. (Caroline & Spotsylvania County Records, Letters and Times of the Tylers, Vol III.) He also had (3) a daughter who m. Henry TERRELL (b. 01/29/1735), moved to KY in 1787, and d.

in 1811. (Quarterly, XVI., 287) In Caroline Co. VA records the will of Catherine TYLER, wife of Richard TYLER above, was probated 08/12/1816, and she mentions legatees, kinsman Richard Keeling TYLER, George TYLER, Nancy HEWLETT, Kemp GATEWOOD, Kemp EVANS; nieces Kitty MIKEL-BOROUGH, Dorothy and Mary EVANS; sisters Jane and Lucy COLE, sister Frances SMITH, brother Philemon GATEWOOD, kinsmen George TERRELL and Charles TERRELL. Richard Keeling TYLER and Philip REDD executors.

George TYLER (1755-01/17/1833), son of (1) William TYLER above, and his brother, John TYLER, were recommended by the court of Caroline Co. to the Governor for commission respectively as second lieutenant and ensign in Capt. Roger QUARLES' Company of Militia. He was known as Capt. TYLER and resided at "River Bend" in Spotsylvania. In the Richmond Enquirer is the following notice: "Another Revolutionary officer, on Friday, 18th January, 1833, Captain George TYLER, died at his residence in Spotsylvania County aged seventy-eight years. He married in early life and raised eleven children." In 1884, Hon. George TYLER, who represented Caroline in the Legislature in 1861 wrote to the compiler of this account that his great-grandfather (William TYLER) lived and died in Caroline. He had three sons, who, during the Revolution organized and equipped a company and were the captains, first, and second lieutenants of it. Captain George TYLER, his grandfather, commanded a regiment at Yorktown as colonel. though not commissioned as such. He added: "I am the oldest representative of the name in this section, and trust that a name so identified with the history of the county is not destined to die out or even be diminished in the coming century. I live near Woodford in an old continental brick house about 130 years old, furnished in old English style." Letters and Times of the Tylers, Vol I p. 50) In the Spotsylvania County Order Book, 1829-1832, proof is recorded of George TYLER, "an active and efficient officer of the Revolution who died January 17, 1833."

Captain George TYLER m. Judith TERRELL and had eleven children who are as follows:

- (a) William TYLER m. Jane SCOTT, moved to MO and died in St. Louis County. He had a son William Scott TYLER whose widow married second Joseph A. WHERRY and lived at 308 Benton Ave Marshall MO.
- (b) Elizabeth TYLER, m. Jordan PLEASANTS of Henrico Co.
- (c) Richard TYLER m. Miss HERNDON. (d) Judith TYLER m. Robert GOODWIN.
- (c) Sarah TYLER m. a HERNDON and went to KY.
- (f) Kitty TYLER m. Dr. DURRETT of Richmond Co. VA.
- (g) Nancy TYLER m. STEVENS, went to MO and her daughter m. her cousin, Henry TYLER, and lived in Saline Co. MO.
- (h) George TYLER m. a DURETT of Richmond Co. VA
- (i) Henry TYLER
- (j) John TYLER, father of the late Major Joseph TYLER of Bluefield WV and George TYLER of Waco TX.
- (k) Thomas TYLER who d. unmarried at an advanced age.

TERRELL/SCOTT LINE

Submitted by #269 Mrs. Millie E. WRIGHT; P O Box 427; Merlin OR 97532. Apparently from a SCOTT Family history, but title of publication was not on the pages submitted. Note cited references in text.

John SCOTT, son of Johnny & Mary HACKETT SCOTT, b. 07/18/1760 at "Scotland" another house on his father's plantation, was commissioned an ensign 1779 and a lieutenant in 1780 [Scott's HISTORY of ORANGE COUNTY p. 261-2]. He also served as a justice of the county court after the Revolution. He married in 1793, according to family records, Sarah TERRELL of Caroline Co. VA, daughter of Charles TERRELL and his wife Anne TYLER of the family from whom Gov. J. Hoge TYLER was descended. Sarah TERRELL is said also from family records to have been born in 1762 (this is an error, probably it was 1772. Her father was not born until 1748 so her birth in 1762 is impossible. See 14T59, 127), to have died April 6, 1836 at "Clifton" and to have been buried there.

The children of John and Sarah TERRELL SCOTT were:

- 1. John SCOTT, later of Edgefield
- 2. Charles SCOTT
- 3. Jane SCOTT
- 4. Sarah Ann SCOTT
- 5. Mary SCOTT, &
- 6. Garrett SCOTT of "Clifton."

If John SCOTT left a will, no record of it can be found nor does a careful and diligent search disclose any division or partition of his estate among his heirs. He d. Sept 1, 1809 and is believed to have been buried in the family graveyard at 'Clifton."

1. John SCOTT, of Edgefield, oldest son of John and Sarah TERRELL SCOTT, was born according to W. W. SCOTT's Bible, at "Scotland" on Feb. 8, 1796. He married on April 10, 1822 (Orange Co. Records, Marriage Register 1, p. 107), Anne COWHERD (01/25/1799-05/18/1870), the daughter of Colby COWHERD and his wife Tabitha TWYMAN. William COWHERD was bondsman and the witnesses for the marriage were Eliza COWHERD, William COWHERD, & P. S. FRY. John SCOTT is said to have been in easy and comfortable circumstances according to the standards of his day. Shortly before the Civil War when the congregation abandoned its old building nearer Orange, he contributed most of the money for the erection of the New Zion church opposite "Toddsberth."

The children of John and Anne COWHERD SCOTT were: William Cowherd SCOTT; John Wickliffe SCOTT; Ann Eliza SCOTT; Marcia Pleasants SCOTT; and Edward Livingston SCOTT. It may be noted that this is the first time in the Orange County branch that the name John was not given to the oldest son. John died testate March 1, 1871, and was buried at "Edgefield," but many years later, his remains and those of other members of his family were disinterred and placed in Hollywood Cemetery, Richmond VA. In his will (Orange Co. Records, Will Book 13 p 282) provided for his wife Anne, his four surviving children, and made his daughter Marcia P. SCOTT executrix. It is said that into her hands came most of the family papers which John as eldest son had possessed, and that for some unaccountable reason she destroyed them. John SCOTT is said by those who remember him to have been a cultured and courtly gentleman, typical of that gracious and leisurely period "before the War."

Of the five children children of John and Anne COWHERD SCOTT, Edward Livingston SCOTT, the youngest, was born Oct. 15, 1835, died unmarried of typhoid fever Dec. 10, 1855.

Marcia Pleasants SCOTT, the second daughter was born at "Edgefield" July 10, 1830, died Oct. 2, 1912. On June 27, 1871, she m. Rev. Abraham Muir POINDEXTER. There were no children by this marriage. She is buried in Hollywood Cemetery in Richmond, VA.

Ann Eliza SCOTT, the older daughter was born at "Edgefield" Sept 27, 1827, and died in Culpeper Co. March 3, 1905. On Oct. 16, 1855, she m. Joel GARNETT of Culpeper. The only child of this union, Marcia Livingstone GARNETT, died unmarried Jan 28, 1887.

John Wicliffe SCOTT, second son of John and Anne COWHERD SCOTT, m. on Jan 29, 1856, Sally F. HACKLEY. In the Register his age is given as 28 and hers as 25 years. Sally HACKLEY was from FL, though her people seem to have been originally from VA. The following children were born of this union: Percy SCOTT; Pembroke SCOTT; Mary Strachan SCOTT; all three of whom died in infancy, and Imogene SCOTT who died unmarried in 1876 at the age of 19 years. John Wicliffe SCOTT and his wife lived at "Mountain View" in Orange Co, and together with their children are buried in the garden there. What remains of this property was purchased in 1900 by Dr. Jesse WRIGHT.

William Cowherd SCOTT, oldest child of John and Anne COWHERD SCOTT, and the only one who had surviving descendants, was born at "Edgefield" Aug 13,1826, and died Dec. 15, 1909. On Jan. 10, 1850, he m. Pamelia Augusta GRAVES, dau. of Charles Tandy GRAVES by his first wife Ann Rogers WEBB. The witnesses were L. F. GRAVES, P. S. FRY, and W. C. GRAVES who was also bondsman.

At the outbreak of hostilities in 1861, he entered the Confederate Army as captain of the Gordonsville Grays, Company C, 13th VA Infantry. In 1863, his entire family being seriously ill

with scarlet fever, he resigned his commission and returned home. Within a month, he again joined the army with HENSHAW's Battery and rose to the rank of captain. He was in a majority of the important battles of the war and at its close held lithe rank of Major, Chief Quarter Master of Artillery of 3rd Corps Northern Army of VA. Major SCOTT's home was "Waverly" Orange County, about five miles from the town of Orange. He sold this some years before his death and moved to Gordonsville. He is buried there in Maplewood Cemetery beside his wife. They had 10 children.

I. William Crittenden SCOTT, oldest child of William Cowherd and Pamelia Augusta GRAVES SCOTT, was born on Oct. 15, 1852 at "Waverly" and died at "Edgefield." On May 23, 1876, he married Susan Emma COWHERD, born April 10, 1856, at "Hay Farm," daughter of Edwin Festus COWHERD and his wife Susan LATHAM. His early life was spent in Orange County but he later moved to Charlotte NC, only returning to his native county a few years before his death. Children:

On a visit to VA in the summer of 1835, he died suddenly. Sarah Ann accompanied by her brother Garrett SCOTT returned to the home she and her husband had built in KY. There were three children of this marriage:

HENSHAW [when this family history was written, about 1938];

BARBOUR of that branch of the family that moved to Jefferson Co. KY. From this marriage there are, among other descendants, a grandson Philip Barbour STOVIN and granddaughters Fannie BARBOUR Morton, wife of Jackson MORTON and Marguerite Barbour HOBSON Scott, wife of Paul H. SCOTT. The descendants of Fannie NEWMAN and Philip BARBOUR trace their descent through their mother from Jane TODD, wife of the first John SCOTT, and from Sarah TODD, second wife of James BARBOUR through their father. Other descendants of James NEWMAN of "Hilton" and Mary SCOTT his wife now [about 1938] living in Orange are their grandchildren, Herbert S. NEWMAN of "Hilton," Mrs. Barton H. CAMERON, & Mrs. A. Barclay TALIAFERRO, who are children of their son Reuben Manning NEWMAN and his wife Kate Randolph TAYLOR.
- Garrett SCOTT, youngest son of John and Sarah TERRELL. SCOTT, was b. April 9, 1808. He m. Feb 14, 1839, Sarah Elenora NALLE, b. Dec. 1, 1812, daughter of Martin NALLE of Culpeper and his first wife Nelly Madison BARBOUR. Nelly BAR-BOUR, sister of Gov. James BARBOUR and of Judge Philip Pendleton BARBOUR, was granddaughter of James BAR-BOUR and Sarah TODD, Sarah Elenora NALLE was therefore great-granddaughter of Sarah TODD, and Garrett SCOTT the great-grandson of Jane TODD. Garrett spent his entire life at his home "Clifton" in Orange Co. and was known as Col. SCOTT by reason of a commission under the old militia system. He appears to have taken a more active part in the public affairs of the county than either of his brothers. For some 75 years he was the presiding justice of the county court; or, from the creation of that office until Feb. 22, 1869, at which time the carpet baggers then in control of the county required all office holders to take "the iron-clad oath." Refusing to do this, he was automatically debarred from continuing as justice. After the state was read-

mitted to the Union in 1870, each county under the new constitution had to be divided into townships; to perform this duty, the governor appointed Garrett SCOTT, R. L. GORDON, Ferdinand JONES, & Wm. F. BROOKING. This appears to have been his last public service. He is said to have been a man of great personal magnetism and extremely popular in the county. He d. 02/24/1885 at "Spring Forest" the home of his son Edmund W. SCOTT and was buried in the graveyard at "Clifton."

Garrett & Sarah Elenora NALLE SCOTT (she d. 1877) had eleven children as follows:

- Frances Cornelia SCOTTb. 12/03/1831 at "Clifton," d. unmarried 01/30/1862.
- Geo. Tyler SCOTT b. 04/30/1833, died of typhoid fever while attending the University of VA 02/28/1852.
- Nelly Barbour SCOTT b. 07/09/1835 d. unmarried 04//1921. Grown to womanhood in that golden period "before the war" and steeped in the culture and tradition of her native South, she was the finest example of a type that has all but passed away. She was above the average height, stately, erect, and possessed a rare intellect, personal charm, and exceptional conversational ability. In the art of letter-writing, she was no less accomplished throughout her long life her happy faculty in this mode of self-expression was an unending source of pleasure to her many friends and relatives, it was by reason of her deep interest in her family and its numerous branches, and by her ability and willingness to write letters that she became the link, so to speak, in the ever growing chain that so loosely bound them and which at her passing was to be broken beyond the possibility of repair. She lived a full life, and tho at the last, old and broken in body, her mind and spirit remained undimmed, and she passed to the life beyond with a serene confidence builded on the foundation of a life well spent. She was laid to rest among the departed generations of her ancestors in the old graveyard at "Clifton" at the foot of the little mountains which she loved at all seasons, but best in the springtime when the redbud trimmed its edges with crimson, and the dogwood shone white thru its early mantle of green. She was the last of her name to be buried in the ivy-covered half-acre set aside by her ancestor, John, as "Clifton" was within a few years to pass into alien hands.
- James Martin SCOTT, brother of Nelly, b. 03/11/1837 at "Clifton" d. 10/13/1904 and is buried in Graham Cemetery, Orange VA. On 02/10/1870, he was m. by Rev. I. W. K. HANDY to Catherine GRAVES, dau. of Charles Tandy GRAVES by his second wife Susan CAMPBELL. In his childhood a mistake was made in giving him a dose of medicine which resulted in such serious injury to his digestive organs that for many years he was practically an invalid and, in fact, never fully recovered, tho he lived a fairly long life. He spent his entire life in Orange Co. in the neighborhood where he was born and despite the fact that he was unable to perform any manual labor, he successfully supervised the operation of his farm. He was considered a man of the highest integrity and of fine judgement, his advice was sought and valued by many. George Woodson SCOTT, his only child, was born at "Milford," the home of his mother in Orange Co. and d. 05//1901. On 07/03/1895, he m. in Richmond VA, Etta

LECKY, b. in Augusta Co. 09/26/1870. He attended Locust Dale Academy in Madison Co. and the Medical College of VA from which he graduated in 1895. He practiced his profession until the time of his death in his native county. George W. & Etta LECKY SCOTT had two children: Paul Hamilton SCOTT (07/20/1896--08/30/1938) and Katherine C. SCOTT who m. in 1934 John W. McGAVOCK of Wytheville. Paul H. SCOTT, author of this article, attended McGuire's School in Richmond, and Hampden-Sidney College. On 03/14/1936 he was appointed to fill the unexpired term of the late J. William BROWNING as clerk of the Circuit Court County of Orange. He held the office until his death. He was a capable and beloved officer. He married 08/28/1918, Marguerite Barbour HOBSON who with two daughters, Pauline SCOTT and Barbour SCOTT survived him. For this article, the fruit of much time and effort, his kinspeople owe him a debt of thanks.

- 5. Philip Henshaw SCOTT b. 07/06/1839 d. unmarried 08/05/1871. At the outbreak of hostilities in 1861, he enlisted in the Montpelier Guard, Company A, 13th VA Infantry. At the battle of Winchester, 09/20/1864, he was so severly wounded that his leg had to be amputated near the hip. The surgeon performing the operation had to leave him on the operating table to avoid capture himself. (Scott's HISTORY of ORANGE COUNTY pp 219-220)

After the war, he entered the field of law and practiced his chosen profession for years. In 1894 he became State Librarian of VA, resigning after 10 years to accept the appointement of State Law Librarian, which he held up until his death. He was an authority on matters touching his native county and state, and in 1907 published a history of Orange County, which for its accuracy, breadth of treatment, and excellence of expression is regarded as one of the standard VA historical works. Some years before his death, by his tircless efforts he succeeded in securing donations of portraits of distinguished citizens of the county and state to be hung on the walls of the courtroom. These included Alexander SPOTSWOOD, James MADISON, Zachary TAYLOR, James BARBOUR, Philip BARBOUR, Lewis Burwell WILLIAMS, Fitzhugh GORDON, R. E. LEE, & Robert COL-

GENEALOGY? ASK DAN!

- Q. I am hesitant to make my genealogy public because of some illigimacies and other "skeletons in the closet." How can I handle this? Name withheld
- A. First, there is no such thing as an illigitimate child. There may have been some illigitimate parents, but there never was and

never will be an illigitimate child. Children have no control over their conception.

Marriage is a commitment between a man and a woman before God. Whether that commitment was made before a congregation of 2,000 and chisled in stone, or whispered in private without witnesses or clergy makes little difference. In the past, court houses and ministers were few and far between. It was not unusual for a couple to set up housekeeping without formal vows and a recorded marriage.

Courthouse fires have destroyed many of the formal marriage records of this country. The fact that you did not find a marriage record does not necessarily prove that none ever existed.

You did not say whether the 'illigitimacies' you are concerned about exist in the present, or whether they existed in past generations.

It would be an invasion of privacy to publish birth and marriage dates of any living person whose parents were not married at the time of the birth. Fortunately, a family history is not compiled in a court of law. You are not bound by oath to tell the truth, the whole truth, and nothing but the truth. It is easy to conveniently omit embarassing details without resorting to fabrication.

If you have grandchildren, for example, whose parents were not married and you wish to publish the birth dates of those grandchildren, simply omit the marriage date (if any) for the parents and let the readers assume that they married before the first child was born.

If the person is deceased, you are at liberty to tell as much as you feel you need to reveal. I see no reason to be embarassed by the actions of ancestors. Personally, I would be thankful that he was where he was so that I can be where I am.

Most genealogists are more interested in reporting true facts than in enhancing the lives and reputations of their ancestors. Most talk feely about the bad as well as the good deeds of their necestors.

It is possible to 'gloss-over' other incidents that would embarass you without fabrication. Since you did not say what the other "skeletons in the closet" are, I'll give two general examples.

An ancestor who was hung for stealing horses might be written up as, "died during a public ceremony when the plaform on which he was standing collapsed."

Deaths from gunshot wounds have been glossed over as: "lead poisioning," "excessive exposure to the elements," and in at least one case of suicide as, "died of depression" with no additional details given.

Your family history is yours. You are free to write it in any manner that you can be confortable with as long as you do not reveal embarassing facts about living persons. Although I hope you will opt for truth, you need not keep your family in the closet because of a few incidents that would embarass you if they were current events, dfb

Someone had written me that the TERRELL family line did not continue to be eligible for the National Society Magna Charta Dames—this was incorrect as of winter 1988, I received my membership at that time. I am applying for membership in National Society of Colonial Dames Seventeenth Century on Richmond TERRELL. If anyone is interested in these organizations, I will be glad to share my info. Hopefully, I will have a break through on how Nicey TERRELL received the middle name Lynch and how she might connect to the LYNCH line.
