handling.**

Should we send the rejected materials there or solicit donations to send an additional collection to San Antonio.

This suggestion will require some research to determine whether enough such sites still exist.

Please let Pat Walker know your desires as soon as possible.

We need to know your desires.

ARE NATIONAL REUNIONS OBSOLETE?

Would you attend a national reunion at either of these sites? If not, is there another site where you would attend?

It has been suggested that we abandon national reunions for the Society and encourage individual members to hold reunions for their immediate lines by publicizing the events in TRAILS and possibly by officers attending these gatherings whenever possible.

Please write Pat Walker at the above address and let us know how you feel on this issue.

The reason for this suggestion has been the limited participation at previous gatherings. We have not had more than 150 attend any national gathering sponsored by the SOCIETY. At least 95% of those attending lived within 50 miles of the chosen site.

MEMBER'S GENEALOGICAL CHART

Obviously we cannot find a site that is within 50 miles of each member's home.

THE FAMILY AND DESCENDANTS OF OLIVER AND PATTY ANN (WAIT) LAWRENCE

- THE LINE OF PATTY ANN (LAWRENCE) TERRELL -

Patty Ann Lawrence, daughter of Oliver and Patty Ann (Wait) Lawrence, was born in New York state -- probably at or near Seneselaerville, Albany Co., NY, where her parents lived from about 1780 until 1817 when they moved to Pennsylvania. At this time we have no precise birthdate for Patty, so we cannot be sure exactly where she fit, age-wise, in the line-up of her siblings. We would assume that she was probably of the approximate same age as her husband, so was probably born about 1798. Her real name was likely Martha, as "Patty" was generally a nickname for Martha in that era. Probably about 1825, in Crawford Co., Pa., she married Charles Terrell who was born (?) June 1798 at _____, N.J., a son of _____ and _____.

Patty died sometime between 1822 and 1848, by which time Charles had married, second, to Frances _____ who was born _____ 1814/1816 in N.J. (Patty (Lawrence) Terrell was buried in the Lawrence Family Burying Ground (sometimes referred to as the Alexander Cemetery), Summerhill Twp., Crawford Co., Pa. Her grave is unmarked today (if ever it was marked). The cemetery is overgrown with weeds and brush and only a few legible fragments of gravestones remain. Sometime between the censuses of 1850 and 1860 Charles and Frances and their young son, Baron DeKalb Terrell, moved from Pennsylvania to Crawford County, Indiana, where they settled near the community of Leavenworth. The four children born to Charles and Patty stayed behind in Pennsylvania, although their only son, Perry G., did later move to Crawford Co., Ind., as well. A daughter, Athalia, was also later born to Charles and Frances in Indiana. Charles died near Leavenworth, Ind., 5 Oct 1877 and his wife, Frances, died _____ 18 ____ (or 190 ____?), probably also in Crawford Co., Ind. They are buried in the _____ cemetery near Leavenworth, Ind.

Issue of Charles and Patty Ann (Lawrence) Terrell:

1. Phoebe Ann Terrell, born 3 Feb 1826
 2. Alma M. Terrell, born 3 Feb 1831
 3. Perry G. Terrell, born 24 Feb 1836
 4. Philetta Terrell, born _____ 1842
- Issue of Charles and Frances (_____) Terrell:
5. Baron DeKalb Terrell, born _____ 1848
 6. Athalia Terrell, born _____ July or Aug 1860

Phoebe Ann Terrell, daughter of Charles and Patty Ann (Lawrence) Terrell, was born 3 Feb 1826 in Crawford Co., Pa. On 6 Oct 1852 she became the second wife of Cornelius Lawson Rushmore who was born 20 Aug 1817 in Albany Co., N.Y., a son of John and Rachel (Lawson) Rushmore. They had at least 3 children that are known of at this time -- perhaps more. Phoebe's husband, Cornelius L. Rushmore, had been previously married to her first cousin, Martha Ann Lawson, and information on that marriage is included in the section on the descendants of Cornelius and Caroline (Lawrence) Lawson. Phoebe died 1 Dec 1888, probably in Conneautville, Crawford County. Cornelius died 21 Feb 1900 at the home of his son-in-law, James E. Rupert, in Conneautville. The occupation of Cornelius is given as a lumberman on the 1850 census and as grocer on the 1860 census. Issue of Cornelius Lawson and Phoebe Ann (Terrell) Rushmore:

1. Frank M. Rushmore, born _____ 1853
2. Adella A. Rushmore, born _____ 1855
3. Charles D. Rushmore, born _____ 22N 1858

Alma M. Terrell, daughter of Charles and Patty Ann (Lawrence) Terrell, was born _____ 1831 (age 19 on 1850 census), in Crawford County, Pa. On 17 Feb 1860 at Conneautville, Crawford Co., she was married to Andrew J. Mason who was born in New York state in 1831. He was employed as a printer at the time of both the 1850 and 1860 censuses, working for G. W. Brown, a publisher in Conneautville. He had been previously married 17 Feb 1854 to one Sarah Litchfield who died 18 Mar 1859 at Conneautville. Andrew Mason served with the rank of Captain in Pennsylvania's 145th Regiment of Volunteers, Co. "H", during the Civil War and died 12 Jan 1863 at Douglass Hospital, Washington, D.C., of wounds incurred in the Battle of Fredericksburg in Virginia. Alma died 31 Aug 1915 at Conneautville. Andrew J. and Sarah (Litchfield) Mason had a son, Willie L. Mason, born 9 Apr 1855 at Conneautville, Pa. who resided at Kirkwood, Pa. in 1899.

Issue of Andrew J. and Alma M. (Terrell) Mason:

1. Edwin T. Mason, born 6 Nov 1860
2. Ernest C. Mason, born 6 Nov 1860

Perry G. Terrell, son of Charles and Patty Ann (Lawrence) Terrell, was born 24 Feb 1836 in Crawford Co., Pa. He never married and was enumerated on the 1860 census in Conneautville, Crawford Co., Pa., as a clerk. Sometime later he moved to Crawford Co., Ind., to be near his parents. On the 1900 census he is enumerated as a farmer, boarding in the home of James W. and Verille Galbraith. Perry died 12 June 1903 at Beechwood, Crawford Co., Ind., and the papers concerning the administration of his estate name these persons as his heirs: Frank M. Rushmore, Letta T. Rushmore, Charles D. Rushmore, Adella Rupert, Alma M. Mason, and Athalia L. Mason. They are identified simply as "his sisters and their heirs".

Philetta Terrell, daughter of Charles and Patty Ann (Lawrence) Terrell, was born _____ 1842 (age 8 on 1850 census), in Crawford Co., Pa. By the time of the 1860 census she would seem to have been 16 years of age, but she is not enumerated that year in the home of her parents in Crawford Co., Ind. In the 1903/04 papers concerning the administration of the estate of her brother, Perry, she is identified as Letta T. Rushmore of Cherryvale, Kansas. From this, we conclude that she married a Rushmore, but it is not yet determined exactly who she married or anything further about her family or descendants.

Baron DeKalb Terrell, son of Charles and Frances (_____) Terrell, was born _____ 1848 (age 2 on 1850 census), in Crawford Co., Pa. He was again enumerated in their household on the 1860 census in Crawford Co., Ind., then aged 12, but must have died sometime between that census and the time of his father's death in October 1877, for he is not named as an heir in the estate papers concerning the death of his father.

Athalia Terrell, daughter of Charles and Frances (_____) Terrell, was born _____ July or Aug 1860 in Crawford Co., Indiana, where she seems to be enumerated in the family's household on the 1860 census as a still nameless 1-month-old female child, the home being enumerated on August 10th of that year. She is named in the 1877 estate papers of her father as "an infant child under the age of 21" and in papers concerning her brother, Perry G. Terrell's, 1903 estate as Athalia Mason of Laurens County, Ga., indicating that she had married a man surnamed Mason. Nothing further is known of her.
