## INDEXING CHANGES

This is the second year that we have had to put out one or more shorter issues to compensate for large updated accumulative indexes to *TRAILS*. The cost of printing the 62 page index to *TRAILS* this year will exceed \$600.00, not to mention the additional postage to mail it. We hope we will not be forced to put out any "minimum" 4 page issues, but only time will tell.

I will continue to prepare an index data base each

year. Beginning in 1991, each new data base will be merged with the existing index, still creating an accumulative index.

One copy of the index data base will be made each year, but will not be published in *TRAILS*.

Instead, the index and/or portions of it will be made available on request to anyone willing to pay the cost of copying and mailing the material to them.

An announcement will be made in *TRAILS* when an index is available and the cost of the entire index. If portions are offered, TERRELL surname for example, the cost of that portion will also be stated. If the index is available on a per page basis, cost for first page and successive pages will be stated. One possibility is \$1.00 for the first page and \$0.25 for each additional page of the same order. These details will have to be worked out and will depend upon costs at that time.

At the end of the next 5 years, ie, Vol X, another large index will be prepared covering pages 489 and up.

This will make it possible for us to provide you with more information per publishing dollar.

Address all correspondence to Mrs. Pat Terrell Walker, 7701 Park Vista Circle; Charlotte, NC 28226; Ph.704-541-1857 for routing to the proper

notation on renewal forms that extra issues are \$10.00 per year.

Some members want more than one issue of *TRAILS*. The reason for this may be to have a complete set to give or pass on to each child, grandchild, etc.; for an elderly relative who can't or won't subscribe but loves to read about the TERRELL family history; or for a nearby library as a charitable contribution. We have had members who received as many as 4 copies of each issue of *TRAILS*.

Since it is to our advantage to have as many copies of *TRAILS* in circulation as possible, we offer a \$2.00 discount on additional copies mailed to the same address just as we offer gift subscriptions/memberships for \$10.00.

When one gives a gift membership/subscription to a non-member, it saves us the cost of locating and interesting that new member. In fact, if each member would give a gift subscription to a TERRELL relative or recruit just one new member each year, our membership would double this year.

With our present rate of deaths and drop-outs, we would have a membership in the thousands in only 3-4 years. As it stands, we have been in operation 5 years and our membership total is under 350; our active membership is about 200 plus 50 or so archives

and libraries who receive complimentary copies for publicity purposes.

## DESCENDENTS OF ROGER TERRILL CORRESPONDENCE SOCIETY MOVED

We have received information that Nancy Terrill Theodore has moved to 743 Tulip Lane; Rockford, IL 61107.

If you are descended from Roger TERRILL and Abigail UFFORD of Milford, you owe it to yourself to correspond with this Society.

## CORRECTION

Thanks to #334, Karen TERRELL for advising us that Liberty Churchyard is in Jackson County, not Lawrence County, IN as we had previously indicated.

I apologize for any inconvenience this has caused any of our members.

## LENDING LIBRARY GOES TO KENTUCKY

Thanks to the generosity of #129 Mr. Robert Steely TERRELL, a complete copy of the Lending Library is being prepared for shipment to Mrs. Cathy Jody,

librarian, at the Corbin Public Library; E. Center St; Corbin KY 40701.

The cost of placing this collection is \$350.00.

Mr. Terrell's father, **Steely TERRELL**, was mayor of Corbin in the late 1950's. His daughter, **Linda TERRELL Tate** is a school teacher there.

Even though Mr. R. S. TERRELL has lived in Michigan for years, he has continued to be involved in various civic projects in the community where he was born and reared.

The officers of the Society join together in thanking Mr. TERRELL for his generosity in placing an entire set of TERRELL books in KY. We know our members in that area will appreciate the convenience of having this collection in their area.

## OBITUARIES

### MRS. INEZ CHRISTIAN TERRILL

## DOSHIER

We regret to inform you that we have received information from The First National Bank of Amarillo, TX, that our esteemed member, Mrs. **Inez Christian TERRILL Doshier** passed away 09/19/1989.

The bank had been appointed by the Potter County Texas Court as Independent Executor of her estate. **Ron MILLER**, trust officer, sent us a request on 12/07/1989 to remove her name from our mailing list. No further information was included. Perhaps some of our members from that area can provide us with more information.

We are deeply indebted to Inez for sharing 6 books of the **LENDING LIBRARY** with us. Fortunately, that information is now distributed to enough libraries to insure that it will not be lost to future generations.

She was a **TERRILL** genealogist at heart and we will certainly miss her.

### #301 MRS. MARGUERITE SPARAGUE LEDDEN

We have been informed by member #302, **Marian Crowell**, that her mother, Mrs. **Maguerite S. Ledden** of Kalamazoo, MI, passed away 01/03/1990 at Bronson Methodist Hospital. Mrs. Ledden was born in Clinton, IL on May 23, 1891, the daughter of **John and Capitola TERRELL SPARAGUE**. She was a member of the Winchell Avenue Christian Church, DAR, past-president of the 20th Century Club, and OES Loyalty Chapter #497. She had previously been employed as a bookkeeper by the Kalamazoo Gazette. On October 9, 1917, she married **James Melvin LEDDEN** who preceded her in death on July 28, 1938. She was also preceded in death by a son, **James Thomas Ledden** on July 17, 1973. Surviving are her daughter, Mrs. **F. Richard (Marian) CROWELL** of Cupertino, CA; five grandchildren; several nieces and nephews. Rev. **Todd DRISKILL** of Winchell Avenue Christian Church officiated. Interment was in Riverside Cemetery. In lieu of flowers, the family requested that contributions in her memory be made to the American Cancer Society, or to the charity of one's choice.

Although Mrs. Ledden joined us in her twilight years, she had a deep love for her **TERRELL** ancestry and we are blessed for having been privileged to count her among our membership.

### TERRELL BOOK GOES TO TERRELL, TX LIBRARY

We have been informed that the public library in Terrell TX does not have any books on the TERRELL families.

As a good will gesture, a copy of *THE TERRELLS - EIGHTY FIVE YEARS TEXAS FROM INDIANS TO ATOMIC BOMB* by Hon. C. V. TERRELL has been donated to the library.

If this book creates a demand by the patrons, other books have been offered as part of the LENDING LIBRARY DISTRIBUTION PROGRAM.

## QUERIES

We have had questions regarding ground rules for submitting queries and whether queries are accepted for surnames other than TERRELL VARIATIONS. Rules state that each member is entitled to up to two (2) free queries per year, limited to 50 words each. No restriction has been placed on surnames. It was assumed that since this is a TERRELL publication, the interest would be mainly in persons connected to those lines. However, if you wish to use one or both of your free queries for other lines, we will publish any query submitted.

Queries have been so few to this point, we that are not strictly enforcing either the 50 word or the 2 per year limits. As long as none of you abuse the privilege and turn TRAILS into a queries only publication, we probably will not enforce those limits.

Queries are the best yardstick we have for reader interest; therefore, we want to encourage rather than to restrict them. TRAILS is your publication — get the most from it that you can.
