We have lost a close friend as well as a relative. I know you will join the officers in extended heart-felt sympathies to her family. If you want to send a personal note: **Herbert Wilkerson; 505 East Park; Palestine TX 75801**

### NEW V-P NEEDED

There have been no nominations for vice-president. Don't be bashful folks; step up and join us in serving your fellow TERRELL descendants.

### NEW E-MAIL ADDRESS

The Society now has an additional e-mail address.

**terrell@mail.CairoNet.com**

Our connection at the Cairo library has been flaky at best and inaccessible at worst since the system was installed. However, we will continue to maintain that address for at least one more year because it has been so widely distributed and we don't want anyone to fail to contact us.

It was necessary to upgrade to Windows 95 and to upgrade our modem in order to get this connection. The transition

made it impossible for me to check e-mail at the library for about a month and a half but we hope all the "bugs" are eliminated now.

## TERRELL SOCIETY WEB SITE

The main reason for obtaining the above internet connection is to have a test connection for a TERRELL SOCIETY WEB PAGE. The folks are local, so I can tap a shoulder for help if I need it (and can get into town during normal business hours). With my inexperience, I feel this will serve us better than a page on some remote server. I don't know how soon this page will be operational because it depends upon the time I have at home to put it together. I don't have the full address yet, but I am shooting for:

**<http://www.CairoNet.com/TERRELL/INDEX.HTM>**

Check occasionally to see if the page is operational and if so, send me your comments.

## LIBRARY TO E-TEXT

The Society has a long range goal to provide as much data as possible in e-text format. In the past we have been handicapped by lack of both computers and computer literate members.

## TERRELL TRAILS

From the long list of members with internet connections in the last issue, it appears that this tide is shifting.

The Society will provide you with a free copy of any volume (or several of the smaller volumes) if you will convert this to ASCII e-text. **If you convert 200 pages or more, we will provide you with a free e-text copy of ALL the converted volumes.**

If you will convert one of our LENDING LIBRARY volumes into e-text, please contact **Dan Brinson; 128 20th Ave NW; Cairo GA 31728-1017** or at one of our e-mail addresses. He will co-ordinate this activity.

Hello Everyone

## NEW LENDING LIBRARY VOLUME

I received a 29 page printout on the descendants of **Richmond TERRELL** and **Sarah LISLES** that is very well done and has excellent source citations. I received the following in response to a request for permission to add this to the LENDING LIBRARY. In keeping with the pricing policy, we will offer copies of this for \$7.00. It will be added to the LENDING LIBRARY ORDER FORM on the next printing. *DFB*

Hi, Dan,

In answer to your request, yes, you certainly may add my printout to your lending library. I am constantly adding to my genealogical information, and will soon have some of it put back up on my homepage on the internet. I had removed my GEDCOMs from my pages, so that I could update and upgrade my homepage. Anyway, all that info was obsolete, having been uploaded almost 2 and a half years ago. Also, I had many mistakes and lots of missing source info. I now have almost 9500 names in my master file.

I should have my GEDCOMs uploaded between the end of this month and the middle of May. If anyone is interested, I'll have three GEDCOMs: **LeBlanc** (mostly Acadian from old Acadia and the South Louisiana areas), **Couvillon** (French Canadian from the Montreal, Canada and Avoyelles Parish, Louisiana areas), and **Rustad/Stanley** (from Norway, and Kentucky). My homepage URL is:

Hoping to hear from you, again,

I am writing in hopes of finding more information on the TERRILL/TERRELL family from which I descend.

My line is:

**Robert TERREL & Mary FOSTER**

**Edmund TERRELL & Margaret WILLIS**

**John TERRILL & Rebecca CORNELIUS**

**Joshua Willis TERRILL & Matilda WALTON**

**Thomas William WALTON & Stella Amelia TERRILL**

**Major Lanius JOHNSON & Elizabeth Lee WALTON**

**William Walton JOHNSON & Mary HENDERSON**

**William Walton JOHNSON, Jr & Mary KIRKWOOD**

**Scott Daniel JOHNSON**. I md. **Julie YEN**. **Scott Johnson**; 430 Sierra Ave; Mountain View CA 94041 e-mail: **scott@sispice.com**

I am trying to identify the parents, siblings, and children of one **George Washington TERRILL** who witnessed two deeds of **Solomon STONE** in 1808 in Pendleton District (later Pickens Co) SC on which Solomon's wife, **Elizabeth LADD** released her dowry prior to their move to Franklin Co. TN.

I believe this **George Washington TERRILL** may have married the second daughter of **Solomon STONE & Elizabeth LADD**. Their first daughter, **Anna STONE** had married ca 1799/1800, her first cousin, **Amos LADD, Jr**, Elizabeth's nephew. Amos and Anna named a son, **George Washington TERRILL LADD** b. 03/08/1808. This is the basis for my belief that **George Washington TERRILL** was **Solomon STONE**'s son-in-law. I'd also like to know the given name of **George Washington TERRELL**'s wife and

what became of them. I hope you can help me. **Mary Olson; 209 McGee St #D; Bamberg SC 29003-1152**

There is mention in family records that we descended from "Irish royalty", and I have managed to trace the family to VA in the 1740s, but am unable to make connection further back. My TERRELL family moved from VA to Harrison

Co. OH, to Woodson Co. KS, and then back to OH. I have many photos of the family dating back to the mid 1800 which I would be more than happy to copy. **John Cramer; 2028 Pleasant Hill Ave; Morganton NC 28655** phone: 828-437-9446 e-mail: [jpcramer@hci.net](mailto:jpcramer@hci.net)

I just obtained your name from the internet and am interested in getting together with other TERRILL/TERRELL heritage persons. TERRILL was my grandmother's maiden name. She lived in Howard Co. MO. My TERRILL line came from England to VA. I have ninety some generations of TERRILLS on my PAF genealogy program back to the time of Christ. This could be done because they tied to English royalty. Do you have or know of a TERRELL group on the web? **John Terrill Weyland, Jr; 5911 Brushy Mountain Rd; Moravian Falls NC 28654** phone 336-838-8186 e-mail: [longjohn@abts.net](mailto:longjohn@abts.net)

I understand from my cousins that your society has extensive genealogical information on the TERRELL family tree. My mother was **Doris TERRELL Hatfield**, daughter of **Wellington Sheridan TERRELL** who was son of **Marcus Wellington TERRELL**. I recently received information from my cousins back to **Andrew Hayes TERRELL**, father of Marcus and also included the names of Andrew's father, **John TERRELL** and mother, **Margaret "Lydia" HAYES**. I am interested in additional information on Andrew and John as well as all the descendants of Marcus Wellington TERRELL. They lived in Dade & Lawrence Co. MO area. I have several descendants of Wellington Sheridan TERRELL if you are interested. I have hundreds of ancestors of Sheridan's wife, **Mattie Alice WILSON Terrell**, daughter of **Solomon Hayes WILSON, Jr**. Do you know of the HAYES on the TERRELL side and the WILSON side are related? **William Terrell "Terry" Hatfield; 218 W. Jackson St; Panora IA 50216** phone: 585-755-3882 e-mail: [hatfeeld@netins.net](mailto:hatfeeld@netins.net)

I descend from **Christopher MARTIN** whose first wife we do not name, only that **TERREL** is used in two of the families that came to KS. Christopher had a son **George (Terrel?) [MARTIN]** and a daughter, **Elizabeth [MARTIN]**. Christopher owned land in Hardy & Hampshire counties including 4 acres reported to have been given him when he defected from the Hessian Troops and went to the American side. He was injured in the battle of Brandywine. I have been all over the north part of West VA and lower PA looking for proof of the lady he married. We are not sure when his first wife died, but he remarried and had several more children.

## TERRELL TRAILS

In a will from Ohio County [now WV] we found the name **Elizabeth MARTIN** whose children inherited from their grandfather **Daniel TERREL**. We have gone through the census records and found dates of birth different in two records. Our **George [MARTIN]** was reported by our family as having been born in 1810, married in 1835 **Rebecca DRAISE** and started to MO. **George (Terrel?)[MARTIN]** had a grandson named **James Terrell [MARTIN]** living in Topeka KS. I am enclosing copies of both Daniel's & Jured's will. I seek proof to connect me to this line. **Gwen G. Seefeld; 537 N. Fountain; Wichita KS 67208-3853**

*Editor's Note:* West Virginia did not become a separate state until the Civil War. The marriage record you seek may be buried in the marriage bonds of the Virginia Archive in Richmond.

The following wills are from typed transcripts, not original records. I have tried to preserve all the spelling, punctuation, and capitalization of the transcripts. These wills are good examples of spelling variations within a single document.
