ARCHIVE MEMORIAM DONATION

We are pleased to announce a donation to the archive fund in memory of **Ruby Sue TERRELL Walker** (b. Lunenburg VA, d. Pittsburg PA) that was recently made by her granddaughter, Member #511, Mrs. **Sue WALKER Macchiarella** of Clarksville TN.

This donation will help us achieve our goal of building an electronic archive.

We thank Mrs. Macchiarella for her generosity.

Dear Mr. Brinson,

You have done such a marvelous job with the Terrell Family, and I must confess I have "done wrong". Way back in the Fall 1994 Vol. X No. 3, **page 822**, you published a page of my member's chart. You did a great job, and had to combine a story that had been published in an East Texas Genealogical Society Publication, with my pedigree.

There were errors in the "transcribing" and I failed to follow up and inform you of the errors that occurred. Now I find that those errors are on the World Family Tree file, put in by I don't know whom.

I applaud your new Internet site, and will be a frequent visitor. I am now writing to you so that **perhaps the mistakes on page 822 can be corrected before they are posted on the page.**

2. generation: correct: **Douglas Charles TERRELL** was born in 1923. The name **COTTEN** is the correct spelling.

5. generation: Sarah Ellen TATUM, daughter of Joshua Perry TATUM and Sarah Elizabeth VARDEMAN

5. generation: Incorrect: "having an office in Tyler, TX.
Correct: **Thomas C. TERRELL** had the office of "Tyler or
Tiler" in the Masonic Orders in Union County, Arkansas.

Sir, I apologize for not notifying you of these mistakes before. Sometimes, life gets in the way of our genealogy. Thanks for all your efforts on behalf of the Terrells.

ENCYCLOPEDIA PROJECT

The increase in space in *Terrell Trails* devoted to e-mail and web addresses is not an act of deserting our members who do not have computers with modems. It is an effort to link as many descendants as possible and to provide you with as many electronic research locations as possible.

Even if you do not have a computer, there is probably one hooked to the Internet at a nearby library. As a library patron, you can take *Terrell Trails* with you and ask for assistance in learning to search the various sources listed.

Your library might allow you to set up a temporary e-mail box on their system so that you can send e-mail to others and receive their replies. Even if they won't allow you to have e-mail access, they can show you how to print what you find to diskette. Once the information you locate is on diskette, you can either print it out and take it home with you (usually for a per page fee) and/or send an electronic copy of the information to the TERRELL SOCIETY via the link on our web page as an attachment to an e-mail message.

One of the original goals of the TERRELL SOCIETY OF AMERICA, INC. is to locate, store, and distribute as much information about the various TERRELLS (including all variations) who came to America as possible.

An *Encyclopedia of American TERRELLS* including information gleaned from previous works and adding as much new information as we can, resolving as many conflicts as possible, documenting as many events as possible, & publishing as many pictures as practical; has been on the back burner since 1984.

The officers have decided to start this project, at least electronically. We don't have the funds to print such a work and distribute it in book form. Unless we come up with some way of attracting more than our average of 150 paying members at a time, we never will. Since those with the

surname (including all variations) number less than one-half of one percent of the populace, we are not likely to attract enough purchasers outside the Society to provide the revenue to publish such a work.

The officers are considering purchasing a new computer with a massive hard drive to store this information. (The 516MB HD that is in my computer is almost filled to capacity.) This new computer will have a HD that is 5 to 26 times that size, depending upon the best deal we can get with the money available.

We are also looking into the possibility of putting this computer onto the Internet. However, we are going to have to either attract a large sum in donations from those who visit our web site, or set up access levels based upon annual dues specifically for web access. Our current annual income is not sufficient to put a computer on the web and keep it there 24 hours per day for a year, even if we stop publishing TRAILS and doing most of our other correspondence.

You can assist us with this project in several ways.

1. You can send us copies of **family group sheets on your TERRELL ancestors and descendants** that are not included in previously published works such as those in the LENDING LIBRARY. We especially need information on the generations between the 1920 census blackout and the present.

2. You can send us photocopies (or typed excerpts that include all names, and complete source information — book, page, & location of the original record) of everything you come across that mentions any variation of TERRELL. This can include anything from court house records to daily newspapers. Newspaper clippings should include name, date, and page of publication. Copies of pages from books should include a copy of the Title page complete with copyright and ISBN number.

Paper copies of 1 & 2 above should be sent to the Cairo, GA address. Electronic text copies may be either attached to e-mail via the link on our web page or sent as an attachment to your regular e-mail if your system supports attachments. **Until we get the new computer in operation, we do not have storage space for scanned pages in .bmp, .gif, .Tif, and other graphic formats. Please do not send these unless specifically requested to do so.**

3. I refuse to turn TRAILS into a Baptist (no offense, I'm one) Begging Journal. We realize many of our members are elderly and on fixed incomes that make it difficult for them

maintain their membership, much less contribute to special projects. We appreciate their loyalty and are proud of each one.

You, who can afford it and desire to do so, can speed up this project by sending a special donation to: **Terrell Society of America, Inc.; 128 20th Ave NW; Cairo GA 31728-1017.** Make check payable to TERRELL SOCIETY OF AMERICA, INC. and mark it for "ARCHIVE FUND" so we will know it is for this special purpose.

If you desire to donate surplus equipment that could be used by the Society for this or other projects such as a copy machine the LENDING LIBRARY, send us the details via either e-mail or regular mail to the Cairo, GA address.

I am still searching for info on my great grandfather, **James M. "Dock" TERRELL**. Some years ago you wrote me about **Doctor Hilton TERRELL**. After some research I figured out he is not my great grandfather. I thought **James** might be the second son of **Wyatt Monroe TERRELL** in Lauderdale Cty, Ala. But the age would not work out right.

I know he was killed in a logging accident in Calhoun County and died in Pontotoc County MS, in 1881. He was a member of the Masonic Lodge in Sarepta, MS.

I found in the 1860 census in Pontotoc County, a **James** age 15 (census lists birth as Ala) living with **Martha M. TERRELL** age 42. They are living with the **O'HARE** family. On the farm next door **John T. TERRELL** is living on the **BASS** Farm with his wife **Mary** and their daughter **Martha** age 1. **James** later marries **Francis Elizabeth BASS** in Feb. of 1865.

In the Lafayette County, MS 1850 census I found a **Wm. G. TERRELL** (census lists Va., as birth place) married to a **Martha TERRELL**, with twins **John** and **Mary**. No **James**

is listed. There is a **Mary TERRELL** that marries a **Simon SCREWS [CREWS?]** in Feb 1866 in Pontotoc County.

I would appreciate any information you might have on these Terrells. Thank You **Gene Terrell** Member Number 87 terrell1@flash.net

Editor's Note: I assume you have read the LIBRARY selection *Terrells in Alabama County Records*, but just in case, here are a few tidbits.

Page 6: Lauderdale Co. AL, M.B. 5, p. 409; **Wyatt Monroe TERRELL** m. **Catherine BRYANT** 08/31/1848 by **J. BIGGER J.P.**

Page 5: Probate Minutes Book A 1850-1855, p. 507: **Calvin TERRELL** (age 38, b. SC m. 1835 **Matilda THREET**) is appointed guardian of his six children. Seven are listed with commas between all names. There is a **John** age 12, but no **James**.

Page 9: **Joseph & Tabitha TERRELL** had a son 2 years younger than **Doctor Hilton TERRELL**, (age 14 on 1850 Lauderdale Co. Census) named **James** aka **James Bear TERRELL**. On the next farm, **Monroe TERRELL** and wife **Catherine**, had son **James** age 1 in 1850. [This is evidently **Wyatt Monroe and Catherine BRYANT TERRELL** and the son listed would be 10-11 in 1860. Census ages fluctuated from census to census. An 11 year old boy might pass for 15. However if this is the same, **Catherine** must have died and either **Monroe** remarried, or **James** is living with a relative. At least one thing is clear, **Wyatt Monroe TERRELL** was not a son of **Joseph & Tabitha TERRELL**.]

DICKEN lists: p. 198, **James Milton TERRELL** b. 1811 s/o Capt **John TERRELL & Abigail ALLEN** who m. Clark Co. KY 1797; had brother **Dr. John Harrison TERRELL** b.1801; p. 206, he m. **Emaline HOLLIS** 08/05/1836, d. at North Madison, IN about 1839, left 3 daus, one d/y; no sons. p 237 **James Martin TERRELL** b. ca1810-20 s/o **Archibald TERRELL & "a Miss MARTIN** of a wealthy NC family." **Archibald TERRELL** (12/05/1774—07/14/1824) was a merchant, planter, and cotton buyer in Natchez MS. His wife d. between 1821 & 1824. Children were orphaned at a young age. **DICKEN** does not trace the family.

p 268 **James Madison TERRELL** b. 06/11/1817 Wake Co. SC; s/o **Solomon TERRELL** and second wife **Nancy WALL** m. 1851 **Martha A. WIGGINS**. No further info listed.

p 273 **James Maxwell TERRELL** (11/05/1829—01//1891) b. NC, was a lawyer, married (doesn't say whom), had a son **Joel** and others.

Of the above, **James Martin TERRELL** is nearest geographically to your **James M. Dock TERRELL**. The *TERRELL AND CARRUTH GENEALOGY* by **John H. PARKER** also lists this line. Page 14, he says **Archibald TERRELL** m. **Nancy MARTIN** of Red River VA. Children: **James Martin TERRELL**; **Virginia Ann Courtney TERRELL** m. 07/23/1828 **Ferdinand L. CLAIBORNE, Jr.**; **Frances Elizabeth TERRELL** m. **Henry S. DAWSON**; **Julia Louise TERRELL** d. 11//1878 m. **Dangerfield SMITH**; & **Matilda TERRELL** d/y.

Archibald TERRELL is listed as son of **Micajah TERRELL & Hannah GOODMAN**; grandson of **Timothy TERRELL & Mary MARTIN**. Sources cited on page 15 include: *Claiborne's History of Mississippi* p. 175, 283; *TERRELL GENEALOGY* by **Emma DICKEN** p. 236-246; Adams County MS court records; Amite County MS court records; N. Family is repeated on page 27, but no additional details are given on **James Martin TERRELL**. The same applies to the citation below.

TERRELL TRAILS

On page 73, **PARKER** muddies the water by printing *TERRELL FAMILY RECORD* by **Grace TERRELL Talbert**, Liberty MS [m. **TALBERT** in 1912]. She begins with one **James TERRELL** [brother of **Archibald**] and gives him as a second wife, **Nancy MARTIN** of Red River VA [Wife of **Archibald**]. This page continues the muddling by listing as the children of **James TERRELL** not only the children of **Archibald TERRELL**, but by adding the **TERRELL** surname to their husbands. She ignored the children of this **James TERRELL** & his second wife **Amanda EDWARDS** listed on page 14: **Betty TERRELL** b. Edwards, MS 10/28/1829 m. **J. S. BYRNS**; **Sally TERRELL**; & **James TERRELL, Jr.** except as cited below.

The next paragraph continues with "Later a **James TERRELL** was born 02/28/1806. [nephew of **Archibald**, son of his brother **James** above; his birth date is contemporary to that of **Archibald**'s children. She lists 5 boys and 5 girls born between 1831 and 1850. The eldest, **John N. TERRELL** was her great grandfather. She continues for 3 pages with his descendants. Unfortunately, after the contradictions in the first paragraph, we don't know how much credence to give to it.

I haven't found anything to prove the parentage of your **James M. "Dock" TERRELL**. Maybe you will get lucky and something in this mass confusion will be the lead you need. *DFB*

Thanks for the address, will get a check in the mail in a day or two. Do not know about **William WILKINSS** as a connection. So far my search has been a deadend! My maternal grandmother's father was "**Mat**" **TERRELL** and the only thing I know is he died in 1884 when grandma was three months old. She was born in Ninekah (Grady County) Okla Indian Terr. The only other **Mathew TERRELL** I have found was born about 1833/34 in Ohio, this from the Ohio 1850 census and know nothing else about him. One uncle thinks "**Mat**" was in the U.S. Army. He was, we think buried on the banks of the Washita River in June 1884. **Clif Wilkins** e-mail "**clif**" clif@csiway.com

The books arrived yesterday! and I am thrilled with them. I mean, really thrilled. They won't be sent back. They have found a home and will be treasured.

SUCCESS STORY

I want to thank you for publishing my query in your last news letter. I got one response and it was just the right one. Mrs. Marian M. Crowel in Cupertino, Ca answered it and

low & behold her grandmother is my GG Aunt, **Capitolia TERRELL Brown Sprague**, dau of **Henry Clay & Eliza McDonald SULLIVAN TERRELL**. It has been a wonderful experience talking to her on the telephone and trading family information, pictures etc. I am so very pleased, I joined the Terrell Society. Again thanks for publishing my query.

One question, I do have. My line is **Henry Clay TERRELL** of Mt. Eden, KY, his dau **Nancy** (called **Whitt** and or **Nannie**) m **Harrison LYON** (not **LYONS**). Their children, **Herbert, Zena & Minnie Carl LYON** (not **LYONS**).

Zena m **Daniel Edwin LYON** (my grandparents) the book says they are cousins. They were 3rd cousins. Their children were: **Baby girl LYON**, buried St. Stephens Cem. Louisville, KY 1909, d at birth; **Rosina Elizabeth, Harry Austin** (not **Harrison**), **Herbert and Margurite Terrell LYON** (**Margurite**, my mother) I do have birth, death cert's and personal knowledge of these children.

Nancy Whittaker TERRELL Lyon died in Ojai, CA. not Ventura. **Zena & Daniel LYON** both died in Ventura, CA. **Nancy, Zena & Daniel** are buried in our family plot in Ojai, CA

Minnie Carl LYON also d in Ventura, Ca and is buried at Ivy Lawn Cemetery, Ventura, CA.

How can I get the information in the Terrell Genealogy book corrected? I would appreciate your thoughts on this.

I read in the Terrell book a picture was taken of **Zachariah TERRELL** of Mt. Eden, KY. Have you any idea who would have a copy that they would share with me? I would be happy to pay all copy and postage costs. I would be happy to share my family pictures with anyone that is interested.

Thanks for your great society, so glad I joined.

Hallie Martinson e-mail: HDBM@AOL.COM

EDITOR'S NOTE: You did not say which book contained the error. If you are referring to *Terrell Genealogy* by **DICKEN**, there is no way to correct it. That book is printed and the author deceased. If you are referring to the *Terrell Family History* compiled by Mrs. Crowel's mother and other relatives, Mrs. Crowell is the only one who can authorize changing it. *DFB*

Thought I'd forward this on to you FYI. It was posted on the VA-Roots list. I know there was a lot of migration from PA to VA and back, but I never really read anything on the PA **TERRELLS** and this is not the first post I've seen. Best

Subject: **Abenaki-BOISVERT,GAGNON**

I am looking for any information on my great grandfather **Louis Abraham BOISVERT/AKA GREENWOOD** b. 9/18/1877 unknown d.4/9/1942 Nashua NH. He married **Hilma Garrison TERRELL** in 1925 Abington, MA. I am really looking for info pertaining to his parents **Abraham BOISVERT/GREENWOOD & Exilda RODIER**. All that is known is that they came from Quebec and were probably Abenaki. I can't trace my family generations back far enough to check the records at Wolinak and Odanak.

I am also looking for parental info on **Alphonse Joseph GAGNON** b.1/21/1895 Trois-Rivieres,PQ d.19? Nashua NH. He married **Maria Zoe GENDRON** in 1913 Nashua NH. His parents were **Athanase GAGNON & Marie BOUCHER**. Also Abenaki blood believed from this side of the family. Thanks in advance for any help!

For a long time I have been searching to find who exactly my Cherokee ancestor is. I know it must be from this side of the family so here goes: **Hilma Garrison TERRELL/TIRRELL** b.11/12/1886 Abington MA d.1975 Salisbury MA. Married **Louis BOISVERT/GREENWOOD** 1925 Abington MA. She was the daughter of **Albert TERRELL** b. 1/27/1861 ? d. 2/24/25 Weymouth MA. He was the son of **Amerigus Vespucius TERRELL** and an unidentified woman. He married **Mary Sophia COCKERHAM/CORKERHAM** b.8/16/1861 Summit MS d.2/11/21 Abington MA. She was the daughter of **Andrew J. COCKERHAM/CORKERHAM & Sara Jane FIESHLEY**.

That is as far as I am able to go back. I do know that the **TERRELLs** owned a plantation called *The Quarter* in Suffolk Co, NC up until 1835. All the **TERRELLs** in my family descend from a **William TIRRELL** who landed in Weymouth MA 1634 and founded the town of Abington. He then moved down to North Carolina. His sons were Indian traders, maybe that's where the connection lies but I am unable to go back that far. **Mary COCKERHAM/CORKERHAM** is a mystery. The family says that she just appeared in Abington one day which seems to be quite a ways from MS. I cant find the **FIESHLEY** surname anywhere. Thanks again in advance for any help or advice offered!!

I just visited the index websites on the **TERRELL** name. I am "very" interested in the **WINGFIELD, BUTLER, TERRELLs** of VA & GA and found many article references to these connections. My line of research involves the **STAMP(L)ER** and all variations in VA & GA. There are two records involving the **BUTLER & WINGFIELD** name in connection with **Powell & Mary (Polly) STAMP(L)ER**. From my research, I've found that the **WINGFIELDS, BUTLERS & TERRELLs** were all neighbors Thus, my focus as to how they connect with the **STAMPERS**.

Data copied at the Liberty, Amite Co. MS library says that **Hiram and Isabell TERRELL** had **James Landrum TERRELL** and **Martha TERRELL** m. **Joshua FORD**, son of **Benjamin FORD**. No other children are mentioned. Unfortunately I do not have the author or date of this publication - but believe it is a history of Amite Co.[MS]

In the Mansfield Cemetery, Mansfield, DeSoto Parish, La are buried the following Terrells:

Josiah Martin TERRELL - 14 Feb. 1818 - 20 Sept. 1883

Mary M. Terrell - 14 Nov. 1822 - 8 Dec. 1903 (wife of James L. Terrell)

Martha Elizabeth Terrell - 22 Nov. 1843 - 13 Apr. 1900
[Birth date about right to be daughter of James Landrum TERRELL]

I've located no will for Hiram, but the Pike Co. MS courthouse burned in the late 1800's and no records are available that far back - also have not located his burial place.

Family history states that **Isobell** moved to Texas with either her son, **James Landrum TERRELL** or her grandson, **James Irvin (Ervin) TERRELL** where it is believed she died in 1869 and is buried near Belton, Texas. This information I received from a cousin **Deloris WYNNE Riley** of San Antonio who is descended through Josiah and Ann's daughter, **Mary Elizabeth "Molly" TERRELL Wynne**, sister to my two great grandmothers - **Nancy Isobell Emelie TERRELL Wynne** and **Louisa Lenora TERRELL Edwards**. Molly was born in MS, the other two in LA.

Family records state that **Josiah** had 3 brothers who served in the Confederate Army (Deloris has documentation): **William "Bill" Harrison TERRELL**, **Thomas W. TERRELL**, **David W. "Dave" TERRELL**. (However, obit states that **James Landrum TERRELL** was also in CSA) With this information along with census data - **Hiram & Isobell TERRELL** would have had the following 9 children (not necessarily in birth order):

1. **William Harrison TERRELL**
2. **Thomas W. TERRELL**
3. **David W. TERRELL**
4. **Hiram TERRELL**
5. **Martha Elizabeth TERRELL**m. **Joshua FORD**
6. **Mary R. TERRELL** m. **Benjamin FORD**
7. **Josiah Martin TERRELL**
8. **James Landrum TERRELL**
9. **Lewis TERRELL**

This is the data plus a history written by **Orvilla WYNNE Moore**, daughter of **Nancy Isobell Emelie TERRELL Wynne** and granddaughter of **Josiah Martin TERRELL** on which I base Josiah's parentage. Please correct me if I am mistaken in this theory.

Sincerely, **June Wynne Harvey**, mem. #499
Jharv1203@aol.com

Editor's Note: As I wrote you, on the surface you appear to be correct. However, closer examination indicates that you may still be two sons and one daughter short.

The obit of **James Landrum TERRALL** indicates that he is "one of 9 sons and 3 daughters raised to maturity." If that obit is correct, the total is 12 adult children. Your list of 9 includes 7 boys and 2 girls—two boys & one girl short. Who were the other 3 children? DFB

FIRST "ASK SCIWAY" FORUMS NOW ONLINE

In the last two issues of SCIway News, I've talked about the need for a Web-based bulletin board where anyone in the world could ask a question about South Carolina, and any interested South Carolinian could answer.

I also believe we would all benefit from a well known online location where South Carolinians could easily share information with each other.

Ask SCIway, the service I hope will meet these needs, is now online. You can find it by going to SCIway's home page (<http://www.sciway.net>)

and clicking the dark blue Ask SCIway button. (Please click your browser's Refresh or Reload button first.) This initial version of Ask SCIway includes seven "forums." Four of

these forums are for posting questions and information about South Carolina history and genealogy. Anyone can read the messages posted on Ask SCIway. **But if you want to ask a question or post other information, you will need to register first. This process — which is required by the software we're using — costs nothing, takes about a minute, and does not require you to reveal any information about yourself.**

MEET OUR HISTORY AND GENEALOGY MODERATORS

All Ask SCIway forums are monitored and guided by one or more volunteer moderators. These moderators can answer questions about their respective forums and edit or delete inappropriate messages. **Gene Jeffries** will moderate the genealogy forums.

SOME BEAUTIFUL PICTURES OF SOUTH CAROLINA WATERFALLS

[Getting dazed by monitor glare? Try this for a welcomed change.]

<http://www.people.virginia.edu/~bcb5a/waterfalls.html>

Since the first time I saw one, I've thought that waterfalls are one of the most beautiful and awesome creations on earth. I can sit and watch them—and listen to them—for hours.

Happily, South Carolina's Upstate has an abundance of waterfalls, a few of which I've visited. But now, thanks to **Ben Brooks** and **Tim Cook**, we can all see some exceptional photographs of our state's largest falls through the Internet. Just point your browser to the address above.

Note: For additional information about South Carolina's rivers and waterfalls, see

RHEA COUNTY TN INFO SOURCE

[This came in on my CLIFTON mailing list, but we have lots of members whose ancestors migrated through TN.]

Below is **Edna Clack's** web sight.

<http://members.aol.com/woodchippy/index.htm>

From the first page of this sight, click on "CLIFTON/Ryan Family of Rhea Co TN". This will take you to a page that gives the location and a list of those buried in the **Clifton Cemetery** in the Roddy Community. It also contains a wonderful narrative entitled *A Profile of Our Family com-*

iled by **Ruby CLIFTON Ryan**. It is nicely written and very entertaining.

Should you have kin from Rhea Co TN, Edna has some books and will do some lookups on your Rhea Co names. I believe that Edna could answer most Rhea County questions that you might have, too. Hope you will take a few minutes and enjoy her interesting web sight. Sheryl McNeely Shaw

GENEALOGY? ASK DAN!

Q. I was wondering if anyone has traced the line of **James TERRELL**, son of **William TERRELL & Susannah WATERS**. James married **Mary WATKINS** and had **William** (born in Caroline County), **Dudley**, & **James**. I'm a member of the Terrell Society now, but I'm wondering if this line has been printed or discussed in the past?

I'm still trying to connect my **James TERRELL (Terrell chairmaker)** in Caswell County, North Carolina to Virginia Terrells. I was told that this James may be a possibility.

If it has been covered in a previous issue, please let me know at this e-mail address. **Ramona Lee Smith Supensky (MONA) monas@gamewood.net**

A. I'm not aware of anything being published on this family, so I'll try to answer your question.

DICKEN's *Terrell Genealogy*, page 72-73 speculates that **James TERRELL**, b. ca1700-05, s/o **William & Susannah TERRELL** d. before April court 1772 in Caroline Co. VA when **Roger QUARLES, Wm. TYLER, Robert TOMPKINS, & John CHILES** were selected for any two of them to settle and divide the estate of **James TERRELL**, deceased (O.B. 1770-1772, p. 430).

Earlier, 03/10/1764, **James TERRELL & Margaret**, his wife, of Caroline Co. VA were complainants against **John ALMON**, executor of the estate of **John WATKINS**. By consent of the parties, and by order of the Caroline Court, 2 men were appointed to arbitrate and settle the matter. They made their report to the court on 05/07/1764, and stated that they had examined into the personal estate whereof **John WATKINS** died possessed of, as also the produce since his death while in the custody of **Mary WATKINS**. They appraised the personal estate and awarded **James TERRELL** one-fourth part; he having agreed to abide by their decision (O. B. 1764-1765, p. 226). [In that day, it was

TERRELL TRAILS

customary for a man to inherit his wife's part of her father's estate. This tends to indicate that **James'** wife, **Margaret {not Mary}** was daughter of **John WATKINS** and that **Mary WATKINS** was probably her mother or maybe her sister. There isn't enough information here to draw a firm conclusion.]

DICKEN continues that on 05/14/1772, an account of **William WATKINS** administration of the estate of **Margaret TERRELL** was approved by the court, and ordered recorded. [This indicates that she died shortly after James, and either had an estate of her own or her portion of the estate of James was divided among the heirs. The latter is probable since James apparently acquired her share of the estate of **John WATKINS**. The relationship of **William WATKINS** is not stated, but due to the custom of the day it is likely that he was **Margaret's** brother.]

On 09/12/1776, a settlement and division of the estate of **James TERRELL** was ordered recorded (O. B. 1776, p. 628).

DICKEN admitted that she did not find any record of who shared in the estate of **James TERRELL**, but "it seems probable that he had sons: **William TERRELL; Dudley TERRELL; & James TERRELL**, and perhaps others." [Unfortunately, DICKEN didn't leave us the crystal ball she used to arrive at that conclusion.] She stated that **James & Dudley TERRELL** were listed in tax records as living together and paying 2 tithes in 1789.

DICKEN continues that they found mention of a **James TERRELL** in Caroline [Co. VA] who must have been a generation younger than the James who d. 1772. It appears from the tax records that he d. about 1793. Part of his land went to **Judith**, who was probably his wife, and to **James TERRELL & Dudley TERRELL**. [If DICKEN is correct in that statement, we now have 3 James TERRELLs of Caroline Co. VA: one d. 1772; one d. 1793; and a third also of unproven origin still alive in 1793 sharing the estate with **Judith** and **Dudley**. If your James, chairmaker of NC, was from this area, he would have had to be the latter.]

In 1800, **Dudley** sold his land to James, which in 1805 he had disposed of, and it appears that he may have left the county for a while. Also in 1800, **Judith**, seemingly the widow of James, had died and her land reverted to **James TERRELL's** estate.

Susannah TERRELL, d/o **James TERRELL** who d. 1793 m. **George THOMAS**. She and her husband petitioned the court to equally divide the land, her younger brothers and

sisters not being of age. A report was made to the court in 1805, with plots of land, showing each child's part.

Children named were:

1. Mrs. **Susannah TERRELL Thomas**
2. **Elizabeth TERRELL**
3. **Mary or Polly TERRELL**
4. **Ann or Nancy TERRELL**
5. **William TERRELL**
6. **John TERRELL**

On 05/14/1801, in St. Margaret's Parish, Caroline Co. VA, **William TERRELL**, orphan of **James TERRELL** was bound to **Matthew CAMPBELL** (O.B. 1779-1801, p 266).

At January court 1802, **Nancy & John TERRELL** orphans of **James TERRELL** deceased, were bound to **Jesse TERRELL** according to law (O. B. 1799-1802, pp. 266, 434).

Caroline Order Book, 1802, p. 485, May Court, 1802 recorded that **George TERRELL** and two others named were to state and settle the executorship account rendered by **James JONES** and **Nathan WINSTON** of the estate of **James TERRELL**, deceased, and report.

It is supposed that **Elizabeth TERRELL** was of marriageable age and the same amount of land that was awarded her in 1805 was the following year assessed to **Thomas MOORMAN** from **James TERRELL's** estate. On 12/23/1804 a **Thomas MOORMAN & Elizabeth H. TERRELL** were married in Campbell Co VA, but DICKEN did not find proof that she was the same **Elizabeth**.

The marriage records of Caroline Co. VA show the marriage of [one] **Polly TERRELL** to [one] **James JONES** 09/14/1807. [If these were the same **Polly TERRELL** who was underage when petition was made to divide the estate, and this was the same **James JONES** who helped settle her father's estate, there was a lot of difference in their ages.]

John TERRELL [son of James who d. 1793] sold his land about 1815. His brother, **William TERRELL** sold his land about 1829-1830 according to DICKEN.

DICKEN, p. 75, tells of Texas TERRELLS who claim to have descended from **William and Susannah TERRELL** though one **James TERRELL** who sired **Philemon TERRELL**, and "he thought" 2 others named **James & Edward**. There appears to have been at least 2 generations of **Philemon** in that family. The earlier **Philemon** served in the Revolution. The family claimed to have silver knee buckles with the initials "J. T." that were worn by their ancestor, **James TERRELL**. This branch included **Charles Vernon**

TERRELL who wrote our Lending Library selection, #145, *TERRELLS OF TEXAS, 85 YEARS INDIANS TO THE ATOMIC BOMB*.

DICKEN rambles on through "four brothers, **Peter, Dudley, William, & John Pleasant TERRELL**" of Campbell Co. VA. She did not find record of their parents and was not sure they were descendants of James TERRELL, but they all married in that county apparently between 1799 & 1816.

In short, DICKEN raised far more questions in Virginia than she answered. I sincerely hope that one day we will have the bits and pieces entered into a computer where we can sort them by date and location. Maybe we will be able to determine whom is most likely to have descended from whom, but that day has not arrived.

Good hunting! DFB
