A. Andreas Gar (Gaar) #4 left Bavaria on April 26, 1732 for America and arrived in Philadelphia on September 12, 1732, settling in Germantown near Philadelphia. The ocean trip from Cowes, England took seven weeks and four days.

The children that came to America with their father and mother were John Adam, Rosina, Lorenz, Maria Barbara, and Elizabeth Barbara. Maria Barbara died soon after arrival.

We do not know when Andreas Gar left Pennsylvania, but he purchased land, livestock, and a slave in Orange County, Virginia on August 14, 1747. (See Bill of Sale on page 540 of the Garr Genealogy book published in 1894 in Cincinnati, Ohio and updated and republished with up-to-date additions in 1968.)

B. See the Will of John Adam Gaar on pages 544 - 547 of the Garr Genealogy.

C. As #1271 Joel Thomas Gaar died at only 25 years of age, his widow, Caroline Rachel Matthews Gaar, remarried to James Marshall Grant and moved to Lincoln Parish with her two children. The Grants are both buried in Wilder Cemetery, Ruston. Joel Thomas Gaar is buried in New Hope Cemetery, Gaars Mill, Winn Parish, Louisiana.

Richmond and his wife came to VA from England in 1656

Information on A2 (RICHMOND TERRELL) to A33 (GOODRICH TERRILL) supplied to me by Jimmy L. Terrill (No. 50) which he got from Mary Benson Terrill Lightner (Mrs. Thomas A. L. Lightner) of Purcellville, Virginia, on a trip to Virginia in September, 1998. I have been trying for years to find information about the parents of Goodrich Terrill; also, when the name was changed from Terrell to Terrill. Jimmy got this information, for which I want to thank him.
